A letter From Black Creek

Dear Scouts, Adult Leaders, and Parents,

Greetings from Black Creek – southeast Georgia’s newest, premier, nationally accredited scout camp! Thank you for your interest in attending Black Creek Scout Reservation. We are pleased to present our 2025 Field Guide – a combined program guide and leaders’ guide. Please read the information contained within carefully. Most of your questions and concerns should be answered in the following pages.

This Field Guide contains important information that will help your Unit plan for the upcoming summer camp season. But before we get down to the “nuts and bolts” of summer camp, Coastal Georgia Council and the staff at Black Creek wanted to take this opportunity to talk about why we do what we do and why your experience with us is so important.

Each and every camp is different. Not just because of geography or location but because of the camp’s history and people who have touched that camp. Every camp has its unique style, program, games, and traditions. However, whether you’ve attended summer camp as a youth, adult leader, or staff member – we can all agree that the summer camp experience is magical.

Camp is the place where kids have a chance to practice being the best they can be. They have the opportunity to meet new people, try new things, climb rock walls, shoot a bow and arrow, and feel the wind in their face on a sailboat. They experience all these things in a safe, controlled environment with individuals there to support them through successes and failures.

In the modern world in which we live, there is so much that competes for our time – work, church, sports, and even well-deserved vacations. There is no competition, however, to the gift that is the experience of summer camp.

Coastal Georgia Council and the staff at Black Creek want to thank you for trusting us with your loved ones and allowing them to share the summer camp experience with us this year.

Sincerely,

Greyson Cato

Getting in Touch

Cell phone Signal & Internet

Black Creek is one of the few Scout camps with excellent cell phone signal in camp! Verizon customers will have coverage throughout most of camp while AT&T and T-Mobile customers typically have slightly less coverage. However, Scouts are discouraged from carrying their cell phones during camp. Troops are encouraged to establish their own cell phone procedures. Internet is also available to leaders who need it.

Visitors at camp

We love visitors at Black Creek. To ensure the safety of our Scouts and staff, visitors must complete a [Visitor Form](#) 48 hours prior to arriving at camp. Visitors must check in at the administration building with a valid ID and pick up a visitor pass. While we do love visitors, we strongly discourage Scouts from leaving early. Please keep in mind, often times, if your Scout is experiencing homesickness, visits from family can make it worse. **Visitors are not allowed to bring pets. Guest meals will not be provided.**

Sending Mail to Camp

Letters, cards, and care packages for your scouts are highly encouraged. To ensure timely delivery, we recommend sending your mail 4-5 business days in advance to ensure delivery while your Scout is at camp. Forgot something? Amazon has quick delivery to camp on many products.

Please address all mail as follows....

ARRIVING AT CAMP

BLACK CREEK

SCOUT RESERVATION

Check-In Policies & Procedures

1

Upon arrival, park in the parking lot. Your Troop's Scoutmaster or Adult Leader should proceed to the Admin Building and meet with our Camp Administrator with the following information and documents in hand:

- Troop Roster
- YPT certificates for adult leaders
- Payment for any outstanding fees
- Youth and adult health forms (parts A,B & C)

2

After finishing with our Camp Administrator, your Troop will meet with the Camp Health Officer. Each person, youth and adult, will go through a quick individual health screening.

3

Once health screenings are done, our Troop Guides will take you on a camp tour that includes a stop at the waterfront for a swim test. Please be sure to arrive ready for a hike with water bottles and swimwear in hand. Our tour will show you where program areas and campsites are, as well as go over dining hall procedures. Adults are welcome to join the tour, or they can take the troop trailer to the campsite.

4

At 6:15pm, all Troops must report to the Parade Field in front of the Reese Dining Hall (RDH) for the flag lowering followed by dinner.

5

Scoutmasters and Senior Patrol leaders must report to the RDH Banquet room for the a meeting with camp administration at 7:15

6

At 9:00pm, Troops will report to the camp fire ring for Opening Campfire

Tips and Recommendations

Prior to arriving at camp, if your Troop's Scoutmaster is not attending camp with you, elect an "Adult Leader" to handle check-in and to attend the Scoutmaster Meetings throughout the week. Do the same for an acting Senior Patrol Leader for the week if your SPL is not attending camp.

