

## Piedmont LST

## Required Training for ALL Scoutmasters & Asst. Scoutmasters

(Training Codes S11 & S24 - Scoutmasters & Asst. Scoutmasters are trained to position after this weekend)

Also, recommended for Troop Committee Members;  
Webelos Leaders & Cubmasters

We here in Piedmont District pride ourselves on our LST course. It has been around for some 40 years and been handed down with care from staff member to staff member; retaining the best of the old ways while keeping current with new changes to the program.

PIEDMONT DISTRICT Leader Specific Training is a three-day training program where you learn through hearing, seeing, and doing. You will learn about boy leadership and the patrol method by assuming the role of a Boy Scout in a patrol for the weekend.

This course includes both the classroom instruction in an outdoors setting and the outdoor skills portion of the required training. The course title is: "Scoutmaster and Assistant Scoutmaster Leader Specific Training" - That's a mouthful...  
So, we refer to it simply as **LST**.

### **LST is the first weekend in May at Camp Big Mac near Markham, Virginia.**

The course begins promptly Friday morning at 7:30 AM and ends at 4:00 PM on Sunday. The cost for the weekend, including program, food and all council fees, is \$100.00.

- Registration for this event will end Thursday 4/30/2017.
- After closed – registration fee goes up to \$125.00 and requests will be considered on a 'need to train' basis via email to Course Director [anniepcamp@comcast.net](mailto:anniepcamp@comcast.net)
- Rather than having a time-based fee schedule; we ask that you register in a timely manner. We have care and planning to do and supplies to buy.
- If we find that we have too many registrations to adequately give the program the quality it deserves we will close registration – SO REGISTER EARLY TO ASSURE A PLACE IN THIS GREAT TRAINING EVENT.
