Could your unit use \$530 in free money?

That's right!! If you are a new unit to the **2022 Fall Popcorn Sale**, your unit receives **\$530 in free product to sell**. This no risk council fundraiser is a great way for your unit to raise the necessary funds for the Scouting year.

Give it a try! Have questions? Feel free to contact your District Leadership.

Rules for participation: This opportunity is only available to the units that did **NOT** sell popcorn in 2021. Units **MUST** attend the August 6, 2022 Popcorn Training. Units **MUST** participate in the Council Prize program. Units **MUST** sign up for a storefront shift and sell use the provided technology.
