## Leader's Survival Guide

May 2nd, 2026

Walkersville Watershed

Please note that as we get closer to the event this guide may change. We will update it as our circumstances and program evolve.

## INTRODUCTION AND SUMMARY

The Frederick District Cub-O-Ree will be held on Saturday May 2nd, at the Walkersville Watershed. The camporee will be open to all cub scouts from Lion through AOL. Family Camping for Packs will be available Friday and Saturday Night. Email Rick and Ron to book a site: fskcamping@gmail.com. Family Camping MUST follow all BSA Guidelines. If your unit does not have a Baloo trained leader one will be provided.

The Cub-O-Ree is a rotation style event filled with a variety of activities for scouts. Each Pack will spend the day moving through the stations. The stations include Archery, Cooking, Knots, STEM, Games, and more. All packs attending will be assigned a Campsite so they have a place to cook and eat meals. Packs not camping may share a Campsite with another unit. Packs are responsible for all food during the event.

Siblings in K-5th that aren't registered in Cub Scouts can participate if registered for the event pay the registration fee. Youth that are too young or old may not be able to join in some events because of age restrictions. They are welcome to attend with the pack and either stay in the campsite or walk with the pack but know they may just have to watch.
