**“CELEBRATING 250 YEARS OF HISTORY”**

# 2026

# WELCOME TO CAMP LA-NO-CHE

Welcome to the 2026 Camp La-No-Che Summer Camp Parent and Leader Guide. We have learned a lot from these past couple summers and winters about camp and how important it is. We are prepared to deliver an unparalleled experience for all Scouts this upcoming program year no matter what the world may send our way.

In the coming months leading up to your stay, there will be many troop meetings, including new Scouts, new skills learned, and a build-up of excitement for your next adventure. All of this will lead to the highlight of many of your Scouts' year – a week at camp with their friends making memories that will last a lifetime.

*“A week of camp life is worth six months of theoretical teaching in the meeting room.”  
- Lord Robert Baden-Powell*

To help you get your Scouts ready for this great experience, we have put together this Summer Camp Parent and Leader Guide to help you prepare for camp, inform you of important dates, let you know what to expect while at camp, and help prepare you to get the most out of your stay.

Detailed information for our programs and activities are published in our Summer Camp Program Guide. An overview of each program area open at Summer Camp is included in this guide and can be used as a tool for Scouts to start thinking about their adventures at Camp La-No-Che.

Every year, we work to recruit a skilled Summer Camp Staff and we want your most accomplished Scouts to be a part of Camp La-No-Che's future. Please encourage your best Scouts to apply for a position this upcoming summer or winter. We are accepting applications now, more information can be found on page 4 of this Leaders Guide.

*Adventure Awaits, See you at Camp La-No-Che!*

## CAMP COMMISSIONER MESSAGE

Service is a large part of Scouting. Every Scout must participate in service projects to advance in rank. Service also goes beyond advancement requirements. It is part of the growing process along your journey as you move from youth to adulthood. Transitioning from working for what you want to working for the community as a whole.

That is why so many good people spend so much time volunteering. Think of all of the adults who helped out your troop. They give their time willingly to help you, even though they are busy. These Scouters don't complain about the commitment. They are happy to spend their precious free time helping you, not because it benefits them, but because it benefits you! They demonstrate cheerful service every week at your meetings and now at Summer Camp.

While you are here at camp we provide ample opportunities for cheerful service from participating in flag ceremonies, to serving your fellow Scouts in the dining hall, cleaning common areas of camp, to Commissioner Special Projects. Please take the initiative to be a "Helpful" Scout and provide cheerful service for your camp community.

# PROVISIONAL CAMPING

SCOUTS! If your Unit is not able to attend Summer Camp look no further than the Provisional Camper Program! Provisional offers a unique experience for Scouts to come together from different cities, councils, or even states to meet one another and have a great experience!

All programs are available to Provisional (Provo) Scouts as if they attended with their unit and we provide adult leadership to watch over them throughout their stay! The additional cost for Provo helps offset the cost for their two-deep leadership, and additional activities just for Provo Scouts.

Scouts must utilize camp provided tents as a part of the Provisional Program. This is due to the buddy system and in order to accommodate adequate space within the campsite. The Camp La-No-Che Provisional Team also registers your Scout for Troop Times prior to their arrival. A list of these Troop Times, Provo Guidelines, and Frequently Asked Questions can be found at the links below, and under attachments on the Registration Page. Thank you!

### HOMESICKNESS

Many Scouts are susceptible to homesickness. Youth and adult leaders need to be alert for symptoms. Keep your Scouts engaged in activities at camp and your unit. Discourage phone calls home as this often worsens the problem.

If your families are participating in Family Night, use this as a tool to keep them from phoning home. In extreme circumstances, consider phoning home privately. You want to use the family to encourage a resolution, not make the problem worse. Staff members, the camp Commissioner, or other unit leaders are available for support and encouragement.

### DISCIPLINE

For supervision to be effective, there must be discipline. It is the responsibility of unit leaders to maintain the discipline of their Scouts.

Leaders are expected to intervene in situations where campers pose a threat to themselves or others. Discipline of other campers should be deferred to their unit leadership. All discipline should follow Safe Guarding Youth Guidelines.

Please advise Camp Staff regarding any inter-troop conflict so documentation can be made, and appropriate parties can be contacted. Safety is the priority of all adult leaders.

# PARENT INFORMATION

Your Scouts will be attending a week-long experience with other Scouts and Troops from across the country, and possibly from other parts of the world. This week will be one they are going to remember for a very long time. We have gathered some tips and advice here for you, the parents to help ensure they have a great time during the week. Please read this page carefully and be sure you are ready, so you can help them prepare!

