## Facilities

Camp La-No-Che is known as the “Premiere Camp of the Southern Region.” We offer 27 Campsites equipped with Latrines and Activity Shelters, Dining Hall, Trading Post, Aquatics Center, Waterfront on Lake Norris (enjoy a beautiful Sunrise/Sunset), a Council Ring, A Native American Village (at Tipisa Native American Weekend), Shooting Sports, Ecology Center, Adventure Camp, Hiking Trails, and Primitive Camping in Rybolt Field. We even have a Sulfur Spring on site!

Each campsite is equipped with an Activity Shelter with power & lights, a Latrine/Bathhouse, and a Fire Ring. The Activity Shelter provides 2 Leader rooms with 2 bunk beds each and a large screen room for gatherings or to enjoy meals. The Latrine is complete with 2 sinks, 2 urinals, 2 private toilets and 2 private hot water showers. Campsites do not have grills. Stein Camp (West Side) is home to campsites 1-16. Hedrick Camp (East Side) is home to campsites 17-25.

If you are camping in Rybolt Field, please note that this camping/activity area is a bit more rustic than campsites 1-25 in main camp. Here, there are two bathhouses, one in the back left and one in the right side of the field. There are NO activity shelters. There is one flagpole and one fire pit area.

Dr. Phillips Park hosts our Camp Offices, Dining Hall, Trading Post, Health Lodge, Aquatics Center, Ecology Lodge, Bathrooms, Basketball Court, Volleyball Court, Bouldering Wall, Skills Building, and Several Activity Pavilions.

Other facilities include Shooting Sports, Adventure Camp, Order of the Arrow Museum, Bike Barn, Climbing Tower, and ATV & Sports Fields (both are often used for Parking).

## Campsites

Your campsite assignment is visible in your registration by Thursday, the day before the event starts. It will also be given to you at check-in. Cub Scout families and Packs who Pre-register will be kept together in the same campsite. If you register at the event, we will do our best to assign you to the same site as your unit.

At virtually every event, you will be sharing your campsite with others. When setting up camp, please be considerate to others and do not pitch your tent in pathways to the restrooms or activity shelters. Participants within the same unit are advised to pitch tents closer together when events are at higher capacities in order to make room for others. You may also set up your tent anywhere immediately outside of your assigned campsite area except in roads, paths, or fire ring.

## Check In

Check-in for all events is on Friday from 4:00-9:00pm and will open again on Saturday morning at 7:30 am. We will ask for your name and Unit number so that we can check you off on the list. You will be given wristbands, meal tickets, pre-ordered T-shirts, schedules, and any other items you may need at this time – or be told where to report to gather one or all these items.

If you are arriving after 9pm, please go to your assigned campsite (found in your registration by Thursday before the event), drop your gear and park your vehicle in the main parking lot. Then come to the check-in station in the morning to check in and receive wristbands and other materials needed for the weekend.

# General Camp Information

## Parking

Camping in and/or around the campsites, activity shelters and bathhouses is both a fire hazard and a safety issue. By order of the Lake County Fire Marshall and due to the access needed during emergencies, parking is NOT permitted at the campsites. Parking passes are issued at check-in and identifying your assigned parking area. Assigned areas are the Main Parking lot located at the Camp Gateway; the Sports Field across from campsites 4 & 5; and the ATV field by Adventure Camp.

After Check-in, you will be permitted to drive to the campsite ONLY for the purpose to drop all your gear. Once you have dropped your gear, please immediately park your vehicle in your assigned parking area and return to set up your gear. Once you've unloaded and parked, driving is not permitted unless it is to leave camp.

Equipment trailers ARE permitted in the campsites and must be detached from the vehicle with the hitch properly flagged. Vehicles with a state issued HANDICAP placard may also park at the campsite in a manner that is not blocking First Responders from accessing the site.

The speed limit in the camp is 10 m.p.h. Please Note: The roads to/from all campsites are now ONE WAY. Please follow the posted signs. Thank you!

## Camp Food Service

The W.T. Bland Dining hall offers meals Friday night, Saturday breakfast, lunch and dinner and Sunday breakfast at each Short-Term Camping event. You may purchase a 3, 4 or 5 meal plan during the registration process (single meals are also available for purchase). The Jack Jennings Trading Post also offers food, snacks, candy, and drinks (excluding breakfast items). If you have pre-purchased Dining Hall Meals, you will be given your meal ticket/wristband at check in. Please be sure to come to the W.T. Bland Dining Hall with your meal ticket/wristband at the assigned time.

## Guest Services

Guest Service Representatives are located at the camp office to assist with your visit. If you have any questions, campsite problems or other needs, please look for a Guest Service Representative or a Campmaster for assistance. Our Camp Rangers are always available to fix maintenance issues in your campsite or latrine. We are here to make sure you have a great outdoor experience.

