## Camp Thunder

### Leader's, Parents and Scouts:

I am excited to have you as part of our summer program at Camp Thunder! I am the new camp director for Thunder this year, and I am excited to see all the adventures we will have this season.

This guide contains important information regarding our philosophy of how a camp should operate and your stay at Camp Thunder. It is designed for adult leaders, parents, and scouts. Please review this guide cover to cover. If you have any questions, please reach out to us via phone or email. We are happy to help.

At Lawhorn, we have a broad range of programs and activities all on one property, Lawhorn Scouting Base. Lawhorn is comprised of two sub camps, Camp Thunder and Flint River Adventure Area. Camp Thunder hosts traditional scouting programs, while Flint River Adventure Area hosts high adventure opportunities. Our buses will shuttle your scouts between the two areas.

Please use this guide along with the class scheduling tools available on our registration page to prepare for a great visit to Thunder.

We look forward to your visit to Camp Thunder during the 2024 season. Please do not hesitate to contact me for any reason; I am here to serve! Adventure awaits at Camp Thunder!

Yours In Scouting,

**Wyatt Goldman**

Camp Director

# SCHEDULING

Camp Thunder programs are split into three blocks of time: morning, afternoon, and evening. Each block provides a different type of program experience for Scouts making their week at Thunder productive for advancement as well as fun!

BREAK FAST	1	2	3	4	LUNCH	5	6	DINNER	7
	MORNING					AFTERNOON			EVENING

## MORNING | 1 - 4 | ADVANCEMENT

Mornings are dedicated to advancement through our comprehensive offering of many different merit badges and our Buckskin First Year Scout Program. For older Scouts, the Whitewater Challenge off property experience gives scouts the opportunity for new experiences every summer at Thunder.

Note that some morning programs require two, three or even all four morning program blocks.

## AFTERNOON | 5 & 6 | OPEN TIME

Scout camp is a time for Scouts to have FUN and experience all that Scouting offers. Our afternoon program is designed for Scouts to engage in programs that they find attractive without the structure of pre-registration for most programs. Advancement opportunities are still there. Scouts may “drop in” to work on select merit badges in many program areas. Check the schedule for your week at camp for details. Many merit badges require work outside of the morning program. Head to the ranges to work on shooting qualification or use free time to complete those more difficult merit badges. Afternoons are also for our off-site adventures: whitewater rafting or a trip across the zip line. Program areas are also available to scouts that do not have classes in those areas. Take an afternoon to take a few shots on the range or enjoy a cool dip during open swim.

## EVENING | 7 | TROOP & PATROL TIME

After dinner, many program areas are open just like in the afternoon. Scouts can head to their favorite area or try something new. From opening and closing campfires to the Flag Retirement Ceremony, there are many activities your troop will want to attend as a troop. This is a time for social interaction and relaxation. Join us for movie night on the outdoor screen or Ice Cream social night or tie dye a shirt! There are many opportunities to engage or observe.

Our staff will also be available after opening campfire Sunday to help with last minute changes.

# Camp Thunder

## CAMP THUNDER PROGRAM

While at camp, Scouts will experience our program lead by a trained summer camp staff. Scouts can choose from a variety of merit badge courses and high adventure activities and customize their week of fun.

### Merit Badge Courses

Scouts should begin planning for their merit badge courses many weeks before coming to camp. Many merit badges take a lot of work both in and out of camp. We are eager to work with your scout on their completion of merit badge requirements. However, we abide by the BSA policy on requirements; we will not amend a requirement. A scout who comes to camp and is registered in a class will not automatically complete the merit badge. A scout's individual effort and responsibility are the predominate factor in whether or not they complete the requirement. Your scouts may be assigned homework to do in their campsites each night. It is recommended that scouts have a current merit badge book for each course they are taking. Supplies are available in our Trading Post.

### Opportunities for Older Scouts

Each week Scouts can choose different High Adventure activities to include in their schedule. These can include: COPE, Climbing, Flint River Challenge, Rifle, and Shotgun merit badge. These are great opportunities for older scouts!

### Buckskin– First Year Scout Program

Buckskin has been designed to give first year Scouts the greatest opportunity to learn basic scout skills. The Scouts will work on Trail to First Class requirements. This program is offered for two periods during the morning MB schedule. Scouts will be able to choose 3rd and 4th period classes in addition to Buckskin and to participate in afternoon open time and evening troop and patrol activities. Second year Scouts who have significant work remaining on their Trail to First Class will benefit from the program. They will be encouraged to develop leadership and teaching skills during those times that a skill is being taught that they have already mastered.

Buckskin participants will have the opportunity to complete the Second Class requirement for the 5-mile hike during the afternoon open time on Tuesday. Other scouts and leaders are welcome to participate in this hike as well.

