

Prerequisites, Post-Requisites, And Other Class Instructions

(Updated 11/2/25)

Scouts attending the Merit Badge Academy should bring:

- (1) The merit badge worksheet for the badges taken available at <http://usscouts.org/usscouts/mb/worksheets/list.asp>. Many instructors will specifically use this worksheet in the class. **Please note unfortunately that most worksheets have not been updated for any 2025 requirements changes.** Scouts should compare the worksheet with the latest requirements before completing any prerequisites.
- (2) Scouts are encouraged to download the merit badge book for their class and review relevant information. All books can now be downloaded in PDF for free from Scouting America. Go to [All Merit Badges A-Z | Scouting America](#), select your badge, and find the link for the book download. The books will have the latest requirements.
- (3) Extra paper and pens/pencil
- (4) Proof of completion of any prerequisites. Many classes have requirements that must be completed after the class. Instructors will provide a path toward completion of these.

Class-specific prerequisites/post-requisites and other instructions are listed below.

All prerequisites are subject to change as necessary.
