

SAW 2026 -Instructions for the NEW Black Pug Reservation System

Customers have access to the orange support tab in the lower right-hand corner as shown below. If they click on that tab, it expands to a list of tutorial videos that they can select (and there's a search feature as well):

The first screenshot shows the 'Scouting Advancement Weekend (SAW)' event page for the Gulf Stream Council. The page includes event details, a 'When & Where' section for 'Camp Tanah Keeta' (Friday 11-20-2026 5:00 PM ET to Sunday 11-22-2026 11:00 AM ET), and a 'Register (draft)' button. A green arrow points to an orange 'Support' tab in the bottom right corner. The second screenshot shows the 'Support' tab expanded, displaying a 'Filter Videos' search bar and a list of tutorial videos. A green arrow points to the 'Support' tab, and a red box highlights the video list. The videos include 'Starting A Registration', 'My Account - Part 1', 'My Account - Part 2', and 'Parent Portal - Parents Guide'.

You can find a complete list of video tutorials that pertain to the Scouting Event linked in the Tutorials Board through access to the orange support tab in the lower right-hand corner.

Tutorials Board – Look for: My Account Basics

Tutorials Board – Look for: My Account: Council Created Roster

Tutorials Board – Look for: Event Registrations

Tutorials Board – Look for: Registering for Classes
