# EMERGENCY PROCEDURES

## CAMP WIDE EMERGENCY ALARM PROCEDURES

In the event there is a camp wide emergency, a constant wailing (air raid) siren will sound. If you hear this siren, please proceed to the Seneff Family Flag Pole, line up with your unit, take roll call, have your SPL report to the Camp Commissioner that your unit is accounted for, and wait for further instructions from Camp Staff. Everyone, all youth and adults must report to the flag pole during a camp wide emergency alarm unless instructed otherwise by Camp Staff. The entire camp will have an opportunity to practice these procedures within 24 hours of arrival.

## CAMP LIGHTNING ALERT PROCEDURES

Florida is the lightning capital of the world and represents a hazard that all should be made keenly aware. This plan has been developed for the use of Scouts, Adult Leaders, and Camp Staff while camping and/or participating in programs and activities.

In the event inclement weather is forecasted, our Camp Admin Team will monitor any approaching storms and will notify all Program Staff to assist campers to seek appropriate shelter when necessary. If necessary camp vehicles will be dispatched to campsites to notify units of impending storms and appropriate action

The following is the responsibility of all Scouts, Adult Leaders and Staff at Camp La-No-Che. When lightning is eminent, appropriate shelter is any building that has 4 walls (and when possible restroom access). Campsite activity shelters are safe shelters. PROGRAM PAVILIONS ARE NOT SAFE SHELTERS. When notified, please ensure that everyone in your group goes to one of the nearest building as instructed by staff and stays there until given all clear.

- W.T. Bland Dining Hall
- Campsite Shelter

## HEALTH LODGE & FIRST AID PROCEDURES

The AdventHealth Lodge is staffed by a qualified Resident Health Officer who is trained and prepared to treat basic first aid and illnesses at all times (but may not be a medical doctor). In the event of a serious emergency, please call 9-1-1 prior to notifying Camp La-No-Che Management and the Health Officer. When visiting the Health Lodge, please enter the front door or use the radio/intercom to ask for assistance. Any youth under the age of 18 must be accompanied by an adult (the Central Florida Council does not provide sickness and accident insurance for out of council units).

**"CHALLENGE THE BEAST"**

# SAFETY

## YOUTH PROTECTION

Camp La-No-Che strictly adheres to the Youth Protection policies set fourth by the Boy Scouts of America. If you ever suspect any form of abuse immediately alert Camp La-No-Che Management. Failure to report potential abuse is allowing potential abuse to occur/continue.

## TWO-DEEP LEADERSHIP

Two registered Leaders (21 years of age or over) are required at all times while at camp. There must be a registered female Leader (21 years of age or over) in every unit serving females. All adults accompanying a Scouting unit overnight at camp must be registered Adult Member of the BSA.

## RESPECT OF PRIVACY

Adult leaders must respect the privacy of youth members in situations such as changing clothes and taking showers at camp, they are only to intrude when health and safety requires. Adults must protect their own privacy in similar situations.

## RULES

- Cooking must be done at least twenty feet away from tents and buildings. Propane and liquid fuels may only be used under supervision of adults. No gasoline is to be used. Fuel is to be stored away from tents & buildings.
- Since animals can lift lids & open simple latches, food should be stored in the bear box provided in campsite.

# POLICIES

## **MERIT BADGE COMPLETION POLICY**

While attending camp, each Scout will receive credit for requirements completed for merit badges. It is possible that due to weather/program changes, not all planned requirements can be accomplished during camp. There is no guarantee that a Scout will complete any merit badges while at camp. Each Scout is given the resources and assistance to work towards this goal. It is up to each Scout to properly complete the requirements offered.

## **VALUABLES POLICY**

The Leonard and Marjorie Williams Family Scout Reservation/Camp La-No-Che Management and Staff will not be responsible for camper or troop valuables while in camp. Use these tips to avoid any losses while at camp:

- Advise your Scouts to bring as few valuables as possible and encourage Scouts to use locked trunks
- Do not carry large amounts of money around camp
- The unit leadership should bring a lock box with them for unit use
- Never leave a Scout alone at the campsite
- Advise your Scouts not to walk through another unit's campsite

## **VEHICLE POLICY**

To protect our camp and all Scouters, we ask that all vehicles be parked in the Main Parking Lot. Vehicles will be allowed to transport gear to and from campsites on Camp Days 1 and 6. Troops will be permitted to park their equipment trailer in their campsite along with one vehicle per unit. All equipment trailers must be disconnected from the tow vehicle and the trailer's hitch must be flagged for safety.

