PROVISIONAL CAMPING

[INDIVIDUAL CAMPER EXPERIENCES]

SCOUTS! If your Unit is not able to attend Winter Camp look no further than the Provisional Camper Program! Provisional offers a unique experience for Scouts to come together from different cities, councils, or even states to meet one another and have a great experience!

All programs are available to Provisional (Provo) Scouts as if they attended with their unit and we provide adult leadership to watch over them throughout their stay! The additional cost for Provo helps offset the cost for their two-deep leadership, and additional activities just for Provo Scouts. A complete list of these activities and troop schedule will be provided in the Winter Camp Program Guide for Scouts and parents to review. See you at Camp La-No-Che.

Scouts must bring their own tents to stay in as part of the Provisional Program. The Camp La-No-Che Provisional Team also registers your Scout for Troop Times prior to their arrival. A list of these Troop Times, Provo Guidelines, and Frequently Asked Questions can be found at the links below, and under attachments on the Registration Page. Thank you!

CENTRAL FLORIDA WOOD BADGE

SPRING COURSE:

Mar. 28-29 & April 18-19
What is Wood Badge?

FALL COURSE:

Aug. 30-31 & Sept. 20-21

Reflecting the best of nearly a century of Scouting experience, Wood Badge draws upon the most current leadership models used by corporate America, academic circles, and successful organizations throughout the country. Wood Badge training was begun by Baden Powell in 1919 as a way to ensure that the leaders of Scout troops were properly trained. Since then, Wood Badge has been held worldwide, providing advanced leadership training to thousands of Scout leaders. Wood Badge builds upon the best traditions and experiences

Who should attend Wood Badge?

Wood Badge is designed to meet the advanced leadership needs of all Scouters, particularly unit level Scouters, such as Cub leaders, Scoutmasters and assistants, Venturing Crew Advisors, Committee Chairs, and members. Additionally, Scouters serving at the district and council levels can achieve greater effectiveness through Wood Badge.

Why attend?

By taking Wood Badge, Scouters will acquire valuable tools such as listening, communicating, conflict management, project planning, and leading change. Participants will better learn to understand and appreciate diversity and differences in our society. They will learn skills that will make them a better Scout leader. Units with trained leaders are able to deliver an improved program and a more meaningful experience for our Scouting youth!
