

**2025 Cub Scouts Summer Camp
Participant Guide
For Youth and Adults**

Dear Cub Scouts, Leaders, and Parents,

Welcome back to Cub Scouts summer adventures at Black Creek Scout Reservation! We are excited to offer your Cub Scouts and you four days full of experiences and memories.

We want this summer adventure to be full of fun and memories you will cherish. Our theme this year is Back to the Future, where each program area will highlight different time periods (Colonial, Wild West, 60s, 70s, 80s, 90s). Families and units are encouraged to decorate their campsites and dress up if they like.

Our activities are centered around Cub-age opportunities for time at aquatics, ranges, fishing, conservation, Scoutcraft, and the climbing wall. We know your time is valuable, so we've also included scheduled activities for leaders, too.

The following Participant Guide should help answer most of your questions, but if you have more, please reach out so we can help you make the most of your experience.

We look forward to seeing you at camp!

Yours in Scouting,

Lisa Scarbrough
Camp Director

Program Information

Program Dates

May 29 – June 1, 2025

Registration Deadlines

April 1, 2025 for Early Bird pricing

Fees

- Legacy price: \$95 per youth / \$80 per Adult & Scouts BSA BY FEBRUARY 28 for past participants
- Early Bird: \$125 per youth / \$100 per adult & Scouts BSA BY APRIL 1
- \$150 per youth / \$100 per adult & Scouts BSA BY MAY 10
- T-shirts available by pre-order only (price listed online)

Attendance

Registration is open to all Cub Scouts **registered** youth, their parent/legal guardian, and/or BSA registered leader. At a minimum, youth participants must be age 5 and in Kindergarten, and, at a maximum, cannot be out of the fifth grade.

Siblings not registered with a Cub Scouts unit **are not** permitted to attend long-term camps and cannot be on camp property during the summer camp program.

Scouts BSA registered members (in a troop) are permitted to register and attend the summer camp as volunteer staff. These members must have their own tents separate from parents and siblings in accordance with Scouts BSA camping guidelines, and must have approval of Camp Director to serve.

Medical Form Requirements

All participants (Cub Scouts, Scouts BSA members, and on-site leaders/parents) are responsible for turning in a completed BSA Annual Health Record Form (**Parts A, B1, B2**) upon check in. This will be returned to you at check out. **YOU CANNOT BE ON SITE WITHOUT THE HEALTH FORMS. Part C – a physical – is not required** for participation this year.

Camping

Camping is on the North Side of BCSR. Each family/Scout must provide their own tent for camping as none are provided by camp. Units with more than 20 participants will be given their own campsite. All other units will be combined with a maximum of 20 participants on a site. Please be courteous of the space with your tents and setup so everyone may fit comfortably.

Each campsite will have at least one fire ring. All participants are expected to abide by rules that limit fires to inside fire rings only, and that no fires are to be left unattended at any time, including when going to bed in the evening. Additionally, no additives are permitted in the fires, ie. color changers or sparklers. To ensure that a campfire is properly extinguished, put your hands just over it to be sure there is no more warmth. If it is still warm or you see any glowing embers, then it is not extinguished.

Units are expected to remove **all trash** from their campsites **before departure**. Bagged trash may be taken to the dumpster behind the pavilion.

As there is no electricity in the individual sites, one site will be designated for CPAP/medical users who need access. If you are a regular CPAP user, you may want to consider bringing a battery system for overnights to remain with your unit. Charging during the day will be available in the North Shore Pavilion.

