

## **Hello Eagle Empire Packs!**

This year we're hosting our second annual Webelos Woods, which is a specialized cub event for Webelos and Arrow of Light cubs and their parents to come do activities and get to know all of our district Scout Troop, Venturing Crew and Explorer Post options before crossover season begins. This is a great way for Cubs to get a first look at Scouting beyond their pack.

**Mark your calendars for November 15-16, 2025 at Camp La-No-Che.  
Get your Webelos and AOL Den Leaders involved!**

All packs are invited to start arriving Saturday morning. Webelos and AOLs can stay for the day but we're encouraging them to camp out for the night to get more time to understand the things they'll get to look forward to in every day Troop life. There will be scout led, hands on activity rotations for the Webelos and AOLs to do with the older scouts while adults will have a chance to speak to the scout leadership. After rotations, Webelos, AOLs and Scouts will have a chance to submit skits, songs or stories for the campfire program to the Webelos Woods HQ area. Plus, we're looking for Webelos and AOLs with a sweet tooth who would like to help us as Dessert Cookoff judges! The full schedule of events and Webelos Woods packet will be available soon.

Webelos Woods is being planned to educate, inform, and give a great experience building stronger relationships with local Troops, Crews and Posts. This event is being hosted by the district, so it is a **free** camping opportunity for you to attend.
