WHAT IS A SEA SCOUT REGATTA?

A Sea Scout Regatta IS FOR YOU ...

If you are a registered Venturing or Sea Scout youth, or a registered adult advisor, looking for some extraordinary challenges.

A Sea Scout Regatta IS FUN ...

But only if you are at the event, on the land, on the boat, on the water, and *in-on-the-action*.

A Sea Scout Regatta IS FOR NEWBEES ...

Because everyone at the regatta will be confronted with meeting new experiences, people, and challenges.

A Sea Scout Regatta IS FOR OLD-SALTS ...

Because 'Old-salts' will be meeting new challenges, and new people, while passing-on their hard-won wisdom to others.

A Sea Scout Regatta IS AN OPPORTUNITY ...

To gain practical experience:

- In boat handling, boat knowledge, and boat safety
- With crew comradeship, and unit team-building
- Around District and Council fellowship, food and competition.

THIS Sea Scout Regatta IS FOR YOU

If you are actively or passively working towards your Venturing advancement and/or the Ordinary Sea Scout rank, or just looking for fun as a scouting youth or adult.

HERE IS WHAT YOU CAN EXPECT!

Two tacks will be executed during the regatta so prior knowledge and skills are not necessary to level the decks:

- ⇒ ***A Venturing Tack*** ... that allows Venturing Crews to participate and compete against other Venturing Crews.
- ⇒ ***A Sea Scout Tack*** ... that allows Ships to participate and compete against other Ships.
- ⇒ ***Separate Awards for Each Tack*** ... Includes a WCFC Engraved trophy for the Council office, and a "take home" trophy for 1st, 2nd, and 3rd place units from each tack. Ribbon awards for individual events down to 6th place are also presented during Sundays awards lunch.
- ⇒ ***In-the-boats & On-the-water*** ... races with weather permitting two types of sailboats, including single-sail class (Sunfish), multi-sail class (Catalina 16 racing dinghies). Each event designed to introduce and provide practical experience on-the-water and in-the-boat. And then too, there is the cherished "Dink-Tug-O-War"!
- ⇒ ***Sample Action-based Land Events*** ... that are designed to gain practical experience toward the requirements for the Venturing Sea Scout Bar and/or the Ordinary Sea Scout rank, such as these:
 - ***Flakey Rags***— Sail Folding
 - ***Head in the Clouds*** — Weather
 - ***Power Aid*** — First Aid preparedness
 - ***Stand on Relativity*** — Relative bearings and Rules of the Road
 - ***Knots Beyond*** — Specialty knots, bends & hitches
 - ***You Can't Get There from Here*** — Charts and Navigation
 - ***Yawl Ketch This*** — Vessel identification
 - ***Bilge Action*** — Emergency troubleshooting and repairs
 - ***Flotsam & Jetsam*** — Maritime Best Management Practices
 - ***Jockey-Doc*** — Vessel management docking skills
- ⇒ ***Bring Your Own Appetite*** ... all meals from Saturday through Sunday noon will be prepared and provided to give you maximum time with the fun and friendship.
- ⇒ ***An Evening that will have you "Chillin'"*** ... staff's choice pot-pourri extravaganza along with socializing and relaxation.
- ⇒ ***Overnight Berthing?*** ... Why not if you have not tried it!
