CAMP COMMISSIONER MESSAGE

Service is a large part of Scouting. Every Scout must participate in service projects to advance in rank. Service also goes beyond advancement requirements. It is part of the growing process along your journey as you move from youth to adulthood. Transitioning from working for what you want to working for the community as a whole.

That is why so many good people spend so much time volunteering. Think of all of the adults who helped out your troop. They give their time willingly to help you, even though they are busy. These Scouters don't complain about the commitment. They are happy to spend their precious free time helping you, not because it benefits them, but because it benefits you! They demonstrate cheerful service every week at your meetings and now at Summer Camp.

While you are here at camp we provide ample opportunities for cheerful service from participating in flag ceremonies, to serving your fellow Scouts in the dining hall, cleaning common areas of camp, to Commissioner Special Projects. Please take the initiative to be a "Helpful" Scout and provide cheerful service for your camp community.

The W.T. Bland Dining Hall is the center piece of fellowship and sustenance while visiting Camp La-No-Che. Located in the center of Dr. Philips Park it serves as a multi use facility throughout your stay at camp. Not only does it serve 3 meals everyday throughout the week to all youth and adult participants, but it is also home to trainings, meetings, and entertainment throughout the week. The Dining Hall also serves as our main camp shelter in case of serious emergencies, and for program areas to continue delivering their quality programs.

FOOD ALLERGIES & MEDICAL DIETARY NEEDS

If during your stay you or someone in your troop requires a special diet that is prescribed by a physician and documented on the Annual Health and Medical Form, please take the following steps. During registration have the Unit Registration Contact or Parent (if granted access through Parent Portal) list the needs of the participant under the individual registrant comments section. This information will be printed and shared with our Dining Hall Staff in preparation of your visit. Procedures on how to request the personalized meal will be gone over at check-in during the camp tour. Camp Staff will do our very best to assist you in your dietary needs during your stay at camp.

PARENT INFORMATION

Your Scouts will be attending a week-long experience with other Scouts and Troops from across the country, and possibly from other parts of the world. This week will be one they are going to remember for a very long time. We have gathered some tips and advice here for you, the parents to help ensure they have a great time during the week. Please read this page carefully and be sure you are ready, so you can help them prepare!

MONEY AND VALUABLES AT CAMP

We recommend that you send your Scout with a locking footlocker so they can secure any valuables they bring with them, or they purchase while at camp. We highly recommend that your Scout bring as few valuables as possible. As for money, a good idea is to divide the week's money into multiple day envelopes and give those to the Unit Leader to secure until that day. This prevents your Scout from walking around and potentially losing their week's worth of money all at once. Camp La-No-Che is not responsible for personal property/money brought to camp.

COMMUNICATION

Camp La-No-Che has cell phone reception. Camp La-No-Che receives excellent service from Verizon Wireless and slightly less from AT&T, while T-Mobile service is extremely limited. Please plan accordingly as it is possible that your Scout may not have cell phone communication. To stay in touch with your Scout, be sure to talk with your unit leaders before camp to find out what their protocol is for communication during camp. Some units have policies of only communicating at certain times. These policies are often in place to help prevent homesickness. Please do your best to be respectful of your unit leader's plan for communication.

Scouts can receive care packages and letters at camp (please allow 5 days minimum for shipping). Please include:

Scouts Name	Camp La-No-Che
International Jamborette	41991 Boy Scout Road
Contingent & Unit Number	Paisley, FL 32767

FAMILY NIGHT

Starting at 5:00pm parents can come out to camp and visit their Scout and their unit for the evening. We will have activities for those attending as well as plenty of time to let your Scout show you what they have been up to during the week. You may choose to eat dinner with your Scout in the dining hall for an additional fee. More information and details regarding Family Night will be shared in the Program Guide when released. Also, included will be information on how to pre-purchase your meal online before arrival.

