GREATER TAMPA BAY AREA COUNCIL

PRESENTS

NATIONAL YOUTH LEADERSHIP TRAINING

December 26-31, 2018

Sand Hill Scout Reservation Brooksville, FL

National Youth Leadership Training (NYLT) is an exciting, action-packed program designed for councils to provide youth members with leadership skills and experience they can use in their home troops, crews, or ships and in other situations demanding leadership of self and others.

The NYLT course centers around the concepts of what a leader must BE, what he or she must KNOW, and what he or she must DO. The key elements are then taught with a clear focus on HOW TO. The skills come alive during the week as the Scouts go on a Quest for the Meaning of Leadership. NYLT is a coed six-day course, staffed primarily by NYLT alumni.

Classes are held in an outdoor setting with an emphasis on immediate application of learning in a fun environment. Interconnecting concepts and work processes are introduced early, built upon, and aided by the use of memory aides, which allow participants to understand and employ the leadership skills much faster. Please note: the BSA-created curriculum includes a realistic simulation of a first aid event. Scouts should Be Prepared to learn how to provide aid in a real-life situation.

Each activity has expenses that are incurred according to advance registration numbers. If a registered participant cancels at the last minute, these expenses will still be incurred, unless a replacement can be registered. Early event registration is beneficial for planning purposes, and a non-refund policy only discourages this. Early cancellations also allow for ordering adjustments or registration from a waiting list. Some activities such as summer camp and high adventure activities require a longer lead time and refund policies for these activities will be specified in their registration information. Unless otherwise specified, all requests for activity registration refunds need to be in writing and received in the council service center at least fourteen (14) days prior to the activity. A twenty percent (20%) service charge will be assessed, unless the registration fees are being transferred to another activity in the same calendar year. Requests for refunds received less than fourteen (14) days prior to the activity will be considered for the following reasons only: *Personal illness of registered participant *A family emergency preventing attendance. The same 20% service charge will apply. If unable to notify us within the 14 day period, these types of refund requests will be granted an extra seven (7) days following the completion of the activity. Again, they must be made in writing and submitted to the council service center. After that time, the activity accounts will be closed and no more refunds will be given. All cancellations must be in writing and emailed to catherine.ardes@scouting.org
