LIGHTNING ALARM PLAN OF ACTION

Florida is the lightning capital of the world and represents a hazard that all should be made keenly aware. This plan has been developed for the use of Scouts, called "Thor Guard" for the Dr. Phillips Park Area. The system senses lightning within a predetermined safety zone then sounds an alert.

PLEASE FOLLOW STAFF INSTRUCTIONS DURING A LIGHTNING ALERT RED

Alert Red

You will hear one fifteen (15) second blast of the air horns. This alarm means that lightning is close and you need to seek appropriate shelter where you should **remain until given the all clear signal**. Safe shelter locations include:

Locations

All Program Areas
All Campsites

Safe Shelters

W. T. Bland Dining Hall
Campsite Activity Shelters

All Clear

You will hear three (3), five (5) second blasts of the air horn. The area should now be considered safe and you may proceed but still be cautious of dangerous weather as it still may be near the camp.

Camp Wide Emergency

In the event there is a camp wide emergency a wailing (air raid) siren will sound. If you hear this siren, please proceed to the following: report to Seneff Plaza Flag Pole. Line up with your unit, take roll call, have your SPL report to the Camp Commissioner that your unit is accounted for, and wait for further instructions from the Camp Staff. Everyone, youth and adults, must report to the designated area during a camp wide emergency alarm unless instructed otherwise by the camp staff. The entire camp will have an opportunity to practice these procedures during your stay at camp.

VEHICLES

To protect our camp and all Scouts and Scouters, we ask that all vehicles be parked in the Main Camp Parking Lot. Vehicles will be allowed to transport gear to and from the campsite on the Sunday and Saturday. Units will be permitted to park their equipment trailer in their campsite. The trailer must be detached from the vehicle, and the hitch must be marked off. Units without a trailer are permitted one vehicle at the campsite with a parking pass (please see Commissioner at the Monday Leaders Meeting for a pass).

- Once a vehicle is parked it will remain unless there is an emergency.
- Golf carts will only be allowed in camp with approval by Camp Administration. All camp policies regarding golf carts and UTV's must be followed. No youth are permitted on golf carts without approval of the Camp Health Officer

SCOUTING AMERICA SMOKE-FREE POLICY

Boy Scouts of America policy is to provide a smoke-free environment for all Scouting participants. Therefore, you may smoke only in the designated adult break area behind the Trading Post. Thank you for your assistance!

UNIFORMS

We recommend the Field Uniform (Class A) for dinner. During the day units are free to make their own uniform expectations. However, all campers must wear closed-toe shoes at all times, and all men a shirt unless in an Aquatics Program. The only exception is that flip flops or sandals may be worn in the campsite when going to and from the shower.

WILDLIFE WARNING

- Animal information is on the bulletin board in each campsite
- Food must be stored properly in vehicle, trailer, or bear box
- Trash must be disposed of daily before dark due to wildlife.
- Bear boxes are provided in each campsite, please store food and smellables in them.

VALUABLES

- The Leonard and Marjorie Williams Family Scout Reservation and Staff will not be responsible for campers or units valuables while at camp.
- Use these tips to avoid any losses while at Summer Camp:
 - Advise Scouts to bring only a few valuables and lock trunks.
 - DO NOT carry large amounts of money around camp.
 - Never leave a Scout alone at the campsite.
 - Advise your Scouts to walk around others campsite.

LOST AND FOUND

- Valuables --> Main Camp Office
- All others at end of day --> Quartermaster Hut
(wet items in Aquatics will be left to dry and then sent up)

TROOP CHECK OUT

When you are ready to check out please follow these steps.

- All supplies should be returned to Quartermaster.
