PROVISIONAL CAMPING

SCOUTS! If your Unit is not able to attend Academy & Trades, look no further than the Provisional Camper Program! Provisional offers a unique experience for Scouts to come together from different cities, councils, or even states to meet one another and have a great experience!

All programs are available to Provisional (Provo) Scouts as if they attended with their unit and we provide adult leadership to watch over them throughout their stay! The additional cost for Provo helps offset the cost for their two-deep leadership, and additional activities just for Provo Scouts.

Scouts must bring their own tents to stay in as part of the Provisional Program. In addition, the provo group will not be cooking their meals. **Provo Scouts will need to purchase a meal plan.** A list of Provo Guidelines, and Frequently Asked Questions can be found at the links below, and under attachments on the Registration Page. Thank you!

"TRAINING AND ADVENTURE"

EMERGENCY PROCEDURES

CAMP WIDE EMERGENCY ALARM PROCEDURES

In the event there is a camp wide emergency, a constant wailing (air raid) siren will sound. If you hear this siren, please proceed to the Seneff Family Flag Pole, line up with your unit, take roll call, have your SPL report to the Camp Commissioner that your unit is accounted for, and wait for further instructions from Camp Staff. Everyone, all youth and adults must report to the flag pole during a camp wide emergency alarm unless instructed otherwise by Camp Staff. The entire camp will have an opportunity to practice these procedures within 24 hours of arrival.

CAMP LIGHTNING ALERT PROCEDURES

Florida is the lightning capital of the world and represents a hazard that all should be made keenly aware. This plan has been developed for the use of Scouts, Adult Leaders, and Camp Staff while camping and/or participating in programs and activities.

In the event inclement weather is forecasted, our Camp Admin Team will monitor any approaching storms and will notify all Program Staff to assist campers to seek appropriate shelter when necessary. If necessary camp vehicles will be dispatched to campsites to notify units of impending storms and appropriate action

The following is the responsibility of all Scouts, Adult Leaders and Staff at Camp La-No-Che. When lightning is eminent, appropriate shelter is any building that has 4 walls (and when possible restroom access). Campsite activity shelters are safe shelters. PROGRAM PAVILIONS ARE NOT SAFE SHELTERS. When notified, please ensure that everyone in your group goes to one of the nearest building as instructed by staff and stays there until given all clear.

- W.T. Bland Dining Hall
- Campsite Shelter

HEALTH LODGE & FIRST AID PROCEDURES

The AdventHealth Lodge is staffed by a qualified Resident Health Officer who is trained and prepared to treat basic first aid and illnesses at all times (but may not be a medical doctor). In the event of a serious emergency, please call 9-1-1 prior to notifying Camp La-No-Che Management and the Health Officer. When visiting the Health Lodge, please enter the front door or use the radio/intercom to ask for assistance. Any youth under the age of 18 must be accompanied by an adult (the Central Florida Council does not provide sickness and accident insurance for out of council units).

SCOUTING'S BARRIERS TO ABUSE INFORMATION

Scouting America has adopted the following policies for the safety and well-being of its members. These policies primarily protect youth members; however, they also serve to protect adult leaders. Registered leaders must follow these guidelines with Scouting youth outside of Scouting activities. More Information can be found **HERE.**

"PREPARED FOR LIFE"

SAFETY

YOUTH PROTECTION

Camp La-No-Che strictly adheres to the Youth Protection policies set fourth by the Boy Scouts of America. If you ever suspect any form of abuse immediately alert Camp La-No-Che Management. Failure to report potential abuse is allowing potential abuse to occur/continue.

TWO-DEEP LEADERSHIP

Two registered Leaders (21 years of age or over) are required at all times while at camp. There must be a registered female Leader (21 years of age or over) in every unit serving females. All adults accompanying a Scouting unit overnight at camp must be registered Adult Member of the Scouting America.

RESPECT OF PRIVACY

Adult leaders must respect the privacy of youth members in situations such as changing clothes and taking showers at camp, they are only to intrude when health and safety requires. Adults must protect their own privacy in similar situations.

RULES

- One fire is permitted per campsite in the fire ring. Do not use pine cones, pine needles, spanish moss, kerosene, or gasoline in the fire. While burning, the fire must be attended at all times. Before leaving the fire, water must be used until the fire is completely out and the ashes are cool.

- Cooking must be done at least twenty feet away from tents and buildings. Propane and liquid fuels may only be used under supervision of adults. No gasoline is to be used. Fuel is to be stored away from tents & buildings.

- Since animals can lift lids & open simple latches, food should be stored in the bear box provided in campsite.

- Stick, roll-on, or pump insect repellent and deodorant is preferred, and aerosol should be avoided if possible. If aerosol of any kind must be used, it must be used outside of tents and under adult supervision.

- Closed toed shoes must be worn at all times. The only exception is that flip flops, aqua socks, or sandals may be worn in the campsite when going to the shower or after arriving at the lake front.

- No flames or fires of any kind are permitted in tents.

- Riding on the tailgate of a car or in the back of a pickup truck is prohibited.

- All vehicles must be parked in the Main Camp parking lot or the area assigned at check in.

- Extension cords may be used only inside buildings.