Arrive at camp as close to 1pm as possible. This is to ensure that your unit will have plenty of time to check in, tour camp, conduct swim test, and be ready for dinner and opening campfire.

For anyone who needs a swim check, make sure that they arrive in swimming attire, or have it packed in a day pack readily available.

- We recommend all scouts and adults take a swim test even if they are not taking aquatics classes. That way they can swim or boat in their free time.
- Has your Troop already conducted swim checks in the last 12 months? Please bring a copy of your Swim Check Roster and have it ready at during your camp tour. The aquatics staff will review it and our Aquatics Director has final say.

Please ensure that Scoutmasters, Adult Leaders, and Senior Patrol Leaders attend the leader meeting on Sunday and all meetings throughout the week.. These meetings are how we will disseminate key information to your unit.

Our Camp Health Officer will conduct health screenings and go over medications, allergies, and health concerns. Each unit is in charge of their own medication and it needs to be locked away in the campsites. Medication needs to be in its original packaging. Lock boxes are available for those who need them. All medication that needs to be refrigerated can be given to the medic.

Black Creek Trading Post

The Black Creek Trading Post is stocked with a wide variety of program supplies, souvenirs, and more. Scout Camp Accounts

Black Creek offers Scout Camp Accounts for our Trading Post. Scout Camp Accounts provide an easy solution for parents concerned about Scouts being responsible for cash/card at camp. Please fill out the Scout Camp Account form located in the attached appendix. For more information contact Grace Campbell. Most Scouts spend between \$50 - \$60 throughout the week.

Dining Facilities & Meal time Procedures

Reese Dining Hall

Meals are prepared and served in Black Creek’s state-of-the-art, air-conditioned Reese Dining Hall, or “RDH” as you may hear it called. Meals are carefully crafted and planned by a dietician and chef. Each meal are designed to meet with the health needs of your and adults alike. Meals will be served Cafeteria style. Please make note of our Thursday night meal plan as there is no meal served in RDH that night. More information can be found on the next page.

Dietary Restrictions

Special meals can be prepared for those with dietary restrictions, including but not limited to vegetarians, lactose intolerance, gluten-free, and nut allergies. However, we must receive notice of your particular dietary needs **TWO WEEKS** prior to your arrival to camp. Without prior notice we cannot adequately prepare for your particular needs. Please complete the [Dietary Restriction Form On Google](#).

Waiters

Each Unit will have assigned tables for each meal. Because we operate cafeteria style, we do not need waiters before each meal. However, each Troop will be in charge of cleaning their area after each meal. Be sure to assign Scouts to clean after each meal.

THURSDAY NIGHT DINNER

There is no dining hall meal or program scheduled for Thursday night. We wanted to give each troop a night to spend in their campsites. Thursday evening meals for Scouts and Adults alike are the responsibility of each individual Unit.

Troops can request Foil dinners (also known as Hobo Meals or Silver Turtles). These meals are included in your camp price. These kits included: foil, ground beef, canned vegetables, and ingredients for dutch oven cobbler. Charcoal, cookware, plates, and cutlery, are not included.

Units may also choose to cook their own food at their campsites or bring in food from restaurants. Please be aware that Black Creek is in rural Georgia, and there are limited options available, however, we can help locate local restaurants and grocery stores.

Please fill out the [Thursday Night Cookout Form](#) no later than our 1pm leaders meeting on Monday so we can properly prepare.

Merit Badge Information

This Field Guide outlines all the different merit badges and opportunities that Black Creek will be offering to the Scouts and Adult Leaders this summer. When choosing your merit badges, please remember that camp should be fun for everyone. However, there should be no expectation that because a Scout pays to come to camp, they will receive merit badges.

Merit Badge Classes

The teaching of merit badges at Black Creek is an important part of the program. Ensuring that campers receive the highest quality instruction is vital to the integrity of the Scouting program. While at camp, Scouts must complete all the requirements—no more, no less—to complete the merit badge. Scouts who do not complete the merit badge will receive a partial on their advancement sheet and will be able to complete the merit badge back at home with a local merit badge counselor or Scoutmaster as appropriate.

