A Letter to Our Amazing Cub Leadership and Parents....

First we'd like to thank you, for all you do as a volunteer and for considering bringing your Cub Scouts to this event. We hope you find that each year your Pack can come to rely on this weekend as a fun filled camping experience for you and your Scouts. Please take the time to read through this packet so you can see what to expect at this event, as each one is different. We'd also like you to consider assisting us as a future staff member, to give back to the program that helps the Scouts grow.

Yours in Scouting,
Your Volunteer Program Staff

Basic information for this weekend.

The Scoutmaster and Scouts that are assigned to your campsite, will be teaching the classes throughout the day. This should allow more time for classes and meal preparation.

We would like for the parents to form their own patrol. They should do elections and have their own duty roster. They should participate in the Saturday evening campfire with a skit, song or cheer.

All the food for your meals will be provided. This includes 3 meals on Saturday and Sunday breakfast.

Informed Consent, Release Agreement, and Authorization

I understand that participation in Scouting activities involves the risk of personal injury, including death, due to the physical, mental, and emotional challenges in the activities offered. Information about those activities may be obtained from the venue, activity coordinators, or your local council. I also understand that participation in these activities is entirely voluntary and requires participants to follow instructions and abide by all applicable rules and the standards of conduct.

In case of an emergency involving me or my child, I understand that efforts will be made to contact the individual listed as the emergency contact person by the medical provider and/or adult leader. In the event that this person cannot be reached, permission is hereby given to the medical provider selected by the adult leader in charge to secure proper treatment, including hospitalization, anesthesia, surgery, or injections of medication for me or my child. Medical providers are authorized to disclose protected health information to the adult in charge, camp medical staff, camp management, and/or any physician or health-care provider involved in providing medical care to the participant. Protected Health Information/Confidential Health Information (PHI/CHI) under the Standards for Privacy of Individually Identifiable Health Information, 45 C.F.R. §§160.103, 164.501, etc. seq., as amended from time to time, includes examination findings, test results, and treatment provided for purposes of medical evaluation of the participant, follow-up and communication with the participant's parents or guardian, and/or determination of the participant's ability to continue in the program activities.

(If applicable) I have carefully considered the risk involved and hereby give my informed consent for my child to participate in all activities offered in the program. I further authorize the sharing of the information on this form with any BSA volunteers or professionals who need to know of medical conditions that may require special consideration in conducting Scouting activities.

With appreciation of the dangers and risks associated with programs and activities, on my own behalf and/or on behalf of my child, I hereby fully and completely release and waive any and all claims for personal injury, death, or loss that may arise against the Boy Scouts of America, the local council, the activity coordinators, and all employees, volunteers, related parties, or other organizations associated with any program or activity.

I give permission for my child to use a BB device. (Note: Not all events will include BB devices.)

Checking this box indicates you DO NOT want your child to use a BB device.

NOTE: Due to the nature of programs and activities, the Boy Scouts of America and local councils cannot continually monitor compliance of program participants or any limitations imposed upon them by parents or medical providers.