Advancements

Cub Scouts will have opportunities to earn the following advancements while attending our summer camp:

	Aquatics	Earth Tribe	Fishing	Ranges	Scoutcraft
Lions	Time to Swim	Champions for Nature	Go Fish	Archery, Slingshot	Mountain Lion, Let's Camp
Tigers	Tigers in the Water, Floats and Boats	Champions for Nature	Fish On	Archery, BB, Slingshot	Tigers in the Wild, Let's Camp
Wolves	Paws for Water	Champions for Nature, Spirit of the Water	A Wolf Goes Fishing	Archery, BB, Slingshot	Paws on the Path, Finding Your Way, Let's Camp
Bears	Salmon Run, Bears Afloat	Champions for Nature	A Bear Goes Fishing	Archery, BB, Slingshot	Bear Habitat, Let's Camp
Webelos	Aquanaut, Paddle Onward	Champions for Nature	Catch the Big One	Archery, BB, Slingshot	Let's Camp, Tech on the Trail
AOL	Swimming, Paddle Craft	Champions for Nature	Fishing	Archery, BB, Slingshot	Outdoor Adventurer, First Aid, High Tech Outdoors

Leaders and parents are responsible for tracking requirement completions in their Cub's handbook and notifying their unit's advancement chair. Adventure belt loops and pins will NOT be provided by the summer camp program. We also DO NOT provide an advancement report at the conclusion of summer camp program.

Fishing

Families are encouraged to bring their own fishing gear and partake of fishing during open program times. Fishing is only permitted along the dam, around the lake towards Old Rattler's. **There is no fishing permitted on the bridge or waterfront (swimming and dock area).** Cubs all have designated fishing time as part of their daily program.

Swim Tests

All youth and adults attending camp **must take a BSA swim test** if they are going to use the waterfront area. This test must be re-taken by all every 12 months. Swim tests times are listed on your schedule. If you are unable to attend during a scheduled swim check time, you may

take it during your Cub's aquatics program time. Units may request a copy of their unit swim roster at the end of camp to take with them that may be used for the next 12 months.

Campfire

All families and units are encouraged to participate in our campfire on Saturday evening. Units should sign up during lunch on Saturday. All songs and skits must abide by the following Scouting America rules or the performers may be escorted off stage.:

- No name Calling, put-downs, hazing
- No references to undergarments, nudity or bodily functions
- No cross-gender impersonation at any point in the skit
- No derogatory references to or stereotyping of ethnic or cultural backgrounds, economic situations, or disabilities
- No portrayal of sensitive social issues such as alcohol, drugs, gangs, guns, suicide, etc. – be mindful of this in song lyrics as well.
- Wasteful, ill-mannered, or improper use of food or water including wasting food in ANY way for comedic purpose is not allowed. You may not know the current situation of youth and adults who are in the audience. Many may not have adequate food at home and the wasting of food in any way would further point out this disparity. Additionally, there are parts of the world where water is not potable therefore the wasting of water is not appropriate.
- No inside jokes that exclude some of those present
- Do not change lyrics to patriotic songs (“America”, “America the Beautiful”, “God Bless America”, “The Star-Spangled Banner”) or hymns and other spiritual songs
- Do not embarrass anyone – including staff or audience members (even if they are “in on it”) – just because the staff member is in on it, everyone in the audience is not aware of that fact and the appearance is that you are making fun of someone.
- Do not portray violent behavior or any behavior not in line with the Guide to Safe Scouting (ex. Pointing “guns” at each other)
- No bathroom humor or skits/songs where a toilet is the punchline or a part of the skit or song.
- No water skits – NO ONE gets wet in any way (includes staff, and even if they are “in on it”)
- No material with sexual overtones
- Do not include anything that is not in keeping with the ideals of Scouting America.

Adult Leader Opportunities

We know you are coming to camp for your Scouts, but we want you to have some opportunities, too.

Adult Leader Roundtable

Gather at the North Shore Pavilion, Thursday at 8:00 PM to meet other Pack leaders and share stories, experiences, and resources to help you with your unit. Bring your favorite camp beverage.

Youth Mental Health First Aid

A sign up will be available for adults (18+) who would like to get certified in Youth Mental Health First Aid. The cost of the course is \$50 (on site). You will be required to do a portion online before the first in-person session, which can be done in the evening on your first night at camp. Sessions will take place multiple times to achieve certification by your departure. Leaders will also receive information on establishing a MESH plan for their unit along with a recognition pin. Session times:

Thursday	8:45 pm – 9:15 pm
Friday	1:00 – 1:30 pm, 9 – 10:30 pm
Saturday	12:30 – 1:30 pm, 9 – 10:30 pm

For more information or to get registered and started in advance, please reach out to Lisa Scarbrough at cgcstem99@gmail.com.

