Scouts Conservation Education and Action Weekends

Do you have an affinity for nature and conservation? Then Earth Tribe is waiting for you! Spend four weekends with like-minded Scouts and leaders as you:

- Learn new conservation skills
- Build trails and restore wildlife habitats
- Spend time with conservation and wildlife management professionals
- Train to become Outdoor Ethics Guide for your unit
- Earn the Outdoor Ethics Awareness and Action Awards
- Work towards earning the Distinguished Conservation Service Award

Program is limited to 40 youth (Scouts BSA, Venturing Crew, or Sea Scouts). Each Scout participating must have at least one leader from their unit attend with them.
