

Knondike 2025

EVENT LEADER'S GUIDE

Hello Scouter,

I am once again honored and privileged to be one of the first to welcome you to attend our humble Klondike. If this is your first time, welcome! If you have camped with us before, we are so very glad to see you here again.

I feel that the Klondike is a very special event. It provides our scouts a venue to simply have fun in the great outdoors while being presented with unique opportunities to challenge themselves and compete with their peers in a wide variety of games and competitions. My first ever campout as a scout who just freshly crossed over was in fact a Klondike, and the memories I made on that campout set the tone for the rest of my scouting experience. It is my sincere hope, that your scouts will make similar memories, ones that will be talked about in years to come.

I feel it is important to note that this event is nearly entirely planned and executed by youth members of Ini-To Lodge. Yes, you read that correctly... YOUTH! This event is an opportunity for scouts to demonstrate and refine their leadership development on an immense scale, and helps build the foundation for the core critical experiences needed to become a successful leader.

Thank you for being a part of this with us. It is our team's goal that your scouts, if nothing else... HAVE FUN! Rest assured; we will make every effort to achieve that goal. See you there!

Yours in scouting,

ABOUT THE ORDER OF THE ARROW

For over 100 years, the Order of the Arrow (OA) has recognized Scouts and Scouters who best exemplify the Scout Oath and Law in their daily lives. This recognition provides encouragement for others to live these ideals as well.

Arrowmen are known for maintaining camping traditions and spirit, promoting year-round and long-term resident camping, developing leaders, and providing cheerful service to others.

OA service, activities, adventures, and training for youth and adults are models of quality leadership development and programming that enrich, support, and help to extend Scouting to America's youth.

Mission of the OA:

The mission of the Order of the Arrow is to fulfill its purpose as an integral part of the Scouts of America through positive youth leadership under the guidance of selected capable adults.

Purpose of the Order:

As Scouting's National Honor Society, our purpose is to:

- Recognize those who best exemplify the Scout Oath and Law in their daily lives and through that recognition cause others to conduct themselves in a way that warrants similar recognition.
- Promote camping, responsible outdoor adventure, and environmental stewardship as essential components of every Scout's experience, in the unit, year-round and summer camp.
- Develop leaders with the willingness, character, spirit and ability to advance the activities of their units, our Brotherhood, Scouting, and ultimately our nation.
- Crystallize the Scout habit of helpfulness into a life purpose of leadership in cheerful service to others.

INI-TO LODGE #324, YOUR SPONSOR

Ini-To Lodge #324 of the Flint River Council and the Order of the Arrow sponsors this event in order to promote camping and teach camping skills. Having fun is highly important, and having fun on a cold weather campout depends a lot on learning to be safe and warm in cold weather.

CAMPING:

Campsites are first come, first served. All-girl troops will camp on both sides of the Climbing Tower Pavilion, and will have use of the Climbing Tower Pavilion.

There is ample camping space available, however, expect your neighbors to be close! You can camp anywhere on FRAA reservation property *except the designated event areas near the dining hall, grass parking areas, and roped off areas of Joanne Field.* We will also have a limited number of platform tents available for an **additional \$4.00 per person.** Please contact the Camping Department beginning on December 1st reserve your platform tent at charles.goldman@scouting.org.

CAMPSITE ACCESS AND PARKING:

Troops are limited to one trailer or pickup truck in the campsite. You may drop off gear, but please remove extra vehicles **immediately.** Passenger vehicles will not be allowed, temporary access to the campsites will be for gear drop off only, and you will be allowed only one vehicle at a time into the camp area. A scout is courteous, let others have the space. **Park:** Vehicles will park in the parking lot across from the front of the River Experience Center. The entrance is directly across from the River Experience Center driveway. **DO NOT** enter the field any other way... once someone drove over the water line and we had NO WATER all weekend.

ABSOLUTELY NO CAMPING in the parking lots OR in the roped off area of Joanne Field.

WEATHER:

This is a rain or shine event. **BE PREPARED!** It can also be cold, so please prepare your scouts.

FIRES/FIREWOOD:

Ground fires are permitted only in the permanent fire pits. All other fires must be in a fire barrel or fire pit that you bring. Also, bring your own firewood and charcoal. Winter camping is also a great time to pull out the Coleman and Dutch ovens.

WATER:

Freeze proof water spigots are at the metal building behind the River Experience Center. Ask the staff to show you. Expect to carry water containers 200 yards. A wagon or cart comes in handy. Water is also available at the bathhouses for water needs.

**PORTABLE TOILETS:**

Port-a-potties will be on site. The women's toilet is NOT for use by male scouts. Based on past experience, it is important that Leaders impress on scouts what "a scout is CLEAN" means, and how it applies to port-a-potty etiquette.

HEALTH AND SAFETY:

Troops will generally be responsible for the health and safety of their own scouts. Please have a full first aid kit, with triangle bandages and splinting material for each patrol. Staff will assure that events are planned and run in a safe manner. This is a youth run event. All staff members will be wearing their OA sash or OA T-shirt. They all have assigned jobs. Please comply with all requests. Watch the weather forecast, have your Scouts be prepared... and things will be FUN!