Cub Scouts Events Rangemaster Training

Depending upon availability of instructor, Rangemaster training for Cub Scouts BB, Archery, and Slingshot may be available during the camp program. A sign-up sheet will be available on the first night with training schedule information.

Leaders Only Sunrise Paddle

Looking for an hour of peace and fellowship with other leaders? Those with swimmer classification (beginners can go in a canoe with a swimmer) can join the camp director for a sunrise paddle on Sunday morning at 5:45 am at the waterfront. Be mindful of keeping quiet when departing campsites.

Scouts BSA Opportunities

Scouts BSA attendees will volunteer time as Den Chiefs for a den, taking them around to each program area during scheduled program time, as well as setting up and running games and activities for Cubs for service hours. Permission for them to attend will be through the Camp Director before they register directly online. Please remember to bring handbooks to be signed off for service hours.

For those who would like to serve in the fishing area all weekend long, they may have the opportunity to complete requirements towards their fishing merit badge.

Scouts BSA members should bring their handbooks as they may be eligible for some rank sign-offs through their participation at the various program areas. They will also receive a swim test and may request a Unit Swim Classification Record to take with them if they are traveling with their troop to another summer camp.

Outdoor Ethics Awareness Award

Scouting America registered adults and Scouts BSA members are eligible to complete requirements towards the Outdoor Ethics Awareness Award (patch) while attending our summer camp. The requirements for this are:

1. Recite from memory and explain the meaning of the Outdoor Code.
2. Watch the National Park Service Leave No Trace video. (available on YouTube)
3. Complete the Leave No Trace 101 course. This will be offered Friday from 12:30 to 1:00 pm, or may be taken online in advance at <https://learn.int.org/courses/101> (print the certificate and bring with you).
4. Complete the Tread Lightly! online course. <https://tread-lightly.teachable.com/p/online-awareness-course> (print the certificate and bring with you)/
5. Participate in an outdoor ethics course, workshop, or training activity facilitated by a person who has completed the BSA outdoor ethics orientation course or is a BSA outdoor ethics trainer or master. This workshop will be offered on Sunday from 9:30 to 11:30 am.

Participants completing the award requirements will receive an award form to take back to their unit. Adult leaders will be given a training roster to take home and have their official training record updated for completion of the Scouting America Leave No Trace Basics Course (D74).

Pre-Camp Planning

Registration as a Family

Families are invited to register independently of their Pack. Those from the same Pack will be placed in campsites together. All camping will be family camping in line with Cub Scouts standards. Any Scouts BSA members attending with their families must camp in their own tents – no sharing with parents or younger siblings.

Registration as a Pack

Packs are encouraged to have their families register through the council website to participate in the Cub Scouts summer program. Packs should plan for appropriate leadership of Cub Scouts with the following ratios:

- 1 Scout: 1 Parent
- 2-8 Scouts: 2 Leaders
- 9-12 Scouts: 3 Leaders
- More than 12: 4:1 Ratio

All Lions and Tigers **must be accompanied by their Adult Partner at all times**. Program activities are by den, so each den must maintain two-deep leadership as they travel.

Rank Participation

The new Cub Scout program year starts officially on June 1. All Cubs should participate in the programs at summer camp for which they will be enrolled in the fall. For example, those who were Lions before the end of the school year will now do program as Tigers. If you are unsure of where your Cub falls, go by what grade they will be entering this school year in the fall:

- Lions – Kindergarten
- Tigers – 1st Grade
- Wolves – 2nd Grade
- Bears – 3rd Grade
- Webelos – 4th Grade
- Arrow of Light (AOL) – 5th Grade

Medications

Prescription medication may be stored either at your campsite or the health lodge. If it is stored in your campsite, it must be locked away. (Lock boxes can be provided if a unit arrives without one.) **NO YOUTH MAY HOLD THEIR OWN MEDICATION.** The Health Officer will be available to collect any medication you wish for them to handle or need to keep cold at check-in. If you wish for them to dispense it regularly, please schedule with them specific times and locations to meet.

