Dear Scouts and Scouters,

On behalf of the Greater Tampa Bay Area Council, we WELCOME you to the 2nd round of ***The Flight of the Thunderbird*** - District Scouts Festival. This Festival has been designed to accomplish 3 main facets of Scouting namely:

1. Scouts Skills >> Fun Competitions
2. Scouts Recruiting >> Buddy Invites opportunity
3. Scouts Training >> Merit Badge Qualifiers

The festival will be an awesome opportunity for youth in your Units to connect with other Scouts, Venturers, and Sea Scouts from across the council to gather in friendship and fellowship in a safe and fun environment. There will be activities for the adults to participate and compete as well (but of course youth first). It will be a nice and comfortable environment to connect with like minded volunteers involved in various levels of service through the Scouting programs.

The purpose of the Festival is to showcase all the fun and adventurous activities that the Youth can partake in, by being registered within the various programs offered. This will be an opportunity for the different units to recruit new youth members using the high energy environment at the event.

The following pages of this Leaders Guide will include everything you and your Units need to know about this festival, including scheduling to logistical details. If we missed out any details please feel free to contact us via email or the Facebook page.

We look forward to seeing each of you and your Units with as many Scouts and “**Scout’s Buddy**” at ***Flaming Arrow Scout Reservation*** on **Jan 10-12, 2025** to make this a monumental event !!

Sincerely

Serving through Scouting,

Team - Flight of the Thunderbird

General Recommendations

Based on feedback from the 2023 event, in the interest of time, we are letting the adults run the events for the Youth, in order to maximize the effectiveness of the event FOR the Youth. It is highly recommended that Adults take charge of the Lunch/ Dinner at the campsites on Saturday, so the youth can make the best use of their time at the activities and explore as much as they can.

Check-In Procedures

1. Units will be allowed to check in starting at 5:00pm on Friday.
2. The parking lot will be open at 4:30pm on Friday. No participants will be allowed to enter camp though until 4:30pm. The unit leader or unit representatives need to check in first to verify roster information.
3. All Unit leaders must check in with the event staff at the Check-in station in the parking lot/ Saunders.
4. Unit leaders to ensure they have the following forms up to date for all the participants:
 - a. Current YPT certificates for participating adults
 - b. Med forms A/B1/B2 for all participants
 - c. Swim test certificates for all participants partaking in aquatic events
 - d. List of invitees expected as "Scout Buddy"
 - e. Completed Youth application (no payment necessary) for each Buddy. Form can be downloaded from <https://filestore.scouting.org/filestore/pdf/524-406.pdf>
5. Unit leaders make sure to collect the following items during **Check-IN**
 - a. Event Wristbands for each Registered participant
 - b. Event T-shirt/ swag as ordered by your Units.
 - c. Event Round robin list (additional details to be provided at Leaders meeting)
 - d. Camp Assignment, Camp Map etc.
6. No personal vehicles will be allowed into camp after 9:00pm for safety reasons. Arrivals after 9:00pm will have gear taken to camp using special transfer methods.
7. Participants will be given a map of the Camp and a window sign that needs to be placed on the front dash of the vehicle with the contact information of the vehicle driver.
8. Remember that multiple units could be sharing a site, so be courteous when setting up.

Check-Out Procedures

1. Clean up campsites and bathhouses in your respective areas, make sure all lights/ fans/ water faucets are turned off and secured.
2. All trash should be bagged, and placed at the entrance to the campsite for pickup by camp staff.
3. LEAVE NO TRACE—all sites should be left in better shape than you found them.
4. Staff members will check the site for any damage and report it to the camp master.
5. Unit leaders collect the following items from the Checkout station **AFTER** the awards ceremony and after cleanup.
 - a. Event Patch for all registered participants
 - b. Any missing swag items
6. All units should be cleared from Camp by 12:00pm on Sunday.

Scout Skills Competitions

There will be a whole lot of activities planned out for the Youth and their “Non BSA-Registered Buddys” to enjoy. The activities have been broken down into 5 different Treks. Units/ Individuals can pick what Treks they want to choose in the order and time slots will be allotted for each, so the youth can participate at least once in the following key areas: **Team building**, Water Sports, High adventure activity and Shooting sports. Every Event area will be manned by 2 staff members. Staff will also be on their own round robins to keep things more interesting.

Rules of the game :

1. Most events will be scored on an individual Scouts basis.
2. Scout Buddy’s points will be **Added** to the Scout’s points.
3. Scouts will be recognized individually for 1st and 2nd place for most of the events.
4. **Overall Trophy** for 1st and 2nd place will be awarded to the Unit with Most Points (Average)
5. The 1st place **Overall Trophy** will be the property of Thunderbird District and will be circulated every year to the New Champions.
6. Only one score from an event can be used per scout towards the totals.

Convenient Round Robin schedules have been made for every participating unit such that everyone gets a fair chance at every event being offered. Lots of events have been left as **Open** meaning those events are Open for anyone throughout the schedule. Lunch/ Dinner/ Cracker barrel times have also been included in the schedule. Food arrangements have to be handled as per the directions given under “Food Accommodations” section of the Leaders Guide.

The activities and events being offered have been grouped into 5 different Treks. While there is no added advantage of one Trek over the other, everyone registering is required to pick 1 of the 5 Treks available at the time of Registration to secure their time slots for each of the activities. This has been done in order to distribute the crowds in an organized manner. The detailed Round Robin schedule for the different treks is attached as a separate PDF document available for download. Please download the Round Robin schedule and share it with your units so all the participating Youth and Adults are aware of where they need to be based on the Trek chosen at the time of Registration. Availability will be on a first come first served basis within the Treks.

Treks include :

- Acadia Trek**
- Denali Trek**
- Glacier Trek**
- Rocky Trek**
- Smoky Trek**

A copy of The **Event Round Robin schedule** based on the Treks chosen at registration will be provided to Unit leaders/ SPL on Friday night leaders meeting. A downloadable copy of the same will be available on the Event Facebook page for planning purposes.

Scouts Buddy Invites (Only Saturday Jan 11th - 8:00am - 10:00pm)

The idea of the *Scouts Buddy Invites* is to give the Youth a chance to invite their friends and family for FREE to see what Scouting is all about. Every registered Scout youth can bring ONE Buddy for FREE to the event. This will be a recruiting opportunity for the units to bring on their potential recruits and demonstrate in a high energy environment how Scouting is a program providing safe haven for the youth to train and learn life skills and have fun all at the same time.

1. Scout Buddy is any non-Scouts registered, eligible youth within the age group of 11-20.

This way they can practically demonstrate to their buddy how to earn a Merit Badge by finishing the qualifiers. Registered Merit Badge Counselors will be available on site to sign off the completion.
