

Colonial District Fall 2022 Scouts Camporee and Webelos-Ree

American Legion Youth Camp
Cheltenham, MD

October 14-16, 2022

1 CAMPOREE AND WEBELOS-REE PROGRAM

1.1 Overview

The Scouting Method provides the overall guidance for the Colonial District's approach to the Camporee and Webelos-Ree program. Where possible the emphasis will be on youth leading others as the Scouts participate in this exciting Program. Please note that Skilled Trades is the theme for the Scouts Camporee. The Webelos-Ree will be a weekend filled with Fun and Challenging Scout Skills related to advancement. The Webelos Ree will also provide the Dens the opportunity to meet the Scout Troops that are in attendance as diner guest on Saturday evening. There will be a joint Campfire Saturday evening. The Troops are encouraged to invite and host an attending Webelos Den for diner in their campsite Saturday evening before the campfire.

The purpose of this Camporee is to provide a safe, fun-filled activity for the youth members of the Colonial District. For Scouts the takeaway will be a new awareness of career opportunities in the skilled trades.

1.2 The Camporee Program - Why Skilled Trades?

The Skilled Trades Program is being presented to the Scouts to bring awareness of the career opportunities that are in high demand and don't necessarily follow

a traditional college degree path to a successful career. The program will have hands on opportunities to solve problems that Skilled Tradespersons do on a daily basis as part of their job.

1.3 Eight Major Components

There will be eight major components to this Fall's Camporee:

1. Skilled Trades Presentations and Competitions for scouts,
2. Webelos Skills Competitions
3. OA Cracker Barrell
4. Campfire Program
5. Membership Promotion via Webelos Den Dinner Invitation
6. Den Chief Training
7. Chairman's Award
8. JOTA Jamboree on the Air (Crew 80)

Webelos Program: The Colonial District 2nd year Webelos Arrow of Light Scouts are invited to visit the camporee Troop campsites on Saturday starting at 4:00PM. The Webelos will be conducting their Webelos Ree at the Youth Camp the same weekend. The Troops are encouraged to invite a Webelos Den to diner Saturday evening. The Webelos are also invited to attend the Saturday evening campfire.

1.4 Chairman's Award

The District Chairman will present the Chairman's Award streamer at the closing ceremony to the Troop and Den troop at the Camporee. The Chairman will make the selection based on an overall qualitative assessment of spirit, conduct, uniform appearance, prospective new members attending with the unit, their Fence Banner more info (see attached) and other factors, and the score the unit receives on its Commissioner's Inspection. Details of the award are explained in paragraphs 3.8.

1.5 Program

The program for Saturday morning and afternoon will consist of Webelo Den challenges and activities. The Scouts will have multiple stations to visit that are hands on skilled trades based with a competition element. The winning Scout Patrol/Troop will receive the coveted Gold Hammer Award. There will be a Join Scouting Banner Competition. The Banners will be hung on the Camps fence along Surratt's Road to promote Scouting

Banner Competition:

Now is the time to start thinking about your Troop's/Den's Banner to promote Scouting and your Unit. The District Commissioners will be judging the banners Saturday afternoon.

The Banners should be at least 4' X 8'. A twin bed sheet would make a great banner base.

Campfire:

The Saturday night Program will be the joint Campfire. Each troop and Den should come prepared with their favorite skit, run on, song, etc. Due to time constraints the number of skits, songs and run on's will be limited.

1.6 Religious Services

A non-denominational Scouts own Religious service will take place Sunday Morning and will start at 8:15 AM; it will be immediately followed by the closing ceremony.

1.7 Order of the Arrow Activities

Friday night: There will be an OA Chapter meeting at the headquarters area before the leaders' meeting at 9:00 PM. All OA members are welcome to attend. Cracker barrel will be served — this is a great opportunity to meet the Chapter officers and share in some evening fellowship.

Colonial District-NCAC Fall 2022 Camporee and Webelos Ree

2 GENERAL CAMPOREE INFORMATION

2.1 CHANGES and CANCELLATIONS

The Program Directors are the only individual authorized to change or cancel a scheduled activity or event. Any necessary changes will be made at the earliest possible time and posted in writing at Camporee Headquarters.

2.2 Traffic Control And Parking

All Camporee and Webelos Ree participants will be expected to follow the traffic and parking rules in effect at all times and follow directions from Camporee parking officials. There will be NO PARKING at or near the campsites. Units will unload their gear in the parking/staging area and carry to the campsites. Units must carpool as much as possible and to arrange to have as few cars as possible remain at the Camporee site. No cars will be allowed in the camping areas. All cars remaining at the Camporee may park only in designated areas.

