### Patrol Competition

Scouts will learn and compete in a number of areas of the “skilled trades”.

The camporee will be a patrol-based competition. Patrols will be judged on their participation in ten events, and multiple campsite inspections. There will be other opportunities for competition and fellowship during the weekend. Patrols are expected to be 'natural' patrols. Each patrol must have a patrol flag.

The ten skill stations listed below will cover skilled trades. Patrols will rotate at timed intervals. Each patrol will be given ten minutes at a station.
