Dining Steward Team - Serving & Cleaning Help	<--X-->	<--X-->	<--X-->	
Conservation Project Assistants - 2nd Adult & Leadership Help	<--X-->	<--X-->	<--X-->	
NOTES				

* Certified Angling Instructor and Outdoor Ethics/Leave No Trace Training have their own schedules. CAI training will take the entire weekend, including time outside of class sessions. Outdoor Ethics will take all three class sessions.

* Catch, Clean, and Cook a Fish does not have guaranteed success. There will be opportunities outside of the sessions on Friday night at the Fishing area to give Scouts more time to catch a fish, clean and cook a fish.

* Conservation Service Projects are all ages. Adults registered for projects are expected to provide leadership assistance while participating.