In order to avoid problems, Scouters that arrive early must move their cars to the designated parking area as soon as possible in order to avoid later arrivals having to wait. **Remember, a Scout is Courteous.** *If everyone remembers this, no matter what the weather does, we will have no parking problems!*

2.3 Two Deep Leadership and Youth Protection

To reiterate BSA policy: "Two registered adult leaders, or one adult and a parent of a participating Scout, one of whom must be at least 21 years of age or older, are required for all trips or outings. There are a few instances, such as patrol activities, when no adult leadership is required. Coed overnight activities require male and female adult leaders." Also "In Cub Scouting, parents and guardians may share a tent with their family. In all other programs, youth and adults tent separately. The unit leader is responsible for enforcing these policies in the unit. Questions or concerns should be directed to the Camporee Program Director, Health and Safety Chair, or the District Executive.

2.4 Camping

All unit campsites are located in the designated field for the camporee and Webelos Reeat the Youth Camp. There will be plenty of space but consider bringing just the essentials needed for your unit.

2.5 Camporee Food Service

Units are responsible for bringing their own food and the necessary means of preparing it. You will need food for Friday (or eat before you arrive), three meals Saturday and Sunday breakfast. Please observe BSA Leave No Trace guidelines. **Ground fires are prohibited.**

2.6 Parental Authorization

A Personal Permission Form and COVID Form will be required for each Scout and Adult in attendance (sample attached). This form must be maintained at the unit campsite and accessible to the unit adult leaders and Staff at all times.

2.7 Emergency Contact

Units should have access to a cellular phone to be used as a primary contact for members of their unit. If a medical emergency arises requiring medical attention the Camporee Health and Safety Chair must be notified of the emergency. Number will be provided at Registration. Call 911 if emergency is immediate.

2.8 First Aid

The First Aid Station will be located adjacent to the Camporee Headquarters Area and will be marked with a prominent sign. Units retain primary responsibility for health and safety matters; however, significant injuries must be brought to the attention of the First Aid station personnel for recording. If the injured person should not be moved from the site of the injury, a runner should be sent to the aid station immediately (see section 2.09). Any situation requiring contact with public emergency medical resource must be coordinated through the First Aid station personnel and calling 911. More specific information will be provided at the Friday night leaders' meeting.

2.9 Fire & Ambulance Service

The local fire and police will be notified of our presence. In the unlikely event that fire or ambulance services are needed, send a runner to the Camporee Headquarters, so that an emergency call can be placed and the Camporee Health and Safety Chair can be notified immediately. If extraordinary circumstances require that an emergency call be placed from a cellular phone within your area, you should identify yourself as an adult Scouter calling from the **Scout Camporee at the American Legion Youth Camp Cheltenham MD**. You still must send a runner to the Camporee Headquarters to notify the Camporee Health and Safety Chair of the emergency and to arrange for the emergency equipment to be directed to the correct location.

4 CAMPING GUIDELINES

4.1 The Campground

As members of Scouts BSA, it is our obligation and responsibility to see that every-one respect and observe the rules and regulations in this package and follows guidance provided by the Camporee directors and commissioners. Remember the BSA *Leave No Trace* guidelines, all units are reminded to keep the impact of camping on the environment to a minimum. Be sure to leave Gunston Hall in better shape than when you arrived!

4.2 Equipment

All units are strongly urged to pack as lightly as possible for this event. The goal should be to carry everything they need in one trip from the vehicles.

The following are probably best left behind: Weber-type grills, large dining canopies, large family cabin tents. You will need to bring your own prep table.

REMEMBER THAT UNIT VEHICLES WILL NOT HAVE ANY ACCESS TO THE CAMPING AREA.

4.3 Ground Conditions

The terrain is relatively flat and campsites will be in the field. Protect your tents by bringing sturdy ground cloths and protect your body by bringing foam pads or air mattresses for a good night's rest. Patrol dining flies are permitted. There are no picnic tables available in the campground area. You need to bring your own tables. Multiple units will be assigned to each camping area.

4.4 Natural Habitat

4.6 Cooking and Ground Fires

Units must bring their own stoves and fuel for cooking. **GROUND FIRES ARE NOT PERMITTED**

Use of Liquid Fuel

The safety of our Scouts and Scouters must be a prime consideration in the use of liquid fuels. The use of liquid fuels in lanterns and stoves is acceptable at this Camporee only if: 1) A knowledgeable adult provides supervision over the storage, transportation, and usage of the fuel; and 2) Scouts have been taught the safe and proper handling and usage of the fuel, stoves, and lanterns.

