RODNEY

2026 Summer Camp Schedules

This document contains the Merit Badge Schedule, Sunrise / Sunset Program Schedule, Adult Leader Program Schedule, and Prerequisite Form from Rodney's Scouts BSA summer camp in 2026. We hope that these documents will help show an example of what our program will look like next summer.

These documents are only meant to serve as an example, and the 2027 versions will include changes to offerings and availability.

We're hard at work putting together the 2027 schedules, and we should have drafts available soon. Every summer, we seek to innovate and improve our program offerings. This can range from rotating merit badges into and out of our program, to adding entirely new activities to the summer.

The final version of the 2027 Merit Badge schedule will only be posted after the 2027 Scouts BSA Advancement Updates are published. Anything posted before then may be changed based on the impacts of the requirement changes.

If you have any questions about last summer's programs, or possible changes for 2027, please feel free to reach out!

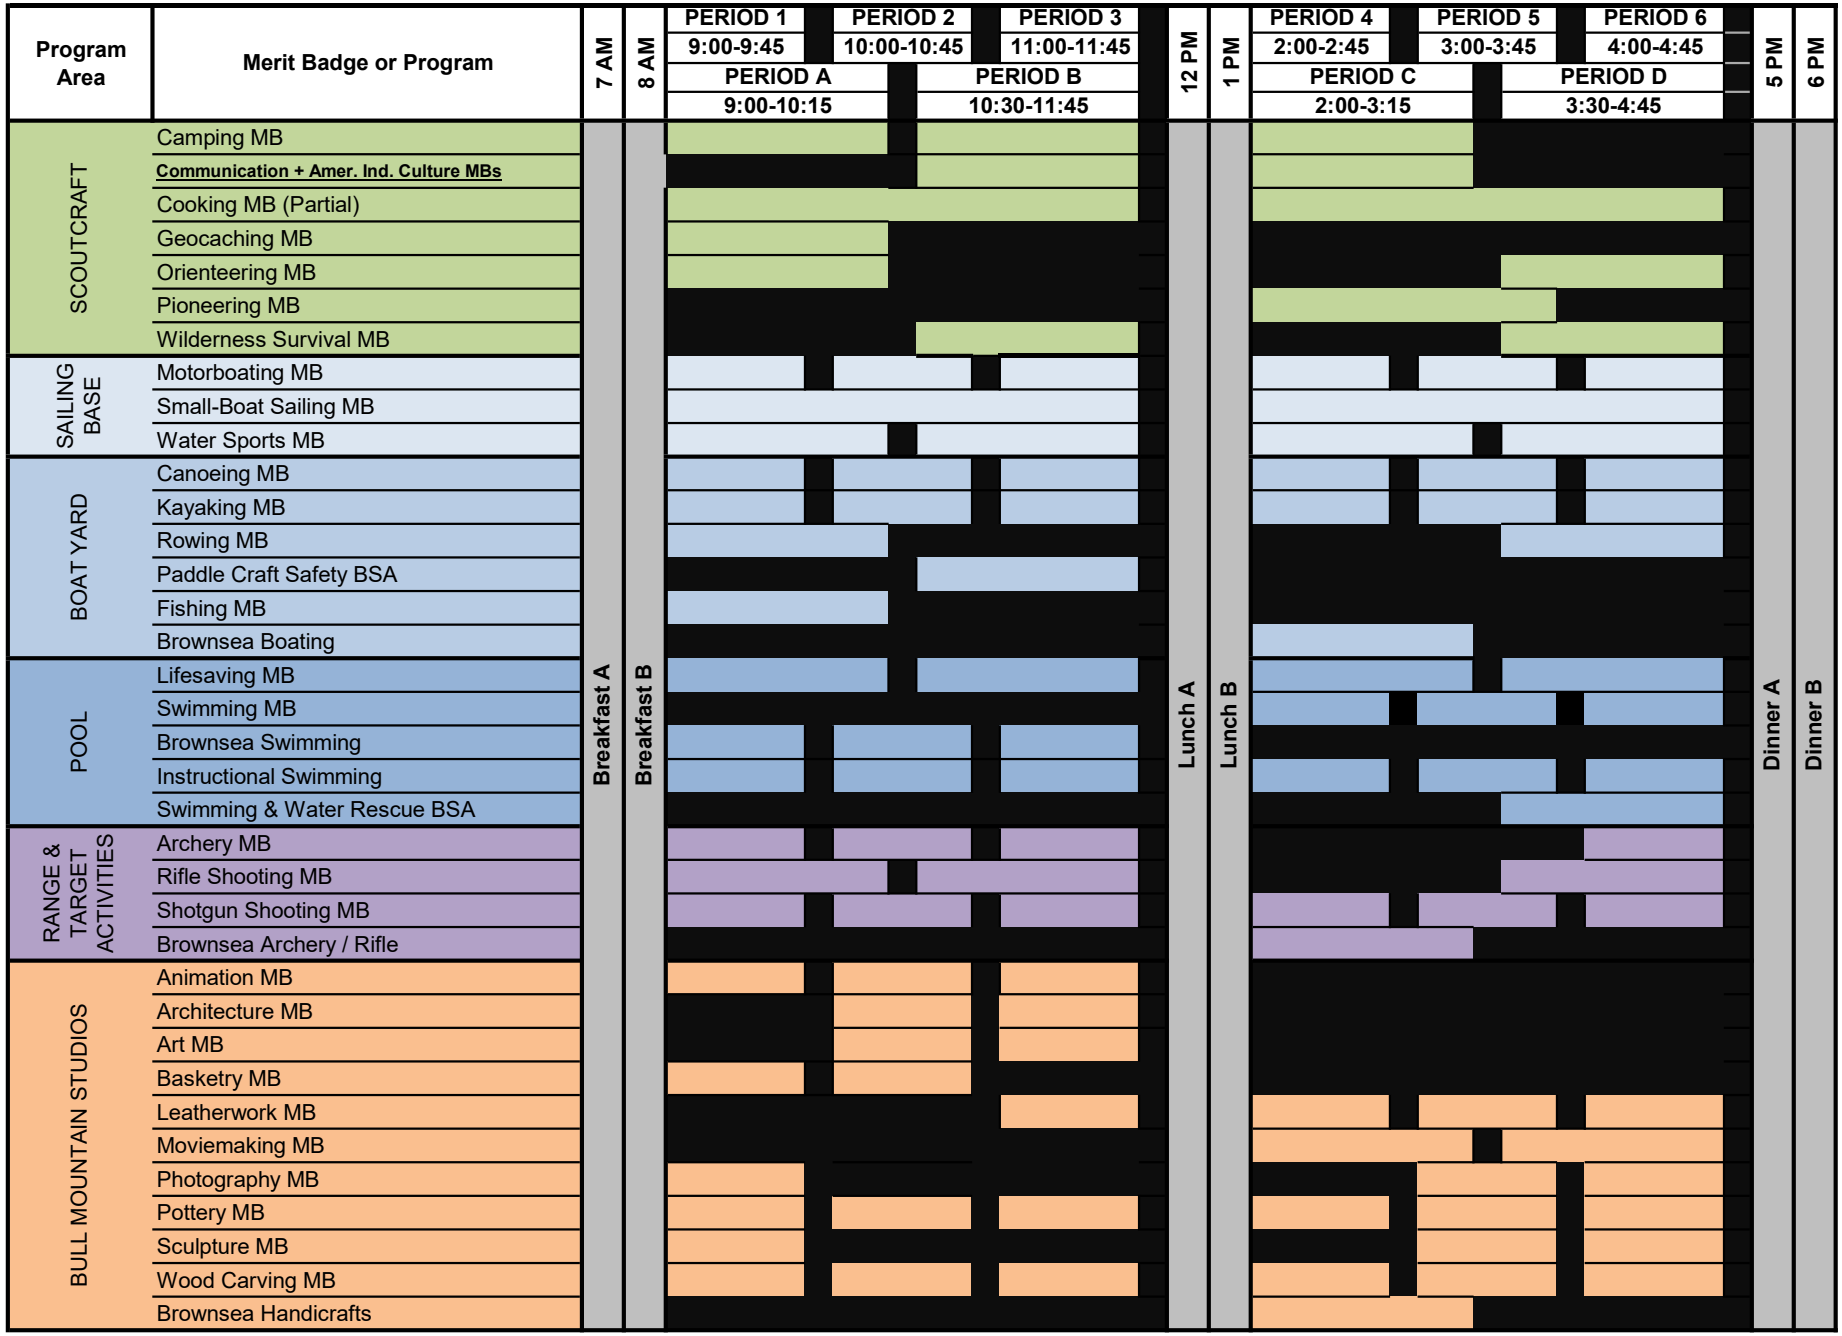

We're very excited for the program we are putting together for summer 2027, and we hope to see you there!