Electrical Medical Devices

Those who will need accessibility for electrical medical devices will need to note that on their registration. If you forgot to note that on your registration, please contact the camp director as soon as possible. Campsite 2 will be the only site set up with a power outlet for devices. All participants needing power for those will need to bring an extension cord.

First Aid

Please bring your unit's first aid kit. Be prepared to perform basic first aid in your campsite and then contact the Health Officer as necessary. In an emergency, all Area Directors are connected with camp leadership for assistance. For major emergencies, please seek the help of a staff member or director. **Please do not call 911**, let our medical staff be the ones to do that.

COVID protocols

Upon arrival at Camp all Units will be required to undergo a brief health screening to ensure all Camp participants are protected from infectious diseases.

Communication

All communication during the summer camp program will take place at assemblies, meal times, and via WhatsApp. Adults should download WhatsApp to their phone prior to arrival. Use the QR code to the right to join.

Check in procedures

Families or units have the option to check in on Thursday night between 2 and 6 pm at the north side pavilion (signs will be out to help direct you if you are unsure of the location). Medical forms **must** be presented **for each participant, youth and adult**, at check in before you may head to your campsite.

No one will be allowed to enter Camp at night **after** 9:00 PM.
No one will be allowed in camp **before** 7:30 AM in the morning.

Check Out

All Scouts (and accompanying leaders) are required to check out with the camp director before leaving BCSR. Medical forms will be available for pickup from the medic.

Parking

Gear may be driven directly to the campsite on the north side, and parking will be at the admin building lot. No vehicles will be permitted to drive in and around camp program areas at any time during the program once check in is complete. Only the Pack Trailer may be left at the site. The speed limit through camp is 10.49 mph, and all vehicles should have their flashers on while driving.

Handicap Transportation

Valid Handicap placards will be granted driving permission with an additional camp approved vehicle sign placed on the dashboard. Please check in with Administration to sign one out (and please make sure to return it upon leaving camp). We do appreciate a smaller vehicle such as a golf cart if you have that option. Please note **ONLY THOSE WITH THE HANDICAP** placard may use these carts and/or vehicles. It is not for all adults to ride around camp or to deliver Scouts to classes.

Golf Cart Policy

Camp-owned golf carts are for staff **ONLY**. Use of private golf carts at camp require permission from the Camp Ranger, Jacob Follin, in advance.

All drivers must have completed ROHVA Safety Course in advance (available at <https://cbt.rohva.org/> for free) and provide a copy of their certificate at check in. Only individuals who are at least 18 years of age or older and who have completed this course will be allowed to drive golf carts on camp property. Additionally, you must abide by the following:

- The cart may only be used to transport the number of people for which there are actual seats. Riding in the back storage area or standing while riding is not permitted.
- Each cart must have both a Fire Extinguisher and a First Aid Kit on board.
- The camp speed limit must be obeyed.
- Reckless driving will not be tolerated, those drivers who operate their cart in an unsafe manner are subject to having their cart driving privileges revoked by the Camp Director or Camp Ranger.
- ATVs are **not** to be used at camp.
- Carts used for driving after dark must have operable headlights.

Trading Post

Our fully stocked trading post has everything you need! Souvenirs, patches, memorabilia, handbooks, uniform items, camping supplies, pocket knives, t-shirts, games, gifts, ice cream, soft drinks, snacks, and more. The trading post will be open during specified hours, which will be posted upon arrival.

Cell Phone Service/Wifi

BCSR has full coverage through Verizon. If you have AT&T, you will have coverage over the majority of camp on 4G LTE.

Bath House

Hot showers are available at the bath house behind the pavilion. These are single-use rooms with a shower, toilet, sink and lockable changing area for each participant to ensure privacy. Remind Scouts that a Scout is CLEAN! Scouts should shower at least once per day.