LEADER INFORMATION

During a week at summer camp, Scouts will have many different opportunities for memorable experiences. As Camp Staff, we will do our best to provide the best possible environment for unparalleled experiences. As a Unit Leader, there are things that you can do and that are expected of you to make it a great week for everyone!

UNIT LEADER RESPONSIBILITIES

- Complete the reservation and registration process for camp.
- Provide guidelines to your unit for good Scouting behavior while at camp.
- Review the Program Guide with your Scouts, enabling them to effectively schedule their experiences.
- Review each Scout's planned program to ensure that they are not reaching beyond their capabilities. (this minimizes the possibility of a disappointing experience)
- Review with your Scouts any paperwork, supplies, or clothing required for their programs.
- Review any requirements not completed at camp with them so they are aware of them.
- Monitor each Scout's daily progress at camp and provide support as needed.
- Stress the importance of drinking plenty of water while at camp (avoids missing out on experiences)
- Ensure each Scout brings a water bottle or hydration device to use during camp.
- Ensure Scouts are following the buddy system - at least two Scouts of the same gender traveling together.
- Communicate with the Program Director or Camp Director as soon as possible should a problem arise. (between Scouts and/or any Staff Member)
- Verify the unit's advancements for any discrepancies and resolve them with the Program Director.
- Provide feedback regarding the program and Staff prior to the end of your summer camp experience.
- Complete a Summer Camp Evaluation prior to your departure from camp.
- Complete an electronic survey after camp with your Scouts following a troop meeting.

HOMESICKNESS

Many Scouts are susceptible to homesickness. Youth and adult leaders need to be alert for symptoms. Keep your Scouts engaged in activities at camp and your unit. Discourage phone calls home as this often worsens the problem.

If your families are participating in Family Night, use this as a tool to keep them from phoning home. In extreme circumstances, consider phoning home privately. You want to use the family to encourage a resolution, not make the problem worse. Staff members, the camp Commissioner, or other unit leaders are available for support and encouragement.

DISCIPLINE

For supervision to be effective, there must be discipline. It is the responsibility of unit leaders to maintain the discipline of their Scouts.

Leaders are expected to intervene in situations where campers pose a threat to themselves or others. Discipline of other campers should be deferred to their unit leadership. All discipline should follow Youth Protection Guidelines.

Please advise Camp Staff regarding any inter-troop conflict so documentation can be made, and appropriate parties can be contacted. Safety is the priority of all adult leaders.

LEADER EXPERIENCE

EMERGENCY PROCEDURES

CAMP WIDE EMERGENCY ALARM PROCEDURES

In the event there is a camp wide emergency, a constant wailing (air raid) siren will sound. If you hear this siren, please proceed to the Seneff Family Flag Pole, line up with your unit, take roll call, have your SPL report to the Camp Commissioner that your unit is accounted for, and wait for further instructions from Camp Staff. Everyone, all youth and adults must report to the flag pole during a camp wide emergency alarm unless instructed otherwise by Camp Staff. The entire camp will have an opportunity to practice these procedures within 24 hours of arrival.

CAMP LIGHTNING ALERT PROCEDURES

Florida is the lightning capital of the world and represents a hazard that all should be made keenly aware. This plan has been developed for the use of Scouts, Adult Leaders, and Camp Staff while camping and/or participating in programs and activities.

In the event inclement weather is forecasted, our Camp Admin Team will monitor any approaching storms and will notify all Program Staff to assist campers to seek appropriate shelter when necessary. If necessary camp vehicles will be dispatched to campsites to notify units of impending storms and appropriate action

The following is the responsibility of all Scouts, Adult Leaders and Staff at Camp La-No-Che. When lightning is eminent, appropriate shelter is any building that has 4 walls (and when possible restroom access). Campsite activity shelters are safe shelters. PROGRAM PAVILIONS ARE NOT SAFE SHELTERS. When notified, please ensure that everyone in your group goes to one of the nearest building as instructed by staff and stays there until given all clear.
