BOY SCOUTS
OF AMERICA®
FLINT RIVER COUNCIL

Our Philosophy

We believe that all youth have the right to learn leadership, personal health, environmental stewardship, and social life skills through outdoor challenge in a fun and inclusive environment.

Our Mission

Provide eye-opening, awe-inspiring, and life-changing outdoor experiences.

Above all else, we will:

1. Ensure that each and every Scout has an enjoyable experience, which will develop into fond memories of camp and Scouting.
2. Ensure that, unconditionally, each and every Scout, Scouter, guest, and employee experiences Scouting as a safe haven. Camp will provide inclusive services and demand an atmosphere of non-degradation and celebration from all who participate.
3. Teach fundamental skills to each Scout and Scouter which relate to leadership, citizenship, personal well-being, and career development.
4. Seek to establish and maintain a unique environment where youth are socially outgoing and interact unselfishly with both peers and adults; foster new friendships through fellowship and joviality.

It is important that every unit is represented.

A Senior Patrol Leader meeting will be held each day after lunch in the dining hall. A brief meeting concerning check-out will be held on the final evening of camp, directly following closing campfire, in Howard Lodge; this is for Scoutmasters and Senior Patrol Leaders.

Transportation

Each troop is responsible for safe transportation to and from camp and must meet the insurance requirements of the Boy Scouts of America found on the appropriate tour permit. Phone Messages

Messages will be delivered to the troop's mailbox. In the event of an emergency, we will attempt to hand deliver the message to an adult leader.

"A Scout is Clean". Trash must be taken to the dumpster at the parking lot; there is no campsite trash service.

Pets

All pets are to be left at home. Pets of any type are not permitted; including those brought by parents or visitors. Registered service animals are the only animals allowed.

Chemical Fuels Policy

For safety, knowledgeable adult supervision must be present when Scouts are involved in the use, handling, lighting, or storage of chemical fuels (liquids, jellies, or gas). All fuels must be stored in a locked container. Battery operated lanterns and flashlights should be used by all Scouts in camping activities. No fuel, lanterns, stoves, or candles are to be used in or near tents and camp structures.

Emergency Procedures

Dining Hall Operations

Meal Times: See schedule upon check-in.

Each troop will be assigned tables on the day of arrival, during the camp tour. One waiter is needed for every 8 people. Waiters need to report to the dining hall 15 minutes prior to the meal. Leaders are asked to help supervise cleanup.

Responsibilities of Waiters:

Table Waiters set each place setting with a napkin and silverware. Waiters also fill pitchers and set out any meal items. They also assist with the clean-up of the dining hall, restrooms, and serving hallway. After the meal, waiters must do the following:

1. Wipe off tables.
2. Sweep underneath tables and mop as necessary.

Trays and Utensils:

The plastic trays, glasses, and metal utensils are to be placed in their appropriate dirty location. Scout leaders must provide supervision.

Meals:

The menu for each meal has been planned and approved by a nutrition expert. We proudly include fruit at breakfast with our fruit bar. Breakfast selections also include oatmeal and cereal each day.

A salad bar will be available for lunch and dinner, which will include peanut butter & jelly sandwiches. We strive to provide many different options to insure no one goes away hungry from any meal.

Additional options are always available for those with special needs and those who would like additional food. However, we cannot guarantee allergen free meals, and are happy to work with the families of Scouts with specific allergies on a reduced priced plan if they are providing their own food for their Scout. We also will provide storage (cold and dry storage) and heating options for those with special needs. Dietary restrictions must be submitted by December 1, 2024.
