## INTRODUCTION

This Leaders Guide contains the information your Pack will require to have a successful and fun time at this year's Cub Scout Camp-O-Ree event. Be sure to read all the information carefully as we expect all participants to act in accordance with the best of our Scouting traditions. If we need to make any changes, the pack Representatives will be notified in advance of any changes. The Cub Scout Camp-O-Ree has traditionally been a family event. Its focus on the Scout and his family celebrating the beginning of fall in a fun and exciting way while the scout learns the fundamentals of "Do Your Best". We expect all leaders and parents to supervise their Scouts and siblings maintaining safety and discipline at all times.

## PACK REPRESENTATIVE

Registration will be available on the council website; links will also be posted on district websites and Facebook pages. Packs need to register as units only, in the event a unit does not wish to register but a scout family would like to attend they can be added to another unit's roster and registered that way. If this option is not available please contact Mandi Harmon at 352-585-0899. Please ensure an e-mail address is included on the roster so the assigned Pack contact for Cub Scout Camp-O-Ree can get all necessary information.
