

# OSCEOLA BALOO

Basic Adult Leader Outdoor Orientation  
September 29-October 1st | Southport

## Discover BALOO!

During this overnight training experience, get hands-on experience and fresh ideas to bring to your pack's camping adventures.

**Why do I need this training?** For your Pack to go camping (outside of District/Council events), you must have at least *ONE* BALOO-trained leader onsite; two are highly recommended.

**What is so important about camping?** The outdoor experience is the foundation of Scouting! Camping builds character in the scouts and fellowship among leaders. Without camping, you miss a vital element of presenting a good program.

**What will I learn?** You will acquire the skill and confidence necessary to plan and carry out a successful Cub Scout camping event. The September 2023 updates will also be covered.

**What should I bring?** Be prepared to camp overnight in your own tent. Here's a list of suggested gear:

- Tent
- Sleeping Bag
- Sleeping pad/cot/mattress
- Sturdy Shoes (Closed toe)
