

COOK-O-REE 2022

September 23 - 25, 2022

Host Troop

Troop 281

Palm Coast

Welcome to the Timuqua District's Fall 2022 Camporee. This year we've turned the Camporee into a COOKoree. It's a way to challenge our troops to go beyond the hotdogs and hamburgers and see how cooking at camp can be fun.

We want the youth and adults alike to have an enjoyable time while attending our Cook-O-Ree. Please remember to be safe around your campsite as we will have fire, sharp objects, and the ever-present danger of food-borne illnesses all around us! We encourage adults to advise, but please, leave the "heavy-lifting" to the scouts! **As a reminder, we will abide by the Scout Oath and Scout Law (and the Guide to Safe Scouting).**

Please ensure you read this entire Leader's Guide. The most successful troops at this event will have thoroughly read and attained a complete understanding of all sections covered in this Leader's Guide. We hope this guide will enhance your troop's experience.

An event of this size takes dedication and hard work on the part of many exceptional volunteers. We have been blessed to work with a great committee, that shares a commitment to the BSA program. A huge "Thank you" to each person for sharing their time and passion with our fellow scouts.

Finally, we especially want to say THANK YOU for attending this year's Fall Camporee and allowing your scouts to enjoy the fun and activities that we have prepared.

Welcome to the Fall 2022 COOKoree!

Morning Competition

- Flapjack Relay:
 - Each patrol needs to build a fire and cook a pancake.
 - The pan is run to one end of the area, and the pancake is put on a plate.
 - The plate is run to the other end of the area, and syrup is put on the pancake.
 - Then plate back again, and PL eats the pancake.
 - This is a timed event. Score based on the total time, relative to other patrols.

Morning Stations

- Station 1:
 - Utensil-less Cooking:
 - Give the patrol an egg.
 - They must cook it without using commercial utensils (i.e. pots, mess kits, etc).
 - Scoring:
 - Award 1-10 points for method, teamwork, and knowledge.
 - Bonus 2 points if they eat the egg.
- Station 2:
 - Grocery Store:
 - Your patrol has planned a dinner. Using the supermarket flyers, and whatever knowledge you may have of food prices, figure out how much it will cost for a patrol of 8 Scouts.

- Your aim is to feed the 8 Scouts for the least possible money.
- Your score will depend on how cheaply you can feed your patrol, compared to the other patrols, and how well your patrol worked together to make up the grocery list.
- **Station 3:**
 - Cooking First Aid
 - Patrol must deal with cooking-related first-aid situations
 - i.e. Sliced finger, hot sauce in eyes, severe grease burn, internal poisoning, allergic reaction
- **Station 4:**
 - Ingredients Kim's Game
 - Patrols get two minutes to look at a (large) display of food ingredients.
 - Then they must list everything they can remember.
 - A point is awarded for each correct item listed, and a point is taken away for each incorrect item
- **Station 5:**
 - What's That Spice?
 - Patrols are given a list of spices (not all spices will be tasted)
 - Patrol representatives will taste spices.
 - A point is awarded for each correct spice identified