## **GOLF CART/UTV/ATV POLICY**

Camp La-No-Che golf carts and UTVs are utilized around camp. These machines are only operated by trained and approved Camp Staff for program duties. Personal golf carts and UTVs are not allowed unless prior approval is granted. An online course is mandatory, and must be completed before arrival to camp ([ROHVA.ORG/](http://ROHVA.ORG/)). A Golf Cart and UTV Policy acknowledgment form must also be on file in the Camp Office. (The BSA strictly prohibits the use of ATVs unless they are Council-owned and used for the ATV Safety Program)

## **UNIFORM POLICY**

During the day, Scouts and Scouters are allowed to wear their BSA Activity Uniform. If shirts are worn not affiliated with the BSA, they may not contain any content that is suggestive or against the mission of the BSA. However, all participants must wear closed-toe shoes at all times. The only exception is that flip flops, aqua socks, or sandals may be worn in the campsite when going to the shower or after arriving at the lake front. It is required to wear the BSA Field Uniform (Class A) for evening dinner.

## **LEAVE NO TRACE POLICY**

While at Camp La-No-Che, all Units and Scouts should abide by the principles of Leave No Trace. Please make every effort to maintain the camp's appearance. Please remember that Scouts are neat and clean.

## **SCOUTING AMERICA'S SMOKE FREE POLICY**

Boy Scouts of America policy is to provide a smoke-free environment for all Scouting participants. Therefore, smoking is not allowed at La-No-Che in the presence of youth or in buildings. You may smoke only in the designated adult break area behind the Trading Post.

## **HAMMOCK POLICY**

We encourage Scouts to bring their hammocks to Camp, but we ask that all follow the BSA Safe Hammocking Guidelines! Camp La-No-Che also requires the use of "tree straps".

1. Hammocks must be hung in secure locations (no buildings or shelters)
2. Never stack hammocks above each other.
3. The lowest point of a hammock must not be more than 3 feet above the ground.

## **REFUND POLICY**

All deposits paid, either for campsite or participant are non-refundable deposits. To request a refund of other monies paid, you must submit a refund request form and meet the criteria listed in order to receive a potential refund. Please see the event registration page for a link to form and criteria.

# UPDATES TO SCOUTING'S BARRIERS TO ABUSE (EFFECTIVE 9/1/24)

The BSA has adopted the following policies for the safety and well-being of its members. These policies primarily protect youth members; however, they also serve to protect adult leaders. All parents and caregivers should understand that our leaders are to abide by these safeguards. Parents and youth are strongly encouraged to use these safeguards outside the Scouting program. Registered leaders must follow these guidelines with all Scouting youth outside of Scouting activities.

## REGISTRATION REQUIREMENTS

The chartered organization representative, or in their absence the executive officer of the chartered organization, must approve the registration of the unit's adult leaders. Registration Includes:

Current Youth Protection training is required for leaders when renewing their registration or at unit charter renewal. Adult program participants must register as adults and follow Youth Protection policies.

## ADULT SUPERVISION

Two registered adult leaders 21 years of age or over are required at all Scouting activities, including all meetings. There must be a registered female adult leader 21 years of age or over in every unit serving females. A registered female adult leader 21 years of age or over must be present for any activity involving female youth or female adult program participants.

Notwithstanding the minimum leader requirements, age and program-appropriate supervision must always be provided.

All adults staying overnight in connection with a Scouting activity must be currently registered as an adult volunteer or an adult program participant. Adult volunteers must register in the position(s) they are serving in. Registration as a merit badge counselor position does not meet this requirement. See [FAQ](#) for list of approved adult registration fee required positions.

One-on-one contact between adult leaders and youth members is prohibited both inside and outside of Scouting.

- Situations requiring a personal conference, the meeting is to be conducted with the knowledge & in view of other adults/youth

[Adult Supervision: Youth Protection and Barriers to Abuse FAQs](#)

## RESPONSIBILITY

Leaders must ensure that all participating in Scouting activities abide by the Scout Oath & Scout Law. Adult leaders & youth members share the responsibility for the safety of all participants in the program, including adherence to Youth Protection & health & safety policies.

- Adult leaders are responsible for monitoring behavior and intervening when necessary.
- Physical violence, sexual activity, emotional abuse, spiritual abuse, unauthorized weapons, hazing, discrimination, harassment, initiation rites, bullying, cyberbullying, theft, verbal insults, drugs, alcohol, and pornography have no place in the Scouting program and may result in revocation of membership.
- All leaders are required to adhere to the Scouter Code of Conduct.

## ACCOMMODATIONS

Separate accommodations for adult males and females and youth males and females are required.

### Tenting

- Separate tenting arrangements must be provided for male and female adults as well as for male and female youth.
- Youth sharing tents must be no more than two years apart in age.

# UPDATES TO SCOUTING'S BARRIERS TO ABUSE (EFFECTIVE 9/1/24)

- In Cub Scouting, parents and guardians may share a tent with their family.
- In all other programs, youth and adults tent separately.
- Spouses may share tents.

## Lodging/Cabin Accommodations

Whenever possible, separate cabins or lodging should be provided for male and female adults as well as for male and female youth. Where separate accommodations cannot be provided due to group size or limited availability, modifications may be made. Where completely separate accommodations are not available, additional supervision is required.

