

Tipisa Native American Weekend

Leaders Guide

March 6-8, 2020 • Camp La-No-Che

Welcome to Camp La-No-Che!

Scouts, Scouters, and Parents,

Welcome to the Tipisa Native American Weekend (TNAW)! We're looking forward to seeing you at Camp La-No-Che in March! TNAW is a weekend where Native American culture ties into activities with classic Scouting favorites in a "once in a lifetime" fashion. This year we will be adding a pioneer Village as a new program area to add to this all-inclusive event.

TNAW is open to all scouting groups both in and out of Central Florida Council. There are various activities for all ages. Don't forget to bring the entire unit and family for a weekend of great experiences of a unique culture.

The event fee is just \$30 dollars for this all-inclusive event that includes crafts, weapons, vendors, training, learning experiences and much more. There are various food options available or you can prepare your own food in your site.

Included in this guide is the information that will help you plan your weekend out and use to share with your entire unit. If you have any questions, feel free to reach out to the team below.

I look forward to bringing this great program to life in March as we, Central Florida Council and Tipisa Lodge, host the greatest AIA program in the Southern Region.
