

## **Goshen Labor Day Weekend Family Camp Frequently Asked Questions**

### **Q: Will I Need to Bring My Own Food and Sleeping Accommodations?**

A: Yes. The program areas are staffed, but tents and food must be provided by campers. Be prepared to really bang those stakes into the ground and grab some good sleeping mats...we got some rocky ground!

### **Q: Which Camp Will Activities Be Held In?**

A: Camp Olmsted. It is the first camp on the left after making the turn on to beltway drive. There will be signs/people to direct you.

### **Q: Is There a Schedule of Events?**

A: Yes. It is posted on our website ([gotogoshen.org](http://gotogoshen.org)) and will be handed out upon arrival.

### **Q: Which program areas will be available?**

A: The waterfront, Shooting Sports (BB's Rifle, Archery, and Shotgun), Handicraft, and the COPE Giant Swing, will all be open all weekend. Programming is all open, meaning there is little to no set schedule in any area. Show up and we will accommodate.

### **Q: Is there firewood available for purchase?**

A: No, but there is ample amounts in the surrounding woods.

### **Q: When Should I Plan On Arriving/Departing?**

A: Arrival is any time after 5PM on Friday and departure is any time in the morning on Monday. You don't want to miss the campfire on Sunday night!!!