## MONEY AND VALUABLES AT CAMP

We recommend that you send your Scout with a locking footlocker so they can secure any valuables they bring with them, or they purchase while at camp. We highly recommend that your Scout bring as few valuables as possible. As for money, a good idea is to divide the week's money into multiple day envelopes and give those to the Unit Leader to secure until that day. This prevents your Scout from walking around and potentially losing their week's worth of money all at once. Camp La-No-Che is not responsible for personal property/money brought to camp.

## COMMUNICATION

Camp La-No-Che has cell phone reception. Camp La-No-Che receives excellent service from Verizon Wireless and slightly less from AT&T, while T-Mobile service is extremely limited. Please plan accordingly as it is possible that your Scout may not have cell phone communication. To stay in touch with your Scout, be sure to talk with your unit leaders before camp to find out what their protocol is for communication during camp. Some units have policies of only communicating at certain times. These policies are often in place to help prevent homesickness. Please do your best to be respectful of your unit leader's plan for communication.

Scouts can receive care packages and letters at camp (please allow 5 days minimum for shipping). Please include:

Scouts Name	Camp La-No-Che
PROVO or Unit Number	41991 Boy Scout Road
Week #	Paisley, FL 32767

## MERIT BADGES AND ADVANCEMENT AT CAMP

While attending camp, each Scout will receive credit for requirements completed for merit badges. It is possible that due to weather/program changes, not all planned requirements can be accomplished during camp. There is no guarantee that a Scout will complete any merit badges while at camp. Each Scout is given the resources and assistance to work towards this goal. It is up to each Scout to properly complete the requirements offered. A records of the requirements completed will be available for download through the registration system at the conclusion of camp. Unit level leadership then has the responsibility to upload as needed.

## FAMILY NIGHT

Starting at 5:00pm parents can come out to camp and visit their Scout and their unit for the evening. We will have activities for those attending as well as plenty of time to let your Scout show you what they have been up to during the week. You may choose to eat dinner with your Scout in the dining hall for an additional fee. More information and details regarding Family Night will be shared in the Program Guide when released. The Dining Hall also doubles as a space to spread out and keep up with the office during the session. We encourage you to get creative! Some popular place to work outside are the: dining hall front porch, camp gazebo, trading post porch, and anywhere in between.

# EMERGENCY PROCEDURES

## CAMP WIDE EMERGENCY ALARM PROCEDURES

In the event there is a camp wide emergency, a constant wailing (air raid) siren will sound. If you hear this siren, please proceed to the Seneff Family Flag Pole, line up with your unit, take roll call, have your SPL report to the Camp Commissioner that your unit is accounted for, and wait for further instructions from Camp Staff. Everyone, all youth and adults must report to the flag pole during a camp wide emergency alarm unless instructed otherwise by Camp Staff. The entire camp will have an opportunity to practice these procedures within 24 hours of arrival.

## CAMP LIGHTNING ALERT PROCEDURES

Florida is the lightning capital of the world and represents a hazard that all should be made keenly aware. This plan has been developed for the use of Scouts, Adult Leaders, and Camp Staff while camping and/or participating in programs and activities.

In the event inclement weather is forecasted, our Camp Admin Team will monitor any approaching storms and will notify all Program Staff to assist campers to seek appropriate shelter when necessary. If necessary camp vehicles will be dispatched to campsites to notify units of impending storms and appropriate action

The following is the responsibility of all Scouts, Adult Leaders and Staff at Camp La-No-Che. When lightning is eminent, appropriate shelter is any building that has 4 walls (and when possible restroom access). Campsite activity shelters are safe shelters. PROGRAM PAVILIONS ARE NOT SAFE SHELTERS. When notified, please ensure that everyone in your group goes to one of the nearest building as instructed by staff and stays there until given all clear.

- W.T. Bland Dining Hall
- Campsite Shelter

## HEALTH LODGE & FIRST AID PROCEDURES

The AdventHealth Lodge is staffed by a qualified Resident Health Officer who is trained and prepared to treat basic first aid and illnesses at all times (but may not be a medical doctor). In the event of a serious emergency, please call 9-1-1 prior to notifying Camp La-No-Che Management and the Health Officer. When visiting the Health Lodge, please enter the front door or use the radio/intercom to ask for assistance. Any youth under the age of 18 must be accompanied by an adult (the Central Florida Council does not provide sickness and accident insurance for out of council units).

## SCOUTING'S BARRIERS TO ABUSE INFORMATION

Scouting America has adopted the following policies for the safety and well-being of its members. These policies primarily protect youth members; however, they also serve to protect adult leaders. Registered leaders must follow these guidelines with Scouting youth outside of Scouting activities. More Information can be found [HERE](#).
