CAMP LA-NO-CHE

POSEIDON GAMES

WELCOME TO THE POSEIDON GAMES

This will be a summer that will go down in Camp La-No-Che History. Years from now Scouts of all ages will speak of the games held by the Greek God Poseidon! The year the two teams of Olympians faced off to see who would reign supreme and conquer Mount La-No-Che! A summer filled with fun, excitement, energy and passion. Two opposing sides bound in one adventurous summer for the ages! Are you ready to become a Greek Hero or Heroine of Camp La-No-Che?

Within these pages you will find everything you need to know to prepare for an incredible summer experience. Inside learn about the formatting of our games, some rules, and what you can look forward too. We can not promise every small detail will be listed, because let's face it we keep coming up with fun additions for you to enjoy. Everything is subject to change, so be alert during morning and evening flags, and after scheduled games!

Remember above all...A SCOUT IS TRUSTWORTHY, FRIENDLY, COURTEOUS, AND KIND! We understand the desire to compete and win, but playing by the rules and being safe takes priority over winning! This is a friendly competition, please keep all conversations with your unit, your team, and even opposing teams scout-like. If you ever have any questions ask a staff member and they will do their best to get you an answer!

Let the Games begin!

EARNING POINTS

Units after receiving their teams assignments can begin strategizing for their arrival to Camp La-No-Che for Summer Camp 2024. There are 2 categories in which teams can earn points throughout the week. The continuing pages of this guide will outline each of these categories, and go into further detail.

- Weekly Challenges
- Camp-Wide Games

DAILY BRIEFS

Each day at morning and evening flag our Camp Game Masters will share their current standings of Team Athens and Sparta. Points will be awarded on the camp score board for all to see. Updates will be shared regarding past, present, and future Poseidon Game Programs, and reminders given to both teams.

"LET THE GAMES BEGIN"

DAILY CHALLENGES

Daily challenges are an opportunity for units to continue to have fun and experience the RED vs Blue adventures in their "down" time. Unit participation during the week is optional, but remember your team is counting on you to do your part throughout the week, so plan accordingly.

LOST TRIDENTS SCAVENGER HUNT

Throughout camp on Monday, Tuesday, and Wednesday night Tridents will be hidden in plain sight (no climbing or standing on objects needed). The goal is to capture as many tridents as possible, and turn them in when they are asked for at morning or evening flag daily for your team to earn points. Each trident is worth 10 points. Those tridents that haven't been found will remain in original hiding spot until found. There will be a special trident hidden only once during the week (you won't know which night), it will be a lot harder to find than the others. This trident will be worth 100 points.

EXPERIENCE PARTICIPATION

During the week during program experience, Scouts are encouraged to be active and participate in their Merit Badge and Advanced Programs. Scouts who are participating and going above and beyond will be rewarded by our roaming Program Team members for going the extra mile during their Scouting Adventures. Scouts going the extra mile will be recognized at flag, and will receive 25 points for their hard work for their team.
