POP-UP MERIT BADGES

A new experience being piloted this summer leveraging the wealth of knowledge provided by our visiting unit leaders. A survey will go out to units registered in April 2024 asking for content area experts who would be willing to teach a merit badge not already offered during traditional program times. Our camp program team will review this list of volunteers, and create a schedule of evening opportunities that will be shared in May of 2024 to our units attending camp.

Scouts can then choose to attend these Pop-Up opportunities in lieu of troop time activities, to work on these merit badges with our volunteer instructors. While our program team would love to accept every volunteer willing to instruct, we will need to be selective due to facilities, materials, and time needed for Scouts to complete. Stay tuned for future communication from camp!

PROVISIONAL CAMPING

[INDIVIDUAL CAMPER EXPERIENCES]

SCOUTS! If your Unit is not able to attend Summer Camp look no further than the Provisional Camper Program! Provisional offers a unique experience for Scouts to come together from different cities, councils, or even states to meet one another and have a great experience!

All programs are available to Provisional (Provo) Scouts as if they attended with their unit and we provide adult leadership to watch over them throughout their stay! The additional cost for Provo helps offset the cost for their two-deep leadership, and additional activities just for Provo Scouts.

Scouts must utilize camp provided tents as a part of the Provisional Program. This is due to the buddy system and in order to accommodate adequate space within the campsite. The Camp La-No-Che Provisional Team also registers your Scout for Troop Times prior to their arrival. A list of these Troop Times, Provo Guidelines, and Frequently Asked Questions can be found at the links below, and under attachments on the Registration Page. Thank you!

[AIR CONDITIONED]

YOUR JOURNEY TO EAGLE CONTINUES

The Eagle Week Program is an intensive learning program conducted one week during the summer. Community Experts who are accomplished in the Merit Badges offered are brought to camp to conduct rigorous, but valuable instruction for Scouts working towards the rank of Eagle. Participants are housed in air-conditioned housing throughout their stay, and all courses are conducted in air-conditioned environments at Camp La-No-Che. Scouts attend as individuals and Troops are formed from all participants. Adult Staff members fill the roles of unit leadership during the week and provide supervision. Participants take Eagle Merit Badge programs of their choosing in the morning and afternoon, and in the evening are invited to engage in special Troop Time Activities.

Can you survive in the wilderness? How about with an injury? What about the bitter cold or harsh heat of the environment? Would you "BE PREPARED" if called upon during your next emergency? Do you have what it takes to perform search and rescue operations for a lost hiker? These are just some of the skills you will learn at camp!

Professor Pandemonium has taken over Camp La-No-Che and challenged you to use your skills, knowledge and teamwork to solve his epic camp-wide escape room adventure. He has scattered clues and challenges throughout camp and wants to know if you have what it takes to outsmart him. The Professor is prepared to offer keepsake awards to all who emerge victorious.