### Buckskin Overnight Campout

On Wednesday evening Scouts in Buckskin will camp overnight in their program area. They will set up a tent, cook their own dinner and work on rank requirements. Scouts participating in this overnight camp out should not be scheduled for waiter duty at Wednesday dinner. (Note: This night may change due to weather.)

### What to bring to Buckskin :

- Scouts BSA Handbook
- Compass
- Notebook/Pad
- Sleeping Bag/Sleeping Mat
- Personal First Aid Kit
- Water Bottle
- Pen/Pencil
- Swim Suit

## COURSE GUIDE

The next few pages contain information on our camp program for 2024. Our curriculum has been developed through a unique collaboration of Scoutmasters, summer camp staff, and our council's camping and advancement committees. We are proud of the variety of programs offered. Every one of your scouts will find something for them.

Many of our programs have age-appropriate suggestions and some have required minimum ages. We encourage you to use these guidelines when scouts are creating their class schedules.

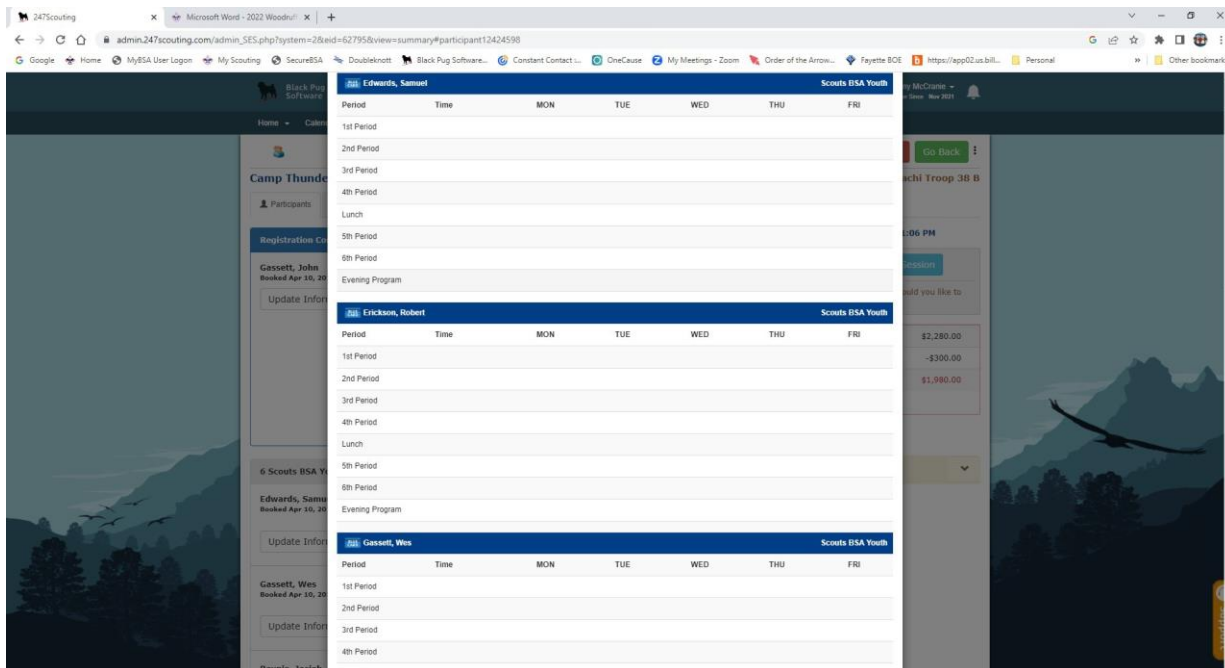

## Important Information about Prerequisites and Items Not Covered in Class

Some of our class offerings include prerequisites or requirements that will not be completed at camp. In some cases, a merit badge must already have been earned prior to summer camp. We do not permit Scouts to take these classes concurrently and these prerequisites must be completed before camp starts. Scouts may work on requirements not to be completed at camp, prior to camp. If they show proof to their counselor, we will sign off on that MB as completed.

## TROOP ACTIVITIES AT CAMP

### Campfires

**OPENING CAMPFIRE:** Sunday evening, we'll kick off the week with excitement!

**CLOSING FAMILY NIGHT CAMPFIRE:** Friday evening, we'll close the week together with fellowship and fun!

\*We like for all troops to participate. Please prepare a skit and have it approved by the Program Director by noon on Friday. You may also present any awards to your scouts. A common custom is to present an activity uniform t-shirt to your favorite staff member.

### Family Night– Friday

Invite your families to experience the camp atmosphere, observe activities, and stay for dinner and campfire. Family members may arrive anytime after 4:30 pm and must check in at the camp office. Families taking part in dinner can purchase meal tickets when they check-in for \$6. Families can camp on the FRAA side Friday night in a platform tent for \$7 per person. Please contact the camping department to reserve your spot. Scouts must stay with their troops at Camp Thunder.

