## Health and Safety:

Water will be available, and electricity in limited availability

Bathhouse/shower facilities will be available. We will be primitive camping, as per our tradition, so please prepare accordingly.

It will be each unit's responsibility to carry out all garbage.

Storage of all flammables (propane & liquid) will be in a safe, designated area per BSA guidelines. Flammables are to be used only under registered adult supervision.

Throwing rocks and sticks is forbidden due to injuries that can occur.

No alcoholic beverages or illegal drugs. No tobacco use or smoking within 50 yards downwind of any scout or scouting activity. This includes e-cigarettes, personal vaporizers or electronic nicotine delivery systems that simulate tobacco smoking. (*Troop Leaders Guidebook V1 No 3009 and 'The Boy Scout Handbook' No. 34554*)

Closed toe shoes must be worn at all times.

Anyone leaving / returning must sign out / in at the camporee headquarters.

A unit must have two-deep adult leadership at all times. At least one adult 21 or older and one 18 or older is required.

## Meals:

No open fires. Fires only in portable fire pits are required. Coleman stoves and Dutch ovens are recommended as well.

## Uniforms:

**Class A:** We will wear **Class A (or field Uniform)** at Campfire and Vespers.

**Class B:** We will wear the **Class B T-Shirt** at all other activities.

### Maintaining Order:

1. The Scout Oath and Law are the rules of the Camporee. Scouts unable to abide by these guidelines will be asked to leave the area.
2. Certain areas will be marked "Off Limits" for safety and/or program use. NO ONE is allowed in these areas. You will be asked to leave the Camporee if unable to comply with these requests.
3. Fellowship is important and encouraged between units; however, Scouts should not be in campsites other than their own without invitation.

### Check Out Procedure:

When units are ready to depart on Sunday, a unit representative will report to the headquarters so a camp area inspection can be performed. The site must be clean before a unit is cleared for departure. "A scout leaves an area cleaner than he found it." One vehicle per unit will be allowed in the camping area to load equipment at a time.

### Emergencies – health, weather, other:

Should any emergencies occur, please send a unit representative to the camporee headquarters for instructions.
