WEBELOS WOODS 2023

Safety & Conduct

1. **“Safety First”** is the most important concern. All participants are asked to be mindful that excessive roughhousing and careless behavior can lead to accidents and even injury. Please have fun, but take care of yourselves and others. Prevent mishaps before they occur. Each leader and participant is asked to be observant for safety issues in the activity area surrounding them, and report or correct any concerns.
2. Participants are reminded, to use the Scout Oath, the Scout Law, and the Outdoor Code to guide behavior at all times.
3. The buddy system will be in place and enforced at all times.
4. **NO Alcoholic beverages** are to be consumed by anyone related to the Webelos Woods at any time during this event. Period. Offenders will be asked to leave.
5. **Smoking** is permitted only in designated areas (e-cigs are included). No cigarette butts are to be left on the ground. There shall be no smoking or vaping in front of the scouts.
6. **First Aid** will be located at HQ, and BSA regulations require **ALL** accidents, injuries, illnesses must be reported there.
7. 3 long blasts on the air horn will always mean seek shelter with your unit.
8. We are renting this facility, and as scouts, we are required to act in a scout-like manner.
 - a) Please clean up after yourself and do not leave debris on the ground in your camp site.
 - b) All campsites must be clean and well organized at all times.
 - c) Help keep our restrooms and port-a-lets clean.
 - d) If you see any trash, pick it up and put it where it belongs, whether it’s yours or not.
9. One final note about behavior. We will be under watchful eyes by Adult Leaders. How we behave reflects on Timuqua District and all of scouting.
10. Parents and leaders follow the same safety rules as the scouts.
11. Most of all, **MOMS (and DADS)** do not work here! Let your scouts do it themselves!

SAFETY PROTOCOL IN A COVID WORLD

Everyone wants to have a **SAFE**, fun and productive weekend.
Join us in observing CDC and Camp La-No-Che (CFC) Guidance.

Expectations:

We expect each unit and scouter to use the Pre-Event Screening Form from Camp if required at the time camp takes place.

La-No-Che (see attached) before arriving at Webelos Woods.

You can expect hand washing stations near the lavatories.

You can expect Sanitation Supplies to be on hand and available for use. We will also have a Sanitation Team working the weekend on a rotational basis.

Rybolt Field at Camp La No Che is a sizeable property. We expect that units, scouts and scouters to always respect each other, be responsible and allow for space between unit campsites. Safety is a shared responsibility. Our expectations are for all in attendance to follow the guidance of Council, federal, state and local authorities for the safety of all.

A Scout is Clean. We expect everyone to keep their campsite clean, observe the 'Outdoor Code' and follow the principles of 'Leave No Trace'.

No special accommodations can be made for Campers considered as a higher risk for COVID-19. We will all strive to minimize the possibility of anyone contracting COVID-19, but even with all the safety protocols in place, no one can make that kind of guarantee. We expect all in attendance to use common sense and conduct themselves in the manner that reflects their Scout Spirit.

We anticipate great fun and fellowship. Let us all stay safe as we enjoy this "Last Great Adventure".