Because some of the merit badges offered at Black Creek have prerequisites (and post-requisites) that cannot be completed at camp, it is important for the Scoutmaster to have each Scout complete the prerequisites before coming to camp. If the Scout has completed the prerequisites before camp, please have them fill out the **Black Creek Merit Badge Prerequisite Sheet** and bring it with them to camp. This can be found in the appendix. If the Merit Badge Prerequisite Sheet is not completed appropriately and turned in, the Scout will not receive credit for the prerequisites. This will allow the merit badge instructor to award credit for the partial obtained in advance and enable the Scout to earn that merit badge when the remaining requirements are completed at camp.

Registration

All merit badge registration for those attending summer camp at Black Creek will take place online through Black Pug. Black Pug offers 24/7 event registration, payment availability, and the ability to register for merit badges to all unit leaders. Black Pug's Parent Portal access may vary from unit-to-unit. For step-by-step instructions, please follow the directions included in the appendix. **Class registration will open on April 1st for all scouts who are paid in full. All other Scouts can register for classes on April 3rd.**

Merit Badge Information

Advancement Records

In lieu of blue cards, Black Creek will issue individual advancement completion reports to each unit and a summary report to the troop. At the end of the week, a report will be given to your Scoutmaster. A digital report is also available through Black Pug. This can be accessed by the unit's primary contact. This report can be entered into Scoutbook by your unit advancement coordinator or be sent to your local council.

Partials

Do you have partials? If you have unfinished work in any of the badges we offer we can help you get those finished. Please bring written documentation of what requirements you need to complete as you will have time to complete those on Thursday.

Program Disclaimer

All participants in Black Creek programs – both adults and youth – should be aware that all programs are subject to change at the discretion of the Black Creek staff and/or the Coastal Georgia Council. Programs listed in this guide are planned to be operating during the Summer 2025 season. Programs operating during the 2025 Season are subject to change while sessions are active.

Weather, staffing, and other extenuating circumstances may affect the schedule and what can be completed during the week. We will do our best to follow schedules and programs as planned.

Any program or schedule changes will be announced at Adult Leader and SPL meetings.

Thursday Schedule

Thursdays at Black Creek are a little different. There is more to summer camp than Merit Badges classes, and we want each Troop to get the full experience.

Open Merit Badge Period

Between breakfast and lunch on Thursday is open MB period. This means that there is no set rotation, and Scouts are free to work on the badges they need to. For instance, if a Scout needs extra time to finish Basketry, they can go to Handicraft and get assistance from the instructors. Need to spend time observing nature for Mammal Studies? Find a place to enjoy. Have a partial MB you need to get finished? Go to that program area and ask for help.

This is not “open program time” and Scouts should be working specifically on requirements for Merit Badges and Rank during this time. This is not a time for “free swim”, “open boating”, etc.

X-Games

After lunch, we will host a camporee-style challenge called “X-Games”. Troops will compete in 10 challenges all across camp to see what skills they have learned throughout the week. Larger Troops can separate into Patrols for this challenge. Troops/Patrols will have two hours to complete as many of the challenges as possible. Winners will be announced at Friday’s closing campfire.

Troop Time

After 5pm, we like to encourage Troop Time in camp. Set up a campfire and spend some time with your fellow Scouts. Cook over an open flame. Have Scouts give a presentation or conduct a campfire program to fulfill requirement needs. Schedule a scoutmaster conference. Practice your knot tying skills. Slowdown, take a deep breath and enjoy a quiet night.

PADDLE THE SAVANNAH

LOOKING FOR ADVENTURE?

Join us for a canoe trip down the Savannah River. During our free time on Thursday, take a relaxing 8 mile float.