### Adult Leader & Senior Patrol Leader Meetings

Camp operation is a very dynamic thing and in order to assure that Units are informed and engaged there will be a series of meetings for Scoutmasters and Senior Patrol Leaders during the week.

***- It is important that every unit is represented at both the Adult Leader and SPL meetings.***

---

Leaders will meet with Camp Management:

- Directly after the opening campfire on Sunday in Howard Lodge. Scoutmasters inside and Senior Patrol Leaders on the porch. This is a time for information, MB Drop/Add and introduction.
- An Adult Leader meeting will be held each morning immediately following breakfast in the Dining Hall to discuss any concerns or needs you may have.
- A Senior Patrol Leader meeting will be held each day immediately following lunch in the Dining Hall to go over afternoon and evening activities and answer questions.
- Directly after the closing campfire on Friday— brief meeting to hand out class reports, and a chance for Troop Leaders to ask Camp Leaders any questions about MB completion.

### A Scout Is Reverent

The final point of the Scout Law is an integral part of camp. To assist traveling Scouts and adults in their obligations, we will hold two services during the week. An interfaith service and a Catholic service. Other devotional and prayer opportunities will be available. All are welcome to attend.

### Thunder 5K

Earn a limited edition 5K patch! The race will be run Wednesday morning at 6:00am. The course will be open for 1 hour and 30 minutes, participants must be able to average a 29-minute mile. Runners will register in Howard Lodge. Registration will close on Tuesday Evening.

### Mile Swim

### SWIM CHECK

All Scouts and Adults attending camp must take a BSA swim check. This check must be taken annually by all who plan to enter the water.

**IMPORTANT INFORMATION: A Troop may hold their own Troop swim check in accordance with BSA standards before coming to camp. Planning ahead and completing your Troop's swim checks before camp will expedite check-in, and allow more time for campsite set-up, making for a more relaxed Sunday afternoon.**

Units that have already completed their swim checks before camp should present a copy of the results at check-in, which will be certified by the aquatics director. **A copy of the certifiers card must be present.** The aquatics staff reserves the right to re-check any person in their swimming ability while at camp.

Any Scouts or leaders that didn't do an early swim check can do so on Sunday. As soon as the troop guide leads the unit to the campsite, the scouts should prepare to take the swim check.

The aquatics staff will make all the buddy tags and the tags will be available for scouts and adults when they come down to the waterfront for classes and/or free swims.

All scouts and leaders will be classified to their swimming ability on the following scale:

**Non-Swimmer:** One who does not meet the "Beginner/Swimmer" requirements.

**Beginner:** One who can jump into water over his head and swim a minimum of 50 feet using any stroke, with at least one sharp turn, but has not met the "Swimmer" requirements.

**Swimmer:** One who can jump feet first into water that is over their head in depth, swim 75 yards in a strong manner using one of the following strokes: sidestroke, breaststroke, trudgen, or crawl; then swim 25 yards using an easy, resting back stroke. The 100 yards must be swum continuously and include at least one sharp turn. After completing the swim, rest by floating.

### PRE-CAMP SWIM CHECK PROCEEDURE

Swim classifications are to be renewed annually, preferably at the beginning of each outdoor

#### **Administration of Swim Check Options**

##### Option A (at camp)

Aquatics program personnel administer the swim classification check at camp upon appointment given at check-in.

##### Option B (at unit level with council-approved checking personnel)

The unit arranges swim classification checks locally using council-approved resource personnel with training as BSA Aquatics Instructor, BSA Cub Aquatics Supervisor, BSA Lifeguard, Red Cross Water Safety Instructor, Red Cross Lifeguard, or YMCA Lifeguard. When the unit attends summer camp, the Aquatics Director issues completed buddy tags after physical rechecks based on records provided by unit leadership. You must bring a completed swim roster and a copy of the lifeguard's (that administered the check) certification card. Cards must be within the valid certification period.

*When swim checks are conducted prior to camp, the camp aquatics director shall at all times reserve the authority to review or recheck all participants to ensure that standards have been maintained.*

## Unit Swim Classification Record

This is the individual's swim classification as of this date. Any change in status after this date, i.e., non-swimmer to beginner or beginner to swimmer, would require a reclassification test under the camp Aquatics Director's supervision.

\*\*Although swim tests may be conducted prior to summer camp, the aquatics director is expected to review or retest any Scout or Scouter whose skills appear to be inconsistent with his or her classification. Additionally, the Aquatics Director is authorized to retest any Scout or group of Scouts when he or she is reasonably concerned that pre-camp swim tests were not properly administered.
