

Link for SM Approval Form for a Merit Badge

Please send this form to your Scoutmaster so that he/she can use this link:

<https://247scouting.com/forms/form.php?OrgKey=BSA083&id=1328> to complete a form to grant approval for your participation in an online merit badge course provided by the Central Florida Council. While Scoutmaster approval is not technically REQUIRED ([see Guide to Advancement, pg 43](#)), it is important that your Scoutmaster knows what Scouts are working on so that he/she can help support you to the extent possible.

Each Merit Badge will be conducted online by a registered Merit Badge Counselor. Any requirements marked as COMPLETE on a Scout's merit badge application (blue card) will be confirmed through a variety of digital means by the Counselor and all participants will be held to a high standard.

Upon completion of the online sessions, your Scoutmaster will receive a copy of your blue card (whether complete or partial) and a file for upload to your advancement records on either Scoutbook or Troopmaster.

Please complete have your Scoutmaster complete this form prior to the start of the class for which you are registered. Thank you.