Two sessions available:
Morning trip leaves at breakfast and return at lunch. (You will miss open MB time)

Afternoon trip leaves after lunch and returns before dinner. (You will miss X-Games)

\$20 per person, 12 spots available per session

*Open to Scouts 14 and up, Must pass Swim Test

Scouts who sign up for either session of first-year camper will work through their handbook to accomplish as many requirements as possible. The Program is designed to focus on the outdoor elements of each rank such as knot tying, first aid, fitness, and camping but will work to go through any requirements that the scout needs.

Scouts in the first-year camper program should bring their handbook.

The founder of Scouting, Lord Baden Powell, said that all Scouts should earn First Class

YOUTH LEADERS

BLACK CREEK

SCOUT RESERVATION

Troop Leadership

At Black Creek, we practice a unique style of leadership called “Principled Leadership,” which has three main aspects: mission focus, high expectations, and recognizing excellence. These principles apply to staff, Scouts, and Adult Leaders alike.

One of the key aspects of Principled Leadership is to “recognize excellence”— the practice of recognizing individuals for their accomplishments. Youth, Troops, and Patrols who demonstrate mission-focused behavior during their time at Black Creek have the opportunity to earn various awards, including but not limited to Honor Patrol, Honor Troop, Spirit Award, Campsite Inspection, and SPL of the Week.

Each week, every troop is eligible to receive the Honor Patrol award, however, only one troop will receive the Honor Troop Award.

How to win

Troops have numerous ways to earn Honor Troop or Honor Patrol throughout the week, including but not limited to:

- Demonstrate Scout Spirit daily
- SPL attends all SPL meetings
- At least one leader attends each Adult Leader meeting
- Attend and participate in all three campfires
- Provide a program (song, cheer, etc.) at mealtime or formation
- lead a flag ceremony
- participate in the camp-wide X-Games
- Maintain a clean campsite

Please see the Honor Troop and Honor Patrol forms in the appendix for the full list of requirements. Most importantly, your troop must **participate and turn in all forms on time**. Forms will be turned in to the SPL meeting on Friday.

Campsite Inspections

A Scout is clean

The purpose of the campsite inspection is to help teach Scouts the value of having a clean, neat, and safe campsite. The inspection is intended to be a positive experience for Scouts and adult leaders rather than a punitive measure

Since many troops share a campsite, troops should work together to maintain the health, safety, and cleanliness of common areas such as bathhouses, pavilions, sinks, and campfire rings.

Campsites will be inspected on Tuesday, Wednesday, and Friday by Camp Commissioners. In order to be eligible for the prestigious Black Creek Honor Troop Award, you must have an overall average of 80 points, out of 100 points total each day.

Please plan ahead and think about what you might need, as the Inspection Form explains what the inspector will be looking for and how many points each item is worth. The Campsite Inspection Form can be found the Appendix of this Field Guide.

CAMP POLICIES & PROCEDURES

BLACK CREEK

SCOUT RESERVATION

Polices & Procedures

For the well-being of Scouts, Adult Leaders, parents, and staff, Black Creek has established important policies and procedures to protect the safety of everyone attending summer camp.

Emergency Action Plan

Although we hope that your stay at BlackCreek is free of accidents and/or emergencies, a good Scout is always prepared. During the first 24 hours, while your Unit is at BlackCreek, we will have an emergency drill so that your Unit understands our policies and procedures in case of an emergency. Please review the Emergency ActionPlan and be sure your Troop discusses and understands what to do in case of an emergency.

Buddy System

BCSR Scouts will follow the Buddy System. We encourage Scouts to plan schedules and activities accordingly to avoid instances where Scouts may be without a buddy.

Vehicles & Troop Trailers

Vehicles must be parked in the parking lot only. No vehicles will be permitted to drive in and around camp program areas at any time during the program week once check-in is complete. Two Vehicles will be permitted to deliver gear as the Troop Guide escorts your unit to your campsite. Only the Troop Trailer may be left at the site.

Bicycles

Youth and Adult Leaders are encouraged to bring their bicycles to Black Creek. Please be sure that your bicycle is in good condition as Black Creek does not stock bicycle repair equipment on the property. Any individual who intends to bring their own bicycles to Black Creek must follow these rules:

- Everyone must wear a helmet at all times.
- Bikes may not be ridden in campsites, on stairs, bridges, under pavilions, or inside structures.
- Adult Leaders are responsible for ensuring and inspecting all bicycles ridden by Scouts to ensure it is safe to operate.