Each unit will be assigned a cleaning time to help in keeping the bath house and individual stalls cleaned. This will include wiping down toilets and sinks, getting debris out of showers, and picking up any paper or trash on the floors. If you notice that a bathroom is out of a paper product, please notify the camp director so more may be brought over by the ranger staff.

Trash and Leave No Trace

Please minimize your trash throughout the program. If you have purchased new gear, be sure to unwrap and unbox it BEFORE you arrive at camp. With a full campsite expected, our dumpsters fill quickly! Dumpsters are located at the Pavilion. Full trash bags should be taken directly to the dumpsters.

Each family and unit should do a patrol line to ensure not one scrap of trash is left behind in camp and that all trash bags have been removed to the dumpster. Campsites will be checked by camp staff after departure. **ALL PARTICIPANTS ARE EXPECTED TO REMOVE THEIR TRASH FROM THE CAMPSITE BEFORE DEPARTURE.**

Swimwear Requirements

We recommend that swimwear should be comfortable, functional, and appropriate for the specific aquatic activity. As such, swimwear for all participants and staff should be:

- Designed as swimwear (no underwear)
- Appropriate to the activity
- Secure enough to not shift or fall off while participating
- T-shirt or additional layer may be allowed if it does not hamper movement in the water

Service Project

As part of our camp program, we adopt a service project each year. Past service projects have included collecting canned goods for a church food pantry, children's books for Little Free Libraries, and care package items for military service members. Information on this year's service project will be announced via email in the weeks before camp opens. Participants may

be eligible for special recognition, such as the Messengers of Peace purple ring, depending upon the project scope.

As part of the Champions of Nature requirements, all Cub Scouts will participate in a conservation service project during their program at Earth Tribe.

Packing List

- Tent
- Daypack
- Tarp for under tent
- Sleeping Bag
- Pillow
- Blanket/sheet (if preferred)
- Toiletries
- Bug Repellant
- Sunscreen
- Lantern
- Flashlight/headlamp & Batteries
- Camp chair
- Refillable water bottle or canteen
- Personal first aid kit
- Snacks
- Pocket knife (Bears, Webelos, and AOLs only if they have completed the knife adventure loop for their rank)
- Sturdy walking shoes or boots
- Extra change of clothes
- Dry sleep clothes
- Extra socks, shoes, underwear
- Rain gear
- Hat
- Towel and washcloth
- Personal medication
- Bag for wet clothes
- Small Hand Sanitizer and wipes
- Field uniform
- Activity shirt for each day
- 2 Activity uniform shirts
- Water shoes
- Swim shorts/Swimsuit
- Cub Scout Handbook

Optional Items

- Float or tube for slip-n-slide on Friday night
- Fishing gear (gear is provided for use during scheduled program times)

Meals

All meals for the Cub Scouts summer camp program will be served at the open-air pavilion on the north side. The menu is approved by a licensed nutritionist in accordance with Scouting America's NCAP policies. Families are invited to bring a cooler with additional snacks and beverages between meals.

Provided Meals

- Thursday: Dinner
- Friday: Breakfast, Lunch, Dinner
- Saturday: Breakfast, Lunch, Dinner
- Sunday: Breakfast, Lunch (to go – sign up at dinner on Saturday evening)

Special Diets

We ask that you provide all allergy related and special dietary needs in the online registration system. This will allow us to prepare in advance for your dietary needs. If you have specific questions or needs, please email the camp director.

Unit Service

Each unit will be scheduled a time to help the kitchen staff with service during meals and clean up after. Clean-up will include taking dishes to be washed, washing dishes as requested by kitchen staff, sweeping under tables, wiping down tables, and taking trash to the dumpster. Each unit is encouraged to clean up their tables and area before departing the pavilion to make the clean-up less work on the units providing service.

Black Creek Grace

In Black Creek Your Greatness Shows,
And on its banks our Brotherhood grows.
Thank you for this place and land,
And for this food prepared by hand.
AMEN

Hand Washing

Adult leaders should coach their Scouts to wash their hands at the bathhouse before getting into the service line for meals.

