

**STATEMENT FROM THE LODGE KEY 3  
September 7, 2018  
YOUTH PROTECTION TRAINING**

On August 28, 2018, the Lodge Adviser reminded all adult (18 years old and above) Brothers of the requirement for all of them to complete the new Boy Scouts of America's Youth Protection training by October 1, 2018. This statement provides guidance concerning the specific implementation within Uh-To-Yeh-Hut-Tee Lodge.

- 1. Effective October 2, 2018, any Lodge or Chapter officer over the age of 18 years who has not completed the new youth protection training will be suspended from office until notification of completion is provided to the Lodge Chief.**
- 2. Effective October 2, 2018, any adult holding any adviser position within the Lodge or any Chapter who has not completed the new youth protection training will be suspended from office until notification of completion is provided to the Lodge Adviser.**
- 3. There will be NO EXCEPTIONS to this Guidance.**

The following procedures will be implemented during the October 12-14, 2018, Fall Conclave at Sand Hill Scout Reservation:

- 1. All Brothers 18 years and over must provide proof of youth protection training completion when signing in at the Registration desk. We will try to get an updated printout of training completion; however, we advise all Brothers to bring a copy of your completion certificate with you to the event. Brother Gene McColgan will be checking for this verification along with his normal medical paperwork check.**
- 2. Any Brother who cannot provide proof of completion will be required to attend the in-person Youth Protection Training that will be conducted on Friday evening. Failure to complete this in-person training will result in the Brother be directed to leave the Conclave.**
- 3. There will be NO EXCEPTIONS to this Guidance.**

We are members of Scouting's Honor Society and should be setting the example for all our peers, whether they are in the Order or not.