Policies & Procedures

Handicap/ADA Transportation

Valid Handicap placards will be granted driving permission with an additional camp-approved vehicle sign placed on the dashboard. Please check in with Administration to sign one out (and please make sure to return it upon leaving camp). We do appreciate a smaller vehicle such as a golf cart if you have that option. Please note **ONLY THOSE WITH THE HANDICAP placard may use these carts and/or vehicles.** It is not for all adults to ride around camp or to deliver children to classes. Additionally, ROHVA training must be completed prior to your arrival at camp. **Personal Carts & ATVs | Personal ATVs, golf carts, and other forms of small transport ARE NOT PERMITTED.**

Health Lodge & Medications

Med Lodge hours throughout the day will generally be from 8:00 AM – 6:00 PM and medical support is available at any time of day. Prescription medication may be stored either at your campsite or the health lodge (if medication required refrigeration). Medication stored in your campsite **MUST** be locked away. **NO YOUTH MAY HOLD THEIR OWN MEDICATION**, other than inhaler or epi pens. Please bring a Troop first aid kit for your campsite. It should be left out and readily available.

Insurance

Each troop that attends Summer Camp must have accident insurance. If you are a Coastal Georgia Council Unit, your insurance is on file with the Council. For Out-of-Council units, please check with your local Council for confirmation of coverage.

Smoking

All buildings and campsites are **SMOKE FREE**. Adults may smoke only in the designated smoking area located behind the pavilion next to the dumpster area.

Alcohol & Drugs

The use of alcoholic beverages, illegal drugs, as well as the misuse of over-the-counter or prescription drugs are prohibited and will not be tolerated on BSA Property. Violators will be prosecuted, and local law enforcement will be notified immediately.

Pets

No personal pets are allowed in camp. This also applies to visitors. Please advise your families to leave their pets at home. Service dogs must be clearly and properly marked, and we ask that the camp director be notified before arriving.

SWIM CLASSIFICATION PROCEDURES

The swim classification of individuals participating in a Boy Scouts of America activity is a key element in Safe Swim Defense and Safety Afloat. These swim classification tests are a foundational unit of the Aquatics Continuum.

All persons participating in BSA aquatics are classified according to swimming ability. The classification tests and test procedures have been developed and structured to demonstrate a skill level consistent with the individual's circumstances in the water.

SWIM TESTS FOR COUNCIL ACTIVITIES

Swim tests for ***council activities*** are conducted following procedures approved by a council-level committee, preferably the Council Aquatics Committee. The council committee should use the guidance contained in *BSA Aquatics Management Guide*. SPECIAL NOTE: When swim tests are conducted away from camp, the camp aquatics director retains the right to review or retest any or all participants to ensure that standards have been maintained.

REGARDLESS OF WHERE OR WHEN THE SWIM TEST IS GIVEN THE FOLLOWING PROCEDURES APPLY:

- **The test is given one-on-one.** The test administrator and the swimmer are buddies during the administration of the test.
- **Each component of the test is important.** The test must not be changed either to assist the Scout or to expedite the process.
- **The test must be completed without aid or support.** Aid includes lifejackets, wetsuits, fins, etc. Swim goggles may be used to avoid eye irritation.
- **Swim tests must be renewed annually,** preferably at the beginning of the outdoor season.

TO THE SWIM TEST ADMINISTRATOR

SWIMMER'S TEST:

Jump feet first into water over the head in depth, level off, and begin swimming. Swim 75 yards in a strong manner using one or more of the following strokes: side stroke, breaststroke, trudgen, or crawl; then swim 25 yards using an easy resting back stroke. The 100 yards must be swum continuously and include at least one sharp turn. After completing the swim, rest by floating.

BEGINNER'S TEST:

Jump feet first into water over the head in depth, level off, swim 25 feet on the surface, stop, turn sharply, resume swimming as before, and return to starting place.

Anyone who has not completed the beginner or swimmer tests is classified as a non-swimmer.
