

Michael's Woodshop
Projects for Family Camping Weekends
Updated Jan 20, 2022

Photo	Description	Target Age (for 1 hr. completion)													
	<p>Golf Tee Tic Tac Toe Board & Triangle Challenge Game</p> <p>These are a basic projects suitable for younger Scouts & siblings. They do not take long to complete and were designed to accommodate multiple groups in short sessions.</p>	<p>All ages Younger scouts/siblings will need parental assistance</p>													
				<p>PWD Car Display Stands</p> <p>This is a basic project. A variety of standard shaped pieces are provided and Scouts can build using a basic design or they can use their imagination to create their own.</p>	<p>Wolf & Up Younger scouts/siblings will need parental assistance</p>		<p>Cell Phone Stand</p> <p>This flexible project can be tailored for many age groups and it makes a great gift! It is also suitable for the Woodwork Merit Badge.</p>	<p>Bears & Up Younger scouts/siblings with parental assistance</p>		<p>Cub Scout Tool Box</p> <p>This is a perfect Baloo the Builder project activity. It was designed specifically for Bear Dens, but can be completed by younger Scouts with parental assistance.</p>	<p>Bears & Up Wolves with parental assistance</p>		<p>Traditional Wren House</p> <p>This is a great project which can be tailored to a broad range of youth ages. It does require some time and focus, so it is targeted towards Webelos & older youth.</p>	<p>Webelos & Up Bears with parental assistance</p>

	<p>Classic Tool Box</p> <p>A classic tool box project designed for Scouts BSA age youth. Using available templates and cutting jig, the project can be arranged as a fun Unit activity. This can also be built as a project suitable for the Woodwork Merit Badge.</p>	<p>Scouts BSA age youth</p>
