

**Aquatics Merit Badge
Completion Day
Saturday, August 17 2019
Camp William B. Snyder**

Did you end up with partial completions of aquatics merit badges (swimming or lifesaving) at camp this summer?

Did your aquatics merit badge sessions get rained out at camp or did you need additional time to complete the requirements?

If so, then come to Camp Snyder on Saturday August 17 to work on those requirements. We will have trained BSA aquatics instructors there to work with you on your remaining requirements.

Register by August 12 at ncacbsa.org/aquatics.

The cost is \$10 per person.
