

## Hello Cubmasters & Pack Committee Chairs!

We have some exciting information regarding Webelos Woods! Save the dates **January 8, 9, 10 - 2021**. This will be our first **“NO FEE”** camping event, which includes Camping, Activities, and a Special Edition Event Patch! Please note that participants will be required to provide their own food, Camping equipment, and personal Camp Chairs.

The theme is **“Trailhead to Scouting Adventure”** with a flare of National Parks appreciation. We will be running the program at the Wickham Park Youth Camping area. There will be a registration link and Leader Guide posted on the district website.

All units **MUST** pre-register and space is limited!!!

We will be Covid-19 conscience for the entire event. It is imperative that we know how many people to expect. Please email me your answers to the questions below.

Webelos Woods is a chance for the Webelos to learn Scout skills taught by Scouts BSA Scouts & Scouters. While walking the “Troop Trail”, you will meet many of the Riverside Scouts BSA Troops and see the great things they do.

- How many active Webelos Scouts do you have in your Pack?
- How many Scouts do you anticipate attending?
- How many tents do you expect to have in your site? Please include any extra structures like dining shelter. Please include sizes of extra shelters.
- When is your Crossover?
- Would your Pack be interested in participating in a District Crossover in the future?

In Scouting Spirit,

Tina Vajanyi
