

## OPERATIONS

- Due to bear activity, please do not leave campsite trash unattended. For your safety, please deposit trash in the dumpster. Use bear boxes. (for food and smellables)
- Report facility repair request to [camplocal@camplanoche.com](mailto:camplocal@camplanoche.com) or report daily to Camp Admin Office. Meal service is provided in our Dining Hall. Please do not waste food; please have your Service Patrol clean table/floor.

## VEHICLES

To protect our camp and all Scouts and Scouters, we ask that all vehicles be parked in the Main Camp Parking Lot, Sports Field, or ATV Field.

## VALUABLES

The Leonard and Marjorie Williams Family Scout Reservation and Staff will not be responsible for camper or unit valuables while at camp.

## UNIFORMS

Units are free to make their own uniform expectations, usually a Cub Scout Pack T-Shirt. Campers must wear closed-toe shoes at all times.

## TRASH

All trash is your responsibility. Camp practices a Leave No Trace philosophy. We teach all Scouts to respect the outdoors and take care of our precious lands. Please keep in mind, trash (even trash in bags) will attract wildlife. In the evening and when you leave the camp at departure, please take your trash to the dumpsters at the exit of campsites 1-16 (behind Trading Post) and 17-25 (behind the camp offices) Thank you!

## FISHING

Fishing is only allowed at the Cheney Waterfront next to Campsite 20. We do not allow fishing at the Phillip Starr Waterfront (thats for boating).

## **GUEST SERVICES**

Guest Service Representatives are located at the camp office to assist with your visit. If you have any questions, campsite problems or other needs, please look for a Guest Service Representative or a Campmaster for assistance. You can also email **camplocal@camplanoche.com**. In addition, our Camp Rangers are always available to fix maintenance issues in your campsite or latrine. We are here to make sure you have a great outdoor experience.

## **LIGHTNING ALARM PLAN OF ACTION**

Florida is the lightning capital of the world and represents a hazard of which all should be made keenly aware. If inclement weather is forecasted, camp staff will monitor any approaching storms and will notify all staff to assist campers to seek appropriate shelter when necessary.

When lightning is eminent, appropriate shelter is any building that has 4 wall. Campsite activity shelters are safe shelters. PROGRAM PAVILIONS ARE NOT SAFE SHELTERS. When notified, please ensure that everyone in your group goes to one of the nearest building as instructed by staff and stays there until given all clear.

- W.T. Bland Dining Hall                      - Campsite Activity Shelter

## **CAMP WIDE EMERGENCY**

In the event there is a camp wide emergency a wailing (air raid) siren will sound. If you hear this siren, **everyone must** report to Seneff Plaza Flag Pole. Line up with your unit, take roll call, report to the Camp Commissioner that your unit is accounted for, and wait for further instructions from the Camp Staff. Everyone, youth and adults, must report to this designated area during a camp wide emergency alarm unless instructed otherwise by the camp staff. The entire camp will have an opportunity to practice these procedures during your stay at camp.

## **EVENING/OVERNIGHT EMERGENCIES**

Should you have an emergency overnight/after office hours, you must report it to the health lodge. This does several things, 1) the health officer can help and/or 2) health officer can open the gate for emergency vehicles if needed. If you call 911 use the green numbers (address) on the activity shelter with Boy Scout Rd. Paisley, FL 32767 to communicate with dispatch.

## **LOST CHILD**

If you get separated from you child(ren), please report to the Trading Post or Health Lodge and stay there. We will get information from you and get our staff to do the searching. This way we can reunite you when found.

## **SAFETY RULES**
