Please have fun, but take care of yourselves and others. Prevent mishaps before they occur. Each leader and participant is asked to be observant for safety issues in the activity area surrounding them, and report or correct any concerns.
2. Participants are reminded, to use the Scout Oath, the Scout Law, and the Outdoor Code to guide behavior at all times.
3. The buddy system will be in place and enforced at all times.

6. **First Aid** will be located at HQ, and BSA regulations require **ALL** accidents, injuries, illnesses must be reported there.
7. 3 long blasts on the air horn will always mean seek shelter with your unit.
8. We are renting this facility, and as scouts, we are required to act in a scout-like manner.
 - a) Please clean up after yourself and do not leave debris on the ground in your camp site.
 - b) All campsites must be clean and well organized at all times.
 - c) Help keep our restrooms and porta lets clean.
 - d) If you see any trash, pick it up and put it where it belongs, whether it’s yours or not.
