

Tipisa Lodge: Ordeal Candidate Packing List

Have your:

- BSA Physicals – Parts A and B. Please bring a copy as these sometimes get lost or not returned/picked up at the end of the weekend.
- Wear old work clothes upon arrival. These could get dirty, torn, or paint-stained.
- Face Masks according to personal preference. We will follow most-current Camp COVID policy.

You will need a **Day Pack** for Friday night and Saturday.

Day Pack items:

- Medication/s (Candidates typically have permission to keep with them but please communicate at Check-in if candidate takes meds.)
- Ground Cloth or large tarp (large enough to go under sleeping bag AND be able to pull-over sleeping bag.) This could fit in or be strapped to the Day Pack.
- Insect Repellent
- Sunscreen
- Flashlight (always extra batteries)
- Work Gloves
- Water Bottle (of course filled)
- Personal First Aid Kit
- Sleeping Bag (strapped onto the Day Pack if possible, or could be carried)

Watch the weather forecast for weather considerations and bring:

- Poncho or Rain Suit
- Long-sleeved shirts (if needed)
- Knit cap (even to use when sleeping)
- Jacket
- Winter gloves
- The “layering system” works. When daytime temps rise, take a layer off and stow it in the Day Pack.

Candidates will set up their tent on Friday night. Leave the following in the tent:

- A personal tent
- Toiletries such as soap, deodorant, toothpaste, toothbrush, bath towel and shower shoes
- Class “A” uniform and extra clothes.
- Regular Camp Clothes – (activity uniform)
- 2 pair of underwear and socks (or even a spare set of each)
- Sturdy shoes
- Deck of cards – Optional for Sat. night, but won’t need Friday night or Saturday during the day.

Pre-pack the Day Pack with items as listed above **before** arriving at camp, then you won’t have to “fish” for stuff in your tent Friday night.