Camp Policies

Buddy System

BCSR Scouts will follow the Buddy System. Cub Scouts should have two deep leadership with them at all times.

Water Guns

No water guns or sprayers are permitted at camp.

Fire Rings

Use fire rings. Fires are not allowed outside of the fire rings. Additionally, no additives are permitted in the fires, ie. color changers or sparklers.

Fuels

The use of liquid fuels for any purpose by Scouts on BCSR property is prohibited. All fuels, including backpacking stoves, should be stored properly.

Fireworks

Fireworks are not permitted on camp property.

Smoking

All buildings and campsites are SMOKE FREE. Adults may smoke in the designated smoking area located behind the pavilion next to the dumpster area **ONLY. NO EXCEPTIONS.**

Alcohol and Drugs

The use of alcoholic beverages, illegal drugs, as well as the misuse of over-the-counter or prescription drugs are prohibited and will not be tolerated on BSA Property. Violators will be prosecuted, and local law enforcement will be notified immediately.

Pets

No personal pets are allowed in camp. Please advise your families to leave their pets at home. Service animals must be clearly and properly marked, and we ask that the camp director be notified before bringing outside service animals onto the property.

Quiet Hours and Taps

Quiet Hours are observed between 10:00 pm and 6:00 am. Please conduct a bed check to ensure that Scouts are accounted for and in their own sites by this time. Please remember, a Scout is courteous to their neighbors. While you may have older Scouts, there may be younger ones who need sleep.

Adult leaders who enjoy late nights may feel free to congregate under the pavilion for fellowship and chatter. Last one to leave is requested to turn off all lights.

Insurance

Each unit that attends Summer Camp must have accident insurance. If you are a Coastal Georgia Council Unit, your insurance is on file with the Council. For Out-of-Council units, please check with your local Council for confirmation of coverage, and bring that confirmation with you to camp.

Damage to Camp Facilities

We are very proud of our Camps and our equipment. If you or your Scouts damage any equipment issued to your Unit, you will be expected to pay for damages.

Rocks and Sticks

Cubs are not encouraged to pick up and travel with sticks throughout camp. Unfortunately, these lead to many first aid situations, sometimes requiring an ER visit. Additionally, they should not be picking up rocks and throwing them at each other or the lake.

Natural Hazards

Black Creek Scout Reservation is blessed with a wide variety of flora and fauna. Every Scout should be able to recognize organisms that may cause harm. Wild animals are important to camp but can be dangerous if cornered or threatened. We should remember that the camp is the animals' home 12 months of the year and we are here for only a short time. Let a Staff Member know if you have a visitor you prefer to escort out.

MESH (Mental, Emotional, and Social Health)

In accordance with new national recommended practices, we have established a MESH plan for participants. Youth or adult participants who may be experiencing a mental health challenge or crisis should seek out the camp director for immediate assistance. We have, at minimum, at least one staff member on site who is certified in Youth Mental Health First Aid and Adult Mental Health First Aid.

Youth Protection Guidelines

Two-Deep Leadership

Two registered adult leaders 21 years of age or over are required at all Scouting activities, including meetings. There must be a registered female adult leader 21 years of age or over in every unit serving females. A registered female adult leader 21 years of age or over must be present for any activity involving female youth. Notwithstanding the minimum leader requirements, age- and program-appropriate supervision must always be provided.

No One-on-One Contact

One-on-one contact between adults and youth members is not permitted. In situations that require a personal conference, the meeting is to be conducted in view of the other adults and youth.

Respect of Privacy

Adult leaders must respect the privacy of youth members in situations such as changing clothes and taking showers at camp and intrude only to the extent that health and safety requires. Adults must protect their own privacy in similar situations.

Separate Accommodations

When camping, no Cub Scouts youth is permitted to sleep in the tent of an adult other than his own parent or guardian. Scouts BSA youth are not permitted to camp with a parent or adult family member without a special needs accommodation as approved by the council's Scout Executive.

Identification

Each camper, adult leader, and visitor must wear camp issued identification (wristband). Camp visitors will be issued identification bands when they arrive at camp. Staff will be identified by their uniform and staff credentials.

