The distribution of these tickets will be at the Scoutmaster and SPL meeting on Friday night. Please be sure to send representation from your unit to this meeting. Distribution priority will go to the youth first.

Swim Checks

Pre-Camp swim checks are allowed! If you have documentation of a swim check done within the last year and the certification of a Lifeguard or Aquatics Supervisor, please bring it in person to a member of the Aquatics Team. Swim Checks will be done on site Friday 6:00-9:00PM. One unit is allowed per section of the pavilion. Please meet a member of the Aquatics Team at the front of the Aquatics Center and they will direct you where to go from there.

Check-in Procedure

The check in procedure begins with our COVID-19 Screening. Please be sure to print and fill out the necessary documents found as an attachment on the registration page and have them ready at the first check point before entering camp.

These papers will be collected, your temperature will be checked and the appropriate wristband will be given prior to entering main camp. The next checkpoint will be where your registration will be verified, and you will be given your campsite and parking assignment. You will then proceed to that campsite to unload your gear. Please then return your vehicle to your assigned parking area as per the Lake County Fire Marshall, parking in the campsites is prohibited.

Campsites

Camp maintenance policy is that camp tents are used only at Summer Camp. Participants will need to bring their own tent & sleeping gear. **Please note:** campsite assignments will be done in such a way that all participants from the same unit will be in the same site. In some cases, you may be sharing the site with another unit.

Parking

All vehicles must be parked in designated areas only. No vehicles, except emergency equipment and appointed staff, are allowed in camping areas without the consent of Camp Staff. All other vehicles must be parked in your assigned parking area – main parking, the sports field or the ATV field. One Unit Trailer may be left at the campsite, provided that the trailer hitch is properly flagged for safety and the vehicle is parked in your assigned parking area.
