PROVISIONAL TROOP GUIDELINES (PARENT/CUSTODIAL PARENT)- CAMP LA-NO-CHE

Whether this is your Scouts first or tenth visit to La-No-Che, as Provisional Leadership our main goal is to provide a safe environment. At camp your Scout will have the ability to cultivate leadership, gain knowledge, and make memories. Cultivating a troop mind-set will be a focus. Before leaving your Scout, please encourage them to have an open-mind, and "do their best". Also, to push themselves, to grow in a safe environment amongst like-minded Scouts. Working towards this goal, we ask you to keep in mind the following before leaving camp.

- Scouts will be responsible to abide by Camp La-No-Che and Provo Troop Rules

- Cell Phone usage will be allowed during specified times (during daylight hours).
  - Private cell phones and usage is the individual Scouts responsibility not the Scoutmasters or Camp Management. You will need to decide if your Scout needs a phone here at camp.
  - Cell phones will not be left overnight to charge in shelter.
  - Cell phone reception is extremely limited here at camp.
  - Cell phone use is restricted between 10pm to 7am.

- The La-No- Che Office # is 352-669-8558
  - In the event of a family emergency and you need to contact your Scout our main camp office will contact your Unit and your Scout will be brought to the office to take the call, along with a leader. We ask you to allow your Scout to practice personal responsibility, and independence while at camp.
  - Emergency cell phone numbers are as follows:
    - Scoutmaster/Asst: [Will be shared at check-in]

- Pick-up for your Scout is from 8:30am and 10:30am on the final day of camp at our campsite. If enrolled in Wilderness First Aid, Red Cross Lifeguard, or COPE Level I check-out will occur between 4-5:30 depending on course end time. Please check with leadership at drop-off for exact arrangements. They will be eager to see you, and we will be excited to begin our journey home to be with our families. Please respect this time commitment, to make this possible.

Thank you, Camp La-No-Che, Provisional Team