4.7 Availability of Water

Water will be available at a central location within the camping area.

Proper hydration is key to keeping our Scouts healthy. To avoid the serious consequences of dehydration, ensure everyone regularly consumes water, especially as they travel to and from program areas and while in the areas. Washing of dishes at the central water location is prohibited.

4.8 Latrines

Portable toilets will be available at convenient areas throughout the Camporee area. Please respect them and keep them clean. **DO NOT place trash, soft drink cans, or KP gray water in toilets.**

The portable toilets will be sanitized through out the weekend

4.9 Trash

Every unit should bring a supply of plastic trash bags to securely bag and remove their own trash. Dumpsters will not be available; therefore, *each unit must take their trash with them*. **Remember the LNT principle: “Pack it in, pack it out.”**

4.10 Campsite Inspections

The Commissioners will perform a campsite inspection on Saturday. Outstanding units will be recognized during the closing ceremony. The inspection form the Commissioners will use is included in this package as an attachment.

5 CAMPOREE RULES

5.1 Rules

As in all Scouting activities, the Scout Oath and Law will be the ground rules of the Camporee. As with all outdoor events, Leave No Trace guidelines also apply:

1. Plan Ahead And Prepare
2. Travel And Camp On Durable Surfaces
3. Pack It In, Pack It Out
4. Leave What You Find
5. Campfires are prohibited
6. Respect Wildlife
7. Respect Others

Inappropriate behavior by any individual brings discredit on the district and the BSA, and leaders are expected to set and enforce behavior standards. The Camporee Director retains the authority to eject individual Scouts and units from the camporee.

5.2 HEALTH and SAFETY - COVID

The rules in this Guide are for your health and safety. Please follow them and be careful. The Health and Safety Committee will be alert to safety hazards and unsafe activities throughout the Camporee. Please assist in the elimination of hazards or reckless acts as they are observed or brought to your attention. **All registered units will receive an updated COVID Guidance Plan prior to arriving at the event. Be prepared, bring masks and be prepared to wear them.**

5.3 Pick-Up Trucks

As stated in the Boy Scouts of America regulations Scouts may not ride in the back of pickup trucks. This rule will be strictly enforced at the camporee. It is the unit leaders' responsibility to assure that all

Scouts are transported in safe vehicles with adequate seat belts.

5.4 Flames In Tents

Cooking or lighting with OPEN FLAMES of any kind is not allowed in any tent. Electric battery lanterns and flashlights are recommended.

5.5 Knives

Knives are tools. Any Scout or Scouter observed using a knife in an unsafe manner will have their knife confiscated and held for the remainder of the Camporee by a member of the Camporee staff.

5.6 Illegal Drugs, Alcoholic Beverages, and Tobacco Products

Absolutely no illegal drugs, alcoholic beverages or tobacco products are allowed!

Scouts are expected to wear BSA Field Uniforms (Scout shirt and Scout pants or Scout shorts with proper socks) for the Saturday night campfire and for the Religious Services. Points will be awarded during the Saturday Program for Patrols with all members in troop or patrol Class B uniforms. Venturers are expected to wear the uniform specified by their Crews.

No military garb or fatigues, including camouflage, shall be worn except for historic hats and garb. Both the **BSA Insignia Guide** (see the sitemap at <http://www.scouting.org> for the Insignia Guide) and **Title 10, Subtitle A, Part II, Chapter 45, Section 771** prohibit wearing a distinctive part of a uniform of the Army, Navy, Air Force, or Marine Corps except as otherwise provided by law.

5.10 Discipline

Leaders will be responsible for the behavior of their Scouts at all times. Adult leaders, who are not helping in the events, should circulate through the events in which their Scouts are participating. Also, in past Camporees, pick-up ball games (both supervised and unsupervised) have become a source of injuries. Leaders are asked to discourage such

games and urge Scouts to focus on Camporee activities. Sports equipment should not be brought to the Camporee. Radios, televisions and tape players shall be left at home.

5.11 Quiet Hours

All activities will be subject to quiet hours and lights out from 10:30 p.m. to 6:30 a.m. Leaders in each troop are responsible for enforcing quiet hours and lights out. Quiet hour behavior will be expected during religious services for all camporee attendees.