Scouts First Helpline

As part of its "Scouts First" approach to the protection and safety of youth, the BSA has established 844-SCOUTS1 (844-726-8871), a dedicated 24-hour helpline to receive reports of known or suspected abuse or behavior that might put a youth at risk. This helpline is open to Scout leaders, Scouts, Scouting professionals, or anyone else who believes a youth might be at risk. Scout leaders are encouraged to report such behavior as well to Coastal Georgia Council Scout Executive Lew Sisson at lew.sisson@scouting.org and the camp director as soon as possible.

Program Schedule

This schedule is subject to change based upon programming/staffing changes. The most current schedule will be posted in the pavilion so you may take pictures of it with your phones at check-in or any meal time.

Thursday

2-6 PM:	Check in & set up campsites
3-5 PM:	Board games at pavilion, self-guided nature walk
6:15 PM:	Flags & Dinner (at North Side pavilion)
6:45-7:15 PM:	Swim Checks
7:00 PM:	Evening Program (North Side pavilion) <ul style="list-style-type: none"> • Movie and board games at pavilion
8:00 PM:	Leaders Roundtable (Pavilion)
8:45 - 9:15 PM:	Youth Mental Health First Aid (Part 1)
9:00 PM:	Return to Campsites
10:00 PM:	Lights Out

Friday

7:30 AM:	Flags & Breakfast (Pavilion)
8:30-9:00 AM:	Swim Checks
9-10:05 AM:	Program 1
10:10-11:15 AM:	Program 2
11:30-12:30 PM:	Lunch (Pavilion)
12:30-1:30 PM:	Downtime (Portable Climbing Wall open) <ul style="list-style-type: none"> 12:30 - 1 PM: Leave No Trace 101 Course (Adults and Scouts BSA) 1:00-1:30 PM: Youth Mental Health First Aid (Part 2)
1:30-2:35 PM:	Program 3
2:40-3:45 PM:	Program 4

Volunteer Opportunities

Our Cub Scouts Summer Camp program is made possible fully by volunteers. If you have an area of interest or expertise, such as rangemaster training for BB, archery, and/or slingshot, COPE Level 1 training for the portable climbing wall, BSA Swimming and Rescue, Paddlecraft Supervision, conservation, fishing, Scoutcraft, administration (check in), or just want to be a help anywhere, please email camp director Lisa Scarbrough at cgcstem99@gmail.com to become part of our volunteer staff. We always appreciate the extra hands.

How much wood can a woodchuck chuck if a woodchuck could chuck wood? See your camp director at check-in with "The secret to life, the universe, and everything is 42" to verify that you read this entire participant guide for a special treat.

Directions to Camp

Black Creek Scout Reservation
850 Poor Robin Road
Sylvania, GA 30467

From I-95

Exit 109 GA Hwy 21 North- Go about 43 miles and then turn right onto Poor Robin Road. The entrance to Camp is about 1/2 mile on your right.

From Augusta

Take US Hwy 25 South approx. 47 miles. Turn left on GA Hwy 21 South and follow it for approximately 18 miles. Turn right onto US301 South and follow for 2.1 miles. Turn left onto GA-21 South and follow for 6.8 miles. Turn left onto Poor Robin Road. The entrance to camp is about ½ mile on your right.

From Atlanta/Macon

Follow I-16 to US 301 Statesboro/Claxton Exit 116. Turn left onto US 301 in about 12 miles, at the stop light you will turn right onto the 301 Bypass. Continue until the road ends at the stop sign. Take a right onto East Parrish Street. Continue about 18 miles. You will then turn right onto Hwy 21 South. Go 6.8 miles and turn left onto Poor Robin Road. The entrance to camp is about ½ mile on your right.

REMEMBER!! Georgia is a HANDS-FREE STATE!

It is illegal to hold your phone while driving in the state of Georgia, part of a sweeping hands-free law that went into effect in July of 2018. Drivers can no longer have phones "touching any part of their body" while talking through devices... BE SAFE WHILE DRIVING!