## Campmaster

Each event will have one or more Campmasters available to assist both participants and camp operations. Please know that they are here to help you with issues you may have with things like campsite set up, communication or problem solving an issue within your campsite and/or with other participants. Campmasters are equipped with a radio and can be reached by someone in the camp office, trading post, health lodge or the Program Director. Please do not hesitate to ask for their assistance.

## Wi-Fi Internet

Our Wi-Fi service was expanded in 2018 and access is available to all participants at the W.T. Bland Dining Hall and throughout Dr. Philips Park. Please select the "guest" Wi-Fi channel using the password Trustworthy1.

## Trading Post

Camp La-No-Che is home to the Jack Jennings Trading Post which offers both a store and a concession stand. The store features a complete stock of camping supplies, uniforms, T-shirts, and souvenirs (both camp and scouting branded), patches, awards plus those personal hygiene items you may have left at home.

The concession stand offers an assortment of refreshments such as pizza, hot dogs, drinks, ice cream, popcorn, candy, cookies, snow cones, etc. Bags of ice are also available here.

Hours of operation for each will be posted at the Trading Post and will be in your weekend passport or schedule.

# General Camp Information

## Lost & Found

Camp La-No-Che management and staff are not responsible for individual camper or unit valuables while at camp. Participants should be advised of the following:

- Bring as few valuables as possible and use locked storage – especially when using the pool or boats.
- Youth and Adults should not carry large amounts of cash.
- Never leave one or more youth in a campsite alone.
- As a common courtesy, do not walk through another unit's campsite.
- Please check with the camp office for any Lost and Found items.

## Camp Safety

First and foremost, in accordance with our Youth Protection policy, ALL participants must attend these events either with a parent (Cub Scouts) and/or 2-deep leadership.

For the safety of our guests here at Camp La-No-Che, we employ the use of two different emergency alert systems. (Lightening Alert Red and Camp Wide Emergencies). This plan has been developed for the use of Scouts, Scout Leaders, and Staff while camping and/or participating in activities at Camp La-No-Che.

### Weather Alerts

*Florida is the lightning capital of the world and represents a hazard that all should be made keenly aware. Camp La-No-Che is equipped with a lightning detection system called Thor Guard for the Dr. Phillips Park Area Campsites 1-25 and Adventure Camp. The system senses lightning within a predetermined safety zone then sounds an alert. When you hear the alert, shelter in place until you hear the all clear signal. (Safe Shelter includes Activity Shelters, Pavilions, and Buildings in Main Camp. NOT Tents!) Camp Rybolt is not covered by Thor Guard. Please use the weather hazard guidelines for lightning while in Camp Rybolt.*

### Camp Wide Emergency

*If there is a camp wide emergency, a wailing (air raid) siren will sound. If you hear this siren, everyone, regardless of where you are in camp must immediately proceed to the Seneff Plaza Flagpole outside of the W.T. Bland Dining Hall and await further instructions from Camp Staff.*

**In addition to the Emergency Procedures above, please be sure that you are utilizing the Buddy System with your scouts.**

**HYDRATE, HYDRATE, HYDRATE!** We cannot stress enough how important it is to stay hydrated! Please be sure you drink plenty of water while at camp!

**LIGHTNING WARNING**

LIGHTNING IS A SEVERE HAZARD THAT MUST BE VIEWED SERIOUSLY. EVERYONE SHOULD IMMEDIATELY SEEK SHELTER ANY TIME THEY BELIEVE LIGHTNING THREATENS THEM, EVEN IF A SIGNAL HAS **NOT** BEEN SOUNDED!

YOU WILL BE WARNED BY OUR **THOR GUARD LIGHTNING PREDICTION SYSTEM**, WHICH SOUNDS **ONE** 15 SECOND BLAST OF THE HORN SIGNALING SUSPENSION OF ACTIVITIES (IF EQUIPPED, A STROBE LIGHT WILL BEGIN FLASHING AND REMAIN FLASHING UNTIL SAFE CONDITIONS RETURN). YOU SHOULD IMMEDIATELY SEEK AN APPROPRIATE, SAFE SHELTER.

YOU MAY RESUME ACTIVITIES ONLY AFTER **THREE** 5 SECOND BLASTS OF THE HORN ARE SOUNDED AND THE STROBE LIGHT, IF EQUIPPED, STOPS FLASHING.

**IF YOU REMAIN OUTDOORS AFTER THE WARNING IS ISSUED, YOU DO SO AT YOUR OWN RISK!!!**

Each unit will also be asked to help in the dining hall with both serving meals and cleaning up. Preference for where you wish to help is considered, but not guaranteed.*

**Due to the new National Policy:**

- **Youth must have two deep leadership FROM THEIR HOME UNIT attend with them. They may not attend with just their parent.**
- **Boy Troops and Girl Troops MUST BE REGISTERED SEPARATELY - even if they share the same Chartered Organization – and each must provide their own 2-Deep Leadership. However, these units may share a campsite.**

*Youth will earn community service hours for helping at any of these events. A letter documenting your service hours will be handed to you at check out on Sunday.*