- Camouflage is highly discouraged at Camp La-No-Che.

- Use of alcoholic beverages and controlled substances are not permitted. Any individual or group violating this rule must leave the facility.

- No fireworks or privately owned firearms are permitted on council-owned property.

- All bicycle riders must wear safety helmets. Electric Bicycles are prohibited.

- As part of the Youth Protection and camp identification policies all Scouts and Scouters that are staying must have an wristband at all times. If your wristband is lost you must replace it at the Camp Office.

"PREPARED FOR LIFE"

POLICIES

MERIT BADGE COMPLETION POLICY

While attending camp, each Scout will receive credit for requirements completed for merit badges. It is possible that due to weather/program changes, not all planned requirements can be accomplished during camp. There is no guarantee that a Scout will complete any merit badges while at camp. Each Scout is given the resources and assistance to work towards this goal. It is up to each Scout to properly complete the requirements offered.

VALUABLES POLICY

The Leonard and Marjorie Williams Family Scout Reservation/Camp La-No-Che Management and Staff will not be responsible for camper or troop valuables while in camp. Use these tips to avoid any losses while at camp:

- Advise your Scouts to bring as few valuables as possible and encourage Scouts to use locked trunks
- Do not carry large amounts of money around camp
- The unit leadership should bring a lock box with them for unit use
- Never leave a Scout alone at the campsite
- Advise your Scouts not to walk through another unit's campsite

VEHICLE POLICY

To protect our camp and all Scouters, we ask that all vehicles be parked in the Main Parking Lot. Vehicles will be allowed to transport gear to and from campsites on Camp upon arrival and at departure. Troops will be permitted to park their equipment trailer in their campsite along with one vehicle per unit. All equipment trailers must be disconnected from the tow vehicle and the trailer's hitch must be flagged for safety.

GOLF CART/UTV/ATV POLICY

Camp La-No-Che golf carts and UTVs are utilized around camp. These machines are only operated by trained and approved Camp Staff for program duties. Personal golf carts and UTVs are not allowed unless prior approval is granted. An online course is mandatory, and must be completed before arrival to camp (ROHVA.ORG/). A Golf Cart and UTV Policy acknowledgment form must also be on file in the Camp Office. (Scouting America strictly prohibits the use of ATVs unless they are Council-owned and used for the ATV Safety Program)

UNIFORM POLICY

During the day, Scouts and Scouters are allowed to wear their Scouting America Activity Uniform. If shirts are worn not affiliated with Scouting America, they may not contain any content that is suggestive or against the mission of Scouting America. However, all participants must wear closed-toe shoes at all times. The only exception is that flip flops, aqua socks, or sandals may be worn in the campsite when going to the shower or after arriving at the lake front. It is required to wear the Scouting America Field Uniform (Class A) for evening dinner.

LEAVE NO TRACE POLICY

While at Camp La-No-Che, all Units and Scouts should abide by the principles of Leave No Trace. Please make every effort to maintain the camp's appearance. Please remember that Scouts are neat and clean.

SCOUTING AMERICA SMOKE FREE POLICY

Scouting America policy is to provide a smoke-free environment for all Scouting participants. Therefore, smoking is not allowed at La-No-Che in the presence of youth or in buildings. You may smoke only in the designated adult break area behind the Trading Post.

HAMMOCK POLICY

We encourage Scouts to bring their hammocks to Camp, but we ask that all follow the Scouting America Safe Hammocking Guidelines! Camp La-No-Che also requires the use of "tree straps".

1. Hammocks must be hung in secure locations (no buildings or shelters)
2. Never stack hammocks above each other.
3. The lowest point of a hammock must not be more than 3 feet above the ground.

REFUND POLICY

All deposits paid, either for campsite or participant are non-refundable deposits. To request a refund of other monies paid, you must submit a refund request form and meet the criteria listed in order to receive a potential refund. Please see the attachments section of the event registration page for a link to form and criteria.

CENTRAL FLORIDA WOOD BADGE

SPRING COURSE:
Mar. 28-29 & April 18-19

FALL COURSE:
Sep. 12-13 & Sep. 26-27

What is Wood Badge?

Reflecting the best of nearly a century of Scouting experience,Wood Badge draws upon the most current leadership models used by corporate America, academic circles, and successful organizations throughout the country. Wood Badge training was begun by Baden Powell in 1919 as a way to ensure that the leaders of Scout troops were properly trained. Since then, Wood Badge has been held worldwide, providing advanced leadership training to thousands of Scout leaders. Wood Badge builds upon the best traditions and experiences

Who should attend Wood Badge?

Wood Badge is designed to meet the advanced leadership needs of all Scouters, particularly unit level Scouters, such as Cub leaders, Scoutmasters and assistants, Venturing Crew Advisors, Committee Chairs, and members. Additionally,Scouters serving at the district and council levels can achieve greater effectiveness through Wood Badge.

Why attend?

By taking Wood Badge, Scouters will acquire valuable tools such as listening, communicating, conflict management, project planning, and leading change. Participants will better learn to understand and appreciate diversity and differences in our society. They will learn skills that will make them a better Scout leader. Units with trained leaders are able to deliver an improved program and a more meaningful experience for our Scouting youth!
