Scout POC: Caleb Mitchel

## Florida Pioneers!

Ranching and raising cattle were an important industry in the developing days of the State of Florida and the pioneers of Osceola County played a major role.

To honor the history of our area, our Fall Camporee this year will celebrate Florida Pioneers!

This 2 day overnight event is included in your program fee. Each unit is responsible for their own food. Units will register as a troop and participate in activities by patrol. This event is for Scouts BSA Troop and Venture Crews. (Arrow of Light Patrols are invited to participate in the activities for the day but must be with a unit.)

Each Unit will be provided the equipment needed to present a Scout Skill mini-event at SPL informational. Other activities will include Inter-patrol competitions, Skits and Songs, Team Building, Scout's Own Service on Sunday, Awards, and Recognition! SPLs be prepared to turn in your skit by the Friday Informational Meeting.

Cost is \$0 for Scouts and Adults Registered in a Central Florida Council unit. There is no cost to register!

Out of Council Fee: \$10 per attendee.

Sign up today! Registration closes 10/17/2023 to organize the event.

\*\*\*\*Food is not included. Food will be the responsibility of the unit signing up. Friday night information for Scoutmasters and SPLs @ 9:30pm. \*\*\*\*