- If adults and youth of the same gender occupy single-room accommodations, there must be a minimum of two adults and four youth, with all adults being Youth Protection trained.
- Physical separation by other means, including temporary barriers or space, should be used only when no other arrangements are possible.

## Restrooms

Separate shower and latrine facilities should be provided for male and female adults as well as for male and female youth. If separate facilities are not available, separate times should be scheduled and posted. Privacy of youth is respected:

- Adults and youth must respect each other's privacy, especially in situations such as changing clothes and taking showers at camp.

## REPORTING REQUIREMENTS

Adult leaders and youth members have a responsibility to recognize, respond to, and report Youth Protection violations and abuse.

### Reporting

#### Youth Protection Policy Violations

- Serious Youth Protection policy violations or behaviors that put a youth's safety at risk must be reported to the Scout executive.
- Online reporting is also available at [Incident Reporting](#).

#### Mandatory Reporting of Child Abuse

- All persons participating in Scouting programs are mandated reporters of child abuse.
- Reports must be made to local law enforcement and child protective services. State law may require additional reporting.
- This reporting duty cannot be delegated to any other person.
- Reporting to the Scout executive or Scouts First Helpline ensures that follow-up can occur for the safety of our youth. Scout executives and Scouts First coordinate follow-up actions.

#### Scouts First Helpline

- As part of its "Scouts First" approach to the protection and safety of youth, the BSA has established a dedicated 24-hour helpline to receive reports of known or suspected abuse or behavior that might put a youth at risk. **1-844-SCOUTS1 (1-844-726-8871)**
- If immediate assistance is needed in the handling of a sexual abuse allegation, contact Scouts First Helpline (**1-844-SCOUTS1**).

# UPDATES TO SCOUTING'S BARRIERS TO ABUSE (EFFECTIVE 9/1/24)

## ADDITIONAL RESOURCES

### Accommodation

The older youth Scouting America programs (Scouts BSA, Venturing, Sea Scouting, and Exploring) encourage leadership development, growth, and independence by recommending that youth share accommodations with other youth (must be the same gender per Barriers to Abuse). However, we also recognize that exceptional circumstances may warrant a parent or legal guardian sharing accommodations with their same-gender\* child if the parent/legal guardian meets all leader registration requirements.

Youth siblings of the same gender may share sleeping accommodations regardless of age with permission from their parents or legal guardians.

Campsites must be arranged to separate genders adequately. This separation could be achieved through natural barriers, physical distance, or by the campsite being divided, so long as the separation achieves privacy for both adults and youth, as well as by gender. Adult leaders are responsible for establishing the barriers and reminding Scouts that members of one gender must not enter the tent/housing of another.

### The Buddy System

The buddy system is designed to provide an additional layer of safeguarding by ensuring no youth member/participant is alone and that a buddy can get help in an emergency.

The buddy system is used whenever members/participants are outside the line of sight of qualified adult leadership and specific activities where the buddy system is required for participation. Of note:

- The adult unit leadership oversees and approves buddies.
- Buddies are two and can also be three to prevent members or participants from being alone.
- If the original pair for a buddy group is mixed gender, a third youth/participant must be added (for a buddy group of 3).
- Youth siblings of the same gender may serve as buddies regardless of age with permission from their parents or legal guardians.
- Except for siblings, it is recommended that the age gap between buddies be at most three years for all non-sleeping activities but must be no more than two years for all tenting.
- When exceptional circumstances warrant, a parent or legal guardian may serve as a buddy for their child's Scouting activities, but youth buddies meeting the above criteria, if available, are always preferred.

### Participation by Parents and Legal Guardians

Parents and legal guardians are encouraged to participate in Scouting activities with their children. However, to meet youth protection policies, some participation—including all overnight activities\*—requires the parent or legal guardian to be a registered adult in their child's unit.                      \*Special needs remain unchanged.                      \*See and note the Cub Scout Exception

## SCOUTING'S BARRIERS TO ABUSE INFORMATION

### HOW DOES THIS EFFECT SCOUTS BSA LEVEL CAMPING MOVING FORWARD (at Camp La-No-Che)?

- When registering for a Scouting Event each unit must have 2 registered adult leaders attend from their unit.
- Scouts BSA Units from the same Charter Org MUST have 2 separate leaders attending from each unit
- Scouts BSA Units for Girls must have one of these Unit Leaders be female
- Scouting units from the same Charter Org, must register for camp separately (under 2 registrations) to ensure leader requirements are met, and that campsites are assigned accurately.
- If a Scout is attending camp without 2-unit leaders and Provisional Camping is an option the Scout will be placed in this unit (which may have an additional fee).
- If a group of Scouts is attending from the same unit in our Provisional Troop, single leaders or parents cannot attend camp with their Scout as a leader or provide supervision.