Thank you,

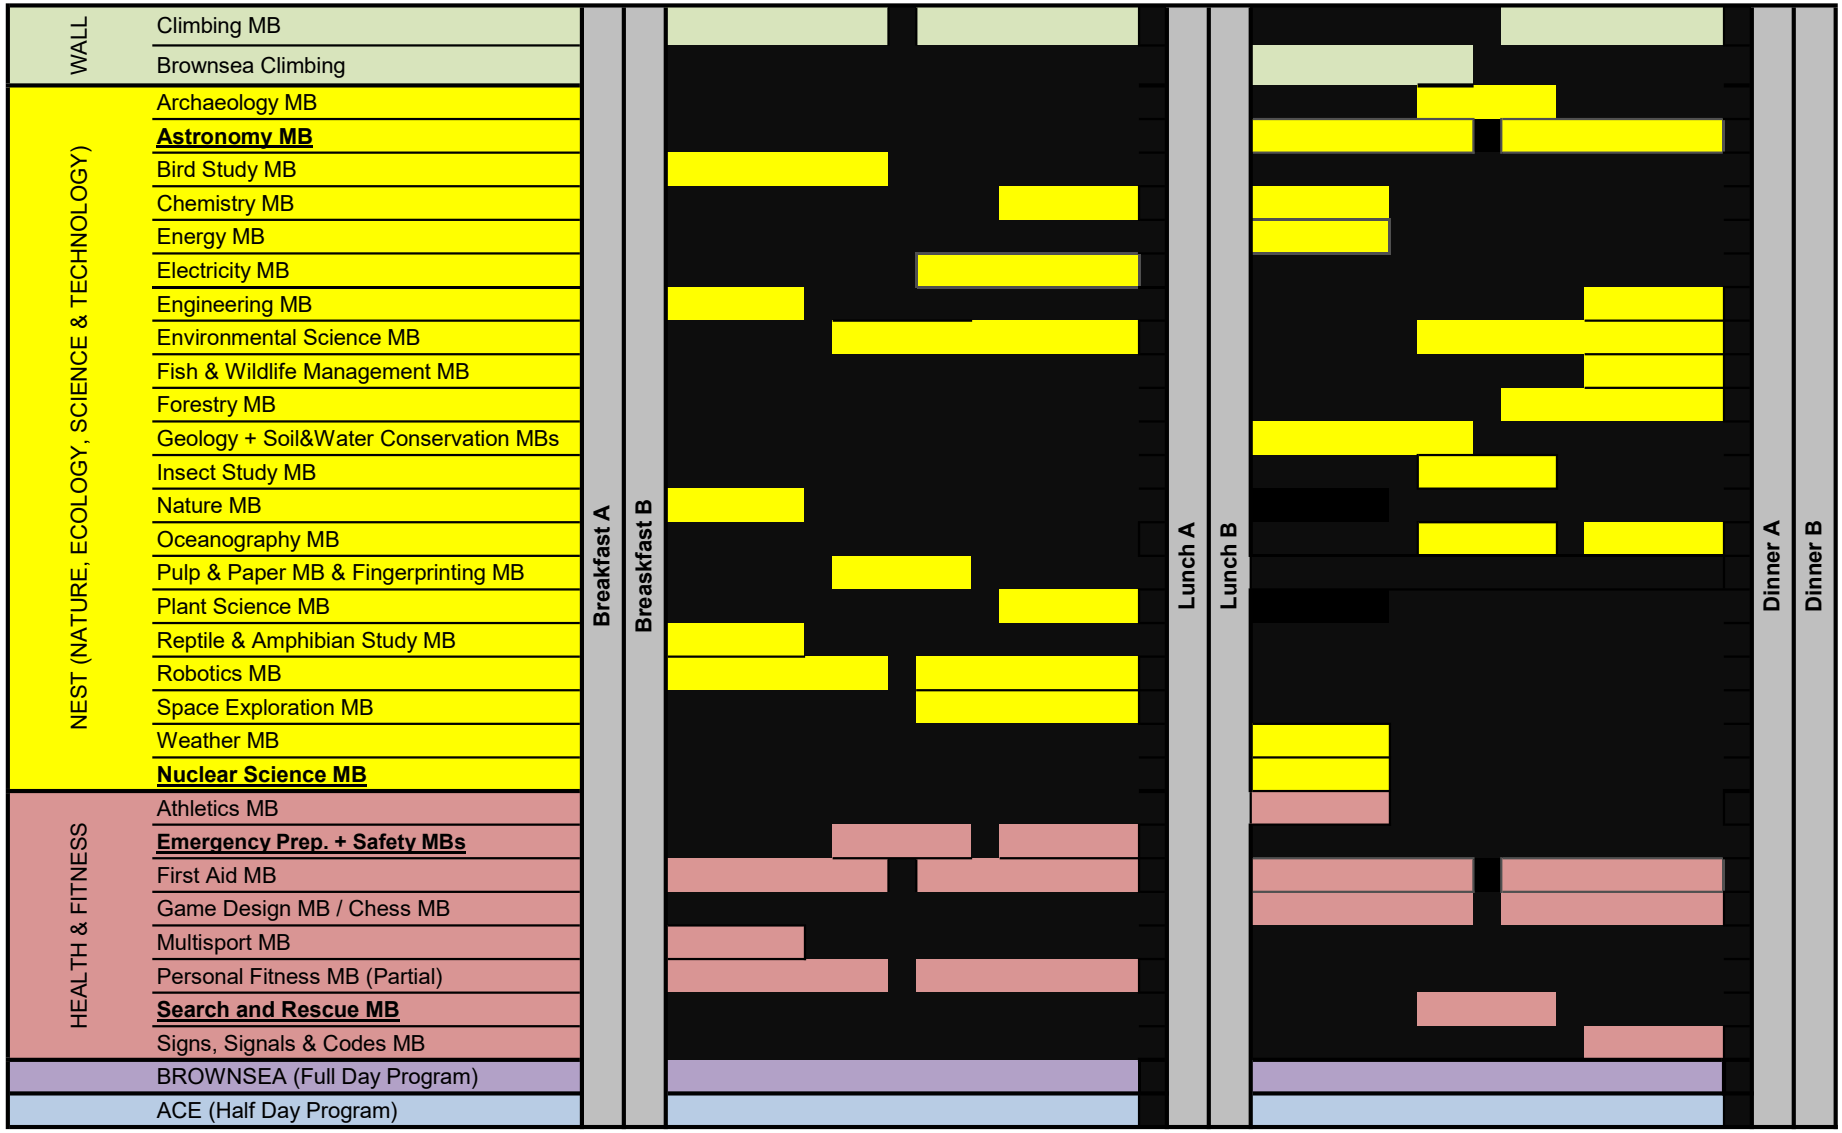

Damian Ambrozewicz
Camp Director

2026 MERIT BADGE SCHEDULE

Rodney Scout Reservation Prerequisite Form - 2026

Please submit this form by email to rsrpd@dmvc.org, or to the Headquarters building by Tuesday at noon. Scouts who have completed prerequisites for Merit Badges listed should be included on this form. If you have more than 25 Scouts taking Merit Badges on this form, multiple copies of this form should be used.

Any prerequisites not listed should be brought to camp and provided to the instructor when directed.
