PROGRAM OVERVIEW

SPOOKY-REE FAMILY CAMP 2026

This is an outline of what we expect to offer for the program at Spooky-Ree Family Camp 2026. This overview is subject to change to accommodate staffing needs, resources, weather, and so on. Any changes that are made will be communicated at check-in and at the Friday night parent meeting.

COME AND GO FUN

Spooky-Ree is designed for open, self-paced fun, for the whole family.. There are no requirements to complete and no sign-offs needed. Scouts and their families are free to visit as many stations as they'd like, in any order, during the morning and afternoon program blocks.

Stations are staffed and ready to go, with no pre-registration or sign-up needed for any activity. Some stations, like Webelos Woods and the ranges, may ask for parent help depending on group size, so we ask all adults to be ready to jump in if needed.

Families are encouraged to explore together. Younger siblings are welcome at nearly every station, and many crafts and games are designed for the whole family to enjoy side by side, not just the Scout.

The full station list and locations can be found on the Adventures pages and the camp map in this guide, and the program schedule will also be reviewed at the Friday night parent and unit leader meeting.

CAMP FOR THE WEEKEND OR COME FOR THE DAY

Spooky-Ree is flexible for however your family wants to experience it. Families are welcome to camp the entire weekend, arriving Friday night and stay through Sunday morning, join us for just Saturday night, or simply come out for the day on Saturday to enjoy the program without camping overnight. However you choose to join us, we're glad to have you.

RAIN PLAN

The program will continue if it rains. Most of our program areas are located under shelter. Participants are encouraged to bring rain gear with them.
