Prepared. For Life.®

EVERY HOUR AN OPPORTUNITY, EVERY DAY AN ADVENTURE

At Woodruff Scout Camp, Scouts spend mornings earning Merit Badges at the waterfront, nature center, shooting ranges, and the Mountaineer program for first-year Scouts. Afternoons bring adventures like rafting, mountain biking, archery, or more Merit Badges. Evenings close with traditions such as campfires, STEM After Dark, Folkfest, flag ceremonies, and spoof badges—ending each day with unforgettable memories.

Aquatics

Cool off at Woodruff's amazing waterfront, where adventure awaits! Enjoy activities like swimming, water skiing, motor boating, kayaking, canoeing, sailing, eight-person stand-up paddleboarding, the Blob, and Beaver Shark Park—our exciting aquatics obstacle course. You'll never run out of fun!

Kendall Crossing

Don't miss this immersive Appalachian program in Woodruff's backcountry. Throwing axes, shoot slingshots, learn branding, blacksmithing, and more in this unique experience in our newly built forge and woodworking pavilion.

Exceptional Dining Experience

Meals at Woodruff Dining Hall and Lunch Spots throughout camp for the convenience of Scouts and leaders, are all-you-can-eat. Menus are crafted based on camper favorites, dietary preferences, and input from dietitians to ensure a top-tier dining experience that satisfies every hungry Scout and leader.

First-Year Scouts: Mountaineering

The Woodruff staff is dedicated to a quality First Year Scout program that makes Scouts want to return. The Mountaineer Program combines fun and learning during two morning activity periods, while leaving time for merit badges and open afternoons with their troop.

Super Activities

Each day at Woodruff brings fun super activities. Scouts explore Nature at Night and STEM After Dark, take part in the Spoof Merit Badge, enjoy a movie under the stars, and celebrate OA with patch trading. Other highlights include the Polar Bear Plunge, a moving Flag Retirement Ceremony, the Leader Steak Dinner, the Appalachian Folk Fest, and open boating on the lake.

Woodruff offers six advanced programs for Scouts who are looking to get a little more out of summer camp, with unique week long experiences that focus on their interests.
