GREAT SCOTT!! Terrible things could happen to the space time continuum if Lake District can't help Doc and Marty find and fix their Flux Capacitor. Could you imagine your SPL or even your Scoutmaster disappearing into thin air? The Flux Capacitor has blown into the Movies and the pieces need to be recovered. Can you find all the pieces to generate 1.21 gigawatts and hit 88 MPH?

General Camporee Information

LOCATION:

The 2026 Lake District Spring Camporee will be held at Camp Rybolt which is located at 41940 Boy Scout Road, Paisley Florida 32767

RULES:

These rules are the general framework around which this camporee will be operated. A spirit of Scouting courtesy and brotherhood must prevail during the entire camporee if it is to be a success. At the camporee, as always, everyone's conduct is expected to be in accordance with the Scout Oath, the Scout Law, and the Outdoor Code. Troops or individuals that do not conform to this spirit may be asked to leave.

1. Troops will be required to register only the scouts that will be attending along with their Patrol Name.
2. Troops should arrive and depart in uniform. The Scout uniform is to be worn at campfire programs and Sunday Awards.
3. Campsites will be assigned at check in. Troop campsites have water nearby, no tables, or other improvements, so troops should bring a water supply. Scouts should be prepared to pack water as needed from the water supply for use.
4. The entrance gate will not be open before 4:00 p.m., Friday. Troops should not arrive before then. Campsites will already be assigned; therefore, it is not necessary to arrive early to "save a space." A map of the camp area will be available.

5. There will be an assigned, designated parking area. Vehicles are not allowed in the campsites. Troop gear may be dropped off. Troop trailers with Tow Vehicle may remain parked in each site.
6. Troops must plan to remove all garbage from the camporee area. Please bring an adequate supply of trash bags. Do not bury trash.
7. Safety and fire protection are the responsibility of everyone at the camporee. Fires may be limited due to Burn Ban. Be very careful with fires. Please no ground fires. Fires need to be elevated. Digging fire pits will not be permitted.
8. Troop 551, Lake District and Central Florida Council Volunteers will be responsible for all scoring.
9. Scoring of events will be based upon the number of patrols participating in each event. Example: if there are 10 patrols that participate in event #1, then 10 points are awarded for first place. The more patrols that participate, the more points that are awarded.
10. DO NOT CUT or otherwise injure live trees while at the camporee. Use of Deadfall is permitted.
11. Weather at this time of year is very unpredictable. BE PREPARED. Bring tents, rain gear, dining flies, and ground cloths. The camporee will not be called off because of rain (hurricanes are a different story).
12. Taps will be at 11:00 p.m. each evening at the camporee. Reveille will be at 6:00 a.m. Quiet hours are between those times. Activities such as cooking, setting up camp, and playing will not be permitted during quiet time. Units should plan to arrive at the camporee in ample time to have their campsites established by taps. Points will be deducted for any troop not adhering to these rules.
13. Visitors (other than registered participants) are welcome at the camporee. Visitors should sign in at the camporee headquarters. Visitors to a troop campsite must have the permission of an adult unit leader. Visitors are also welcome to attend the field events, and evening campfire.
14. Arrow of Light Cub Scouts may attend the fall camporee and may camp overnight as the guest of the Troop. The parents, however, must remain on the Cub Family Campout side as unregistered adults are not permitted to camp with the troop. If there is issue then the scout may return to the Cub Family Campout and overnight with family.

15. The Friday night campfire is intended to be informative to everyone in attendance. Attendance is required.
16. The Saturday night campfire is intended to be fun and entertaining. Each troop is expected to have their skit and song reviewed by SATURDAY SUPPER. All skits must conform to scouting standards and must be in good taste. The skits and songs will be performed at the campfire. There will also be an OA callout at the closing of campfire.
17. First Aid will be located at the Hill Valley Clock Tower (Troop 551 campsite)
18. **No alcohol is permitted**
19. Smoking is permitted in designated smoking areas only. There will be no smoking in view of scouts.
20. Scoring will be based upon the number of patrols competing. If 10 patrols compete, then first place is worth 10 points. If 20 patrols participate, then first place is worth 20 pts., etc. Each event will be scored separately. Highest total points will help in determining Camporee winner.

TROOP EVENTS

1. **Campsite Inspection**

Campsite inspections will take place during the event competition. For more on the campsite inspections, see the scoring guide.

2. **The "Oscar" Award**

This is the spirit award for the camporee. Troops will be judged on greatest scout spirit, participation, skills, and preparedness. Troops will be awarded spirit points for uniformity.

3. **Best "Movie Set" Gateway Award**

The gateway into each Troop Campsite will be judged for quality and creativity. The gate can be made no higher than 10 feet or longer than 15 feet. There is no limit to the number of poles you can use. You may use stakes but when you leave camp, the holes must be filled in.

4. **Buddy the Elf's Four Food Groups Challenge**

Cooking Challenge for the Camporee. You will be provided ingredients from the four food groups to complete the challenge. This will be a dessert challenge for Saturday evening. 1 submission per troop.

5. **ADULT/ SPL Competition**

Each unit will be required to have at least two Adult Leaders Participate in this Theatrical Challenge
